BERE REGIS VESTRY SCREEN.

Mr. W. Bullen, wishes to acknowledge subscriptions to this Fund, to the total amount of £21 16s. 0d., from the following:

The work has been put in hand by Messrs. Harry Hems & Sons, of Exeter, and they have promised to have it
completed and placed in the Church on or before December 14th.

CORRESPONDENTS.

If a real record of the Parish is to be maintained, it is clear that some means of obtaining accurate information should be assured. At the present time no one seems to be responsible for supplying news of either past or coming events. The village Social Club and the Women’s Institute must surely, from time to time, have something which they would wish to put upon record; and again, the Cricket and Football Clubs might reasonably wish to supply an outline of their activities at the close of each season. Official Correspondents would be welcomed.
