

July 1950

uring August the Vicar is exchanging duty with the Rev. C. N. Reynold, Vicar of Shebbear, N. Devon. Mr. and Mrs. Reynold and their small son will be in residence at the Vicarage and we feel certain that they will be made welcome in the Parish and Mr. Reynold without doubt will supply a much needed change in

Church. May we ask for better attendances especially in the mornings. There will be no alteration in the times of the services—the only difference will be that the Children's Service at the Parish Church will be discontinued during August.

THE attendance at the services at the Patronal Festival were very encouraging and we are very grateful for the many gifts of flowers which were given for decorating the church. The very many week day visitors are always impressed with the well cared for appearance of the church.

THE Church Fete again suffered from bad weather and after all arrangements had been made for it to be held in the Vicarage garden we had to transfer at the last moment to the W.I. Hut. Later, however, an improvement in the weather made it possible to have various competitions and the May Pole in the garden and dancing on the lawn was kept up until a late hour. In next month's Magazine we will give a detailed statement of the amount taken which in the circumstances was most satisfactory. Apart, however, from the financial gain the fete provided a perfect example of co-operation and good fellowship.

OUR weekly Produce Stall has been most successful and we give below the results up to date. The stall will be discontinued during August.
