

March 1953

NCE more the Vicar wishes to say how much he regrets any inconvenience which may have been caused by the dislocation of the Services both at the Parish Church and at S. Nicholas. He wishes also to say how greatly he appreciates very much kindness. Influenza has been very widespread and unfortunately

in his case it was followed by pneumonia from which complete recovery is a slow process.

NOTICE will be given in due course of the Vestry and Annual Parochial Church Meeting.

At the former the only business is the election of Churchwardens and Sidesmen and we do not anticipate any changes. No Parish could wish for more faithful and helpful Churchwardens than we have at present.

At the Church Meeting we elect the Church Council and carry out any other business of importance.

WE should be very glad to have flowers for the Easter decorations as early as possible on the Saturday morning.
