Price: 8p monthly.

My dear Friends,

"Jesus took Peter, James and John with him and in their presence he was transfigured." 5. Mark 9:2.

The Feast of the Transfiguration, which falls on 6th August, commemorates an event of supreme significance in the life of Christ. Although his close friends had already accepted him as God's Chosen One it was not until the Transfiguration that they realised the true nature of Jesus. He was not only Perfect Man but also Very God and the knowledge terrified them. Yet Jesus had not changed. He had shared God's Nature from the beginning and the disciples were, therefore, seeing him as he really was for the first time. He was Jesus — Messiah.

Have you ever considered what it would mean for us if we were suddenly transfigured? If our friends were to see us, as we really are their reactions might be of shocked disbelief rather than awe and wonder. Most of us present a carefully cultivated image to the world because we know quite well that the real ‘Me’ is far less attractive. If this is our situation then let us learn a lesson from the Feast of the Transfiguration. Let us remember that it is only by staying close to Jesus and by, quite literally, gazing on Jesus that we shall begin to be transformed into his likeness. It can happen to the most unlikely people — may it happen to us as well.

Yours very sincerely,

DENIS SHAW.

NOTES FROM THE VICARAGE.

The Garden Party held this year on Midsummer Day, was by any standards an outstanding success. In a summer of indifferent weather we had a fine afternoon and the stalls, well stocked with all kinds of goods, were a splendid sight to see. Everything went with a swing and the large crowd obviously enjoyed searching for bargains (and finding them), entering competitions and watching the excellent display of dancing given by the pupils of Bere Regis School under the direction of Miss Jane Phillips. Later came the Sports and all events were keenly contested. There was also a good entry for the Painting Competition, 'Bere Regis under snow' but the number of entries for the tart-making competition was disappointing although the quality of the tarts was very high. The success of this venture was due to very hard work by a large number of people and it might be invidious to single out any individuals. One, however, who should be particularly thanked is Mr. Roy Comben who fixed up the Public Address System and provided us with some enjoyable background music. The net proceeds of the Garden Party were an
amazing £403.51 - an all time record. Our grateful thanks go to all concerned.

The Flower Festival followed hard on the heels of the Garden Party but the enthusiasm was unabated. Mrs. Cara Barne and Mrs. Joan Herdrige were responsible for the design of the exhibits and as these began to take shape a pattern of breathtaking beauty was revealed. In choice of colour, in placing and in execution these flower arrangements were surely unsurpassed. The Concert of music, which, in effect, opened our Festival was greatly enjoyed by a large audience. The Artistes were Jean Gould, soprano, Richard Hall - piano and Stanley Athill - organ. They all gave their best in an interesting and varied programme. On Saturday, 1st July we welcomed visitors in great numbers from a wide area and they were unanimous in admiration and praise of the Bere Regis Floral Group whose members were responsible for all the arrangements. The Festival continued on Sunday with joyous Services and interest was so great and the flowers still so fresh that it was decided to continue showing them for a further day. It seems almost a pity to mention the financial result of an occasion such as this and indeed the final figure has not yet been assessed but it can be reported that a substantial proportion of the cost of restoring our church organ has already been covered by the offerings at the Festival. I can only repeat the words used about the Garden Party - Our grateful thanks go to all those concerned.

The Sunday School outing took place on Saturday, 8th July when some thirty-eight children of both our Sunday School and Choir together with a number of parents travelled by coach to Weymouth. The weather was, to say the least, doubtful when we set out but it soon improved so that the party was able to sit on the beach all day, many playing beach games and bathing in the sea. We all had a picnic lunch and later in the afternoon all repaired to the Criterion Restaurant which provided us with a very good cooked tea. The manageress remarked that ours is the church which always has fine weather for its outings. I agree with a thankful heart.

The Cedar Tree which for so long beautified the churchyard, alas, no more, however, was the happy inspiration of a parishioner to use some of its wood to make some item of enduring beauty to adorn our church. This anonymous donor therefore commissioned Mr. Peter Macdonald to design and carve a book rest for use on the altar. He carried out the work with great skill and taste and the book rest was dedicated on our Patronal Festival - June 25th. Again, thanks to Mr. Macdonald and to our anonymous donor.

The Balbarrow Service is being held on 30th July and by the time this magazine is in your hands it will be almost due. Still, there may be time to book a seat on the coach which is leaving the village at 5.15 p.m. on that day. The cost per head - 25p. approx.

## FROM THE PARISH REGISTERS.

**Holy Baptism**

Admitted into the Christian family on 9th July, 1978 - Mark David Miller son of David and Julie Miller.

Georgina Samantha Legg daughter of Graham and Lesley Legg.

## IN MEMORIAM

Stuart Fisher was born in South Africa but spent most of his childhood in Carlisle, to which northern city his mother had brought him after the death
of his father in the Mission field. Mr. Fisher married a girl from Carlisle
and the couple moved south to Newbury where they opened a Fruiterers and Green-
grocery business. Both worked very hard to improve their business and they
were later able to open more shops and greatly to increase the scope of their
activities. In course of time their family was born and when all seemed to
be going well for them illness struck Mr. Fisher and they were obliged to seek
an early retirement. They came to Bere Regis some six years ago where, ill as
he often was, Mr. Fisher became well known in the village where his kindliness
and keen sense of humour endeared him to his many friends. Indeed he was able
to joke about his infirmities and continued to make light of them even in his
last hours on Earth. He was a great yet humble man whose unshakeable faith was
an inspiration to all who knew him. Our love and sympathy go out to Mrs.
Fisher and her family in their bereavement.

Maurice House seemed in many respects to epitomise the traditional man of
Dorset - unhurried, humourous and with his full share of native wisdom. Yet
he was, in fact, born in Southampton where he attended school for only a few
years before taking employment with a shipping company and crossing the
Atlantic as a bell-boy. He actually celebrated his thirteenth birthday in the
United States. Later he came to stay with an aunt at the Hyde and began to
help out at Lower Stockley Farm where Mr. Kellaway was the farmer. Maurice
House learned his farming there and later married the farmer's daughter,
Beatrice. After the death of Mr. Kellaway, Maurice House took charge of the
farm and worked ceaselessly to improve it. He and his wife took no holiday
for more than thirty years. They had one son, John, the present farmer and
one of our churchwardens. In spite of his busy life Maurice House found time
for many other pursuits. In his early days he helped to run the Sunday School
at the Bere Heath Chapel and sometimes preached there. He was a keen gardener
and loved a whist drive. He was also an enthusiastic supporter of the Southam-
ton Football Club. Many will remember him for his tireless work for the Parish
Council on which he served for more than fifteen years. All will remember him
for his qualities as a man, humourous, generous and utterly reliable. We all
mourn his loss and to his family we extend our love and sympathy.

THE MOTHERS' UNION

On July 5th, before the start of the Corporate Communion Service, the
following new members were admitted to our Branch: Olive Curtis, Jean Gibbs,
Diane Phillips, Irene Phillips, Jessie Sherwood; and Rose Athill, who had
been a member at another Branch, was welcomed.

On July 10th Joan Goon and two companions joined the Young Wives' annual
service and supper at Martins town. They found it most encouraging to be 100
or so committed and cheerful younger wives who had made the effort to attend.
Our Salisbury President, Gwen Hitchings, spoke with her usual enthusiasm and
encouragement of what we should be doing in our parishes.
A very successful and enjoyable Open Evening was held at The Drax Hall on July 12th. A total of nearly £200 profit was made and many thanks to everyone who supported us.

A big thank you also to the Young Wives and their daughters for the excellent Fashion Show they gave. Day dresses and evening wear were all made by the Young Wives themselves and they are to be congratulated for their hard work.

We were honoured by the presence of The Mayor and Mayoress of Wareham and Mr. and Mrs. Spiller also of Wareham.

The Annual Rose Competition for the silver bowl was judged this year by Mrs. Knowler and over 25 roses were shown - a very difficult task for her to judge. The winner, however, was Mr. Croft B'Puddle who received the silver bowl from Canon Shaw. 2nd. Miss Clatworthy, 3rd Mrs. Hawkins, 4th Mrs. Kain, 5th Mrs. Brook and 6th Mr. Chaldecott B'Puddle. The roses were sent to the winners.

The draw was won by Mrs. Bennetts (chicken dinner) - the other winners were Mrs. Shaw, Mrs. Brown, Mrs. Hewitt, Green Close, Mrs. Cox, Mrs. Percy, Mrs. Hawkins and Mrs. Gale.

The Mary Queen of Scots Doll which was made entirely by Mrs. Wheeler who used to live at Boswell Close, was won by Mrs. Norman, Bere Heath.

Bagatelle winners were Mr. Phillips and C. England.

Treasure Hunt was won by Mrs. Bush.

A really beautiful exhibition was also on display including a christening gown and shawl over 150 years old. Many thanks for the exhibits from members. It was a very interesting Exhibition.

We are very grateful for the hard work by the Hostesses and also the help from the members manning the stalls, etc.

In all a great success.

Our Sugar Plum Fairies float won the 1st Prize and the Cup in Bere Regis Carnival this year and 3rd prize at Puddletown Carnival. We are looking forward to the Wareham Carnival (by request from the Mayor, weather permitting) to come along and support us. Our grateful thanks to Mrs. Beken, Mrs. Mooney, Ray Ricketts, Mrs. Cain, Mrs. Lewis and Mrs. Jeeves who were on the float and for hard work in decorating the float. Also a big thank you to Jim Shave for driving and lending us the trailer and tractor.

Our next meeting is a tour leaving Bere Regis 2 p.m. from the usual pick-ups. 9th August, Mystery Tour.

We are having our own Flower Festival at Winterborne Anderson Church by kind permission of Mr. and Mrs. Isaacs on the 2nd and 3rd September. Will any member who would like to do an arrangement please contact Mrs. Jeeves.

Please continue to bring your tin foil to the Butcher's shop. There is a lack for the use of this in the shop. This is for the Guide Dogs for the Blind, and the members are visiting Exwch to see the dogs, 6th September. List is now closed.

New members are very welcome, come along to our next tour. For details ask Mr. Jeeves, Butcher.

The Autumn Ball is on the 21st October at Bovington Memorial Hall. Please note the date.

Thanks once again for the support of the village to our Open Day.

K. J.

BERE REGIS CARNIVAL.

In spite of cold dull day we are happy to say the Carnival was once again successful. The procession although perhaps lacking somewhat in quantity was of a very high quality, giving the spectators a fine sight as they passed through the village led by the very popular Band of the Junior Leaders Regiment R.A.C. and the pretty Queen, Princess, and their attendants.

The P.T.A. Committee would like to thank everyone who took part, the various organisations for running stalls and those who donated draw prizes. The six-a-side Football winners came from the Royal Oak and the netball winners were a team from the Drax. After expenses, the final result financially is expected to be in excess of £200.

The Carnival Day ended with a Disco at the Drax Hall.

A special date for members to note for September is Thursday 21st, when there is to be a Festival Service in Salisbury Cathedral at 8 p.m.

Doreen Shaw.

I would very much like to thank the Vicar and all the P.C.C. for the lovely Chiming Clock presented to me for winding and attending the Church clock for about 25 years. My Wife and I think it is a splendid present and I very much appreciate it, especially as it was made in Bere Regis by Major Booth and some helpers. I understand the wood for the frame was taken from one of the Elm trees grown at Barrow Hill, and made by Mr. Tony Bates. We also think the church and the inscriptions on the Clock face are beautiful, and they have been very much admired.

Again thanking you all.

Tom Woolfries.

Mrs. D. Fisher of 13 South Mead would like to thank those people of Bere Regis who were so kind and considerate to her and her late Husband, Stuart Fisher, during his long illness. No words can explain the gratitude I feel for your friendship and help since our arrival in the village.

Thank you for donations for Cancer Relief and the Church.

The family of the late Mr. M. A. House wish to express their thanks to their friends and neighbours for all messages of sympathy and kindness during the past weeks, and to Canon & Mrs. Shaw who have been so very kind and helpful.
