THE VICAR’S LETTER

My dear Friends,

"Everything written in the Scriptures was written to teach us, in order that we might have hope through the patience and encouragement which the Scriptures give us."

Romans 15:4

The essential feature of Impact 81 is that it is an Invitation.

The ingredients of this invitation are Mission, Prayer, Action, Commitment and Thanksgiving and in order to take our full part in this marvellous exercise in Evangelism we all need to prepare ourselves adequately. Part of this process of preparation is the Study Programme planned for this Autumn, and it is a very important part. Although it is primarily an exercise for members of the P.C.C. and Impact Committee, this opportunity for study is open to all, and it is one not to be missed.

Why should we bother to study at all?

Because, as the psalmist proclaims, "Thy word is a lamp unto my feet and a light unto my paths."

Because, if we are to tell people effectively about the fellowship of the Gospel then we must understand the message itself.

Because, as St. Paul reminds the Christians at Rome, the teaching provided by the Holy Scriptures produced that essential quality of our spiritual life, HOPE, and because, through an exercise of this kind we are able to help and encourage one another.

It is not only bible study which is involved we are to:-

(a) Review the work of the Church in the Parish.
(b) Consider the needs of the local community.
(c) Decide what are the priorities for the future in the life of the Church in the parish.
(d) Prepare the message to be sent to all families with any Church connection in the parish.

To my mind this is an exciting prospect for; although we are provided with guidelines, we are to tackle the task in our own way, and as best suits our local needs. So let us resolve to dedicate ourselves afresh, praying for enlightenment and the courage to bring all our efforts to fruition.

We have a gospel to proclaim
good news for men in all the earth
The gospel of a Saviour's name
we sing his glory, tell his worth.

Yours very sincerely,
DENIS SHAW.
IN MEMORIAM. Ernest James Austin - known to all as “Bob” - was born in Hambledon, Bucks, one of three children, the other two being girls. He went to school in his native village, and when he left at the age of 14, he went to work for the International Stores, where he was formally apprenticed to the Grocery Trade. Later, he joined another firm of high class grocers and actually delivered goods to Windsor Castle for a time.

Bob was a member of the Special Constabulary, and he joined the Army soon after the outbreak of the Second World War. He married his first wife Olive, in 1940. Bob Austin saw service both at home and overseas in Italy, Austria and North Africa where he served as a Driver in all these theatres of War.

Discharged from the Army at the end of the war, Bob returned to Henley-on-Thames moving to Dorset in 1956, when he joined Bemisters’ Stores as Grocery Manager.

After his first wife died in 1962, Bob married his second wife Cecilia and Roy was born in 1966. The family lived in the house attached to Bemisters’ but moved later to Green Close. Bob retired officially in 1976 but continued to work part time until about a year ago. Since then he has fought a long battle against increasing ill-health with incredible courage.

Bob’s main spare time interest was gardening but he was also an active member of the Royal British Legion, and was a member of the Service Committee of the local branch, and acted as Treasurer.

Bob worked tirelessly and selflessly to the end of his life. He was a good husband and father and a great friend and confidant to many people.

His is a story of loyal service and great courage.

Our sympathy goes out to his widow and his son and step-daughter in their great loss.

SUMMER CAMP 1980. On Saturday 26th July six members of Bere Regis Scout Troop left at 10.30 a.m. for Summer camp at Ashmore. It was a good camp site and we had plenty of room for our six tents. Unluckily, the wasps had arrived first, and Andrew Simmonds accidentally put his foot in their nest and was stung seven times.

Mr. Gubbins, our leader, stayed all week and Mr. England, Mr. Simmonds, Mr. Ventham, and Mr. Cuttle came to help him during the week. On the Monday we hired to Win Green near Shaftesbury. Another day we went to Shaftesbury and did some shopping and then we visited Old Wardour Castle. On the Thursday we constructed an assault course on which Paul Gubbins had the fastest time. In the afternoon we collected five boxes of firewood for Major Stoop. On Saturday 2nd August we took down our tents and tidied the camp site. We arrived home just after 1 p.m. We had quite good weather, and everyone enjoyed the camp.

the weather was in our favour and the fete was a great success, making about £120 profit
which we hope to put towards new playgroup equipment and activities. Mr. Dick Van Winkle
had a very jovial personality and carried out his tasks of opening the fete and conducting the
baby show with great credit. Special thanks must go to Mr. & Mrs. E. Jarvis and our fund-
raising committee (Mrs. Cox, Mrs. Sheldrake and Mrs. Carr). Without their efforts the fete
would have been impossible. Also many thanks to everyone else who contributed.

SOCIAL CLUB - BLADEN HORTICULTURAL SHOW - 2nd AUGUST. Mr. Norman Reed, who
died suddenly on 11th July, had organised successful Horticultural Shows in Briantspuddle

Payne, Mr. & Mrs. Holman ran a very successful show. Over 400 exhibits were entered more

MESSAGES OF APPRECIATION

Dorothy, Pollyane and Tim Reed wish to thank all who sent messages of sympathy and the many friends who were so kind during our recent bereavement.

Mrs. Dinah Gale and family wish to thank all relatives and friends for their kind messages and lovely floral tributes after the death of her husband Vic. Also to thank Dr. Greenfield and Nurse Wallace for all they did.

IN MEMORIAM. Victor James Gale was born in Briantspuddle, the third son of a large family. He attended the local school at Briantspuddle but after the family moved house he went to the Bere Regis School, where he completed his education. Upon leaving school, Vic worked for some time as errand boy at the village shop at Briantspuddle, but later obtained employment on the Briantspuddle Farm with the Bamblett family with whom he remained for some 37 years. He met his wife Dinah on the farm, and they were married at the Tolpuddle Church. The couple lived first at Brockhill, where they remained for some ten years. Later they moved to Throop, and then to No. 29 Briantspuddle. Mr. and Mrs. Gale raised a fine family of 6 sons and 3 daughters.

Apart from his full-time farm work, Vic Gale managed to fit in a spare time job as chimney sweep, and his skill and reliability meant that he was much in demand. He was interested in the sport of wrestling, and enjoyed watching this on T.V. But his great interest was in his family and he was, by any standards a devoted husband and father.

He was stricken down while still in the prime of life, but his family have the consolation of knowing that he suffered no long and lingering illness, and that he was able to spend his last days in his own home. It was a great source of satisfaction to him that he was able to attend the christening of his grandchild a few weeks ago. Vic Gale will be greatly missed by his many friends but he lives on in his family, to whom we extend our love and sympathy in their great loss.
