I BELIEVE ... WE BELIEVE:
'The NATURE OF CHRISTIAN BELIEF' is the title of the recent statement issued by all the Bishops of the Church: we look at just two of the areas covered in the publication.

RESURRECTION?
CARRIED UNANIMOUSLY!

RESURRECTION LIFE includes all that is needed for complete and authentic human existence. It is glorified, perfected, eternal human life, human life as it is meant to be but never in this world has been, not a ghostly abstraction from that life. The faith which is the teaching of the universal Church, and which this House reaffirms as the teaching of the Church of England, is this: that our Lord truly experienced human death, that that state of death was ended and wholly overcome, that there was genuine continuity between his dying self and his risen self, that the mode of existence of the Risen Lord was one in which his full human nature and identity, bodily, mental and spiritual, were present and glorified for eternal blessedness; and that this mode of existence was observed and experienced, and its essential secret grasped, by numbers of his disciples in personal encounter.

This faith in Christ’s Resurrection is the faith of every member of this House. On the question whether, as a result of this divine act of resurrection, Christ’s tomb that first Easter Day was empty we recognise that scholarship can offer no conclusive demonstration; and the divergent views to be found among scholars of standing are reflected in the thinking of individual bishops. But all of us accept:

First, that belief that the tomb was empty can be held with full intellectual integrity.

Secondly, that this is the understanding of the witness of Scripture which is generally received in the universal Church.

Thirdly, that this House acknowledges and upholds this belief as expressing the faith of the Church of England and of its historic teaching, affirming that in the resurrection life the material order is redeemed, and the fulness of human nature is taken into God’s eternal destiny for his creation.

– Nature of Christian Belief
INCARNATION, VIRGIN BIRTH
AND A NEW HUMANITY

THE CENTRAL MIRACLE the heart of the Christian understanding of God, is the Incarnation itself. It is the faith of us all that this is truly expressed in the affirmation of the catholic Creeds that in Jesus Christ, fully God and fully human, the Second Person of the Blessed Trinity is incarnate.

The divergences between Christian scholars on the relation of the Virginal Conception of Our Lord to this great mystery, and on the question whether or not that Conception is to be regarded as historical fact as well as imagery symbolic of divine truth, have been indicated, and they are reflected in the convictions of members of this House. But all of us accept:

First, that the belief that Our Lord was conceived in the womb of Mary by the creative power of God the Holy Spirit without the intervention of a human father can be held with full intellectual integrity.

Secondly, that only this belief, enshrined in the Creeds, can claim to be the teaching of the universal Church.

Thirdly, that this House acknowledges and upholds this belief as expressing the faith of the Church of England and of its historic teaching, affirming the truth that in Christ God has taken the initiative for our salvation by uniting our human nature with himself, so bringing into being a new humanity.

— Nature of Christian Belief

POINTS OF FAITH

IT'S NO BIG DEAL to dial a Bishop direct and ask the deepest questions about his Christian faith but, as pollsters and reporters have found it is unlikely you will get a very good answer from one local call!

Far better to buy and study *The Nature of Christian Belief*, a 40 page 'Statement and Exposition' by the House of Bishops of the Church of England (Price £1.25 from Church House Publishing, Great Smith Street, London SW1P 3NZ). By the time you read this in August the General Synod will have debated the Report. It promises to be a lively occasion.

"I must caution you that anything you believe will be taken down and may be used in evidence against you." — Taffy in CEN

Bere Regis News

Mothers Union At the July meeting communion was celebrated in church, followed by the AGM at the Vicarage.
A very successful Church Crawl was held, with the largest numbers ever attending. This year, being the heritage festival, the churches visited were Turnerspuddle, Affpuddle and ending in our own dear church at Bere Regis. This was followed by a ploughmans supper at the Drax Arms. As usual Fred Pitfield supplied us with a wealth of knowledge on the history of our churches, and though we know our own so well, he was able to fill in details we had missed before. Our thanks go to Fred, also to Brenda who arranged all the details.
The Branch stall at the church fete was loaded with goods, and we were able to hand over more than £34.00 due to the hard work of the stall helpers.
A party from Dorchester Deanery were provided with tea and cakes, on their return journey from the festival at Salisbury. On a hot afternoon, most were glad of the 'cuppa'. It was enjoyable to meet members from another area, and the pleasure of sitting on Joan's lawn for a chat on a sunny afternoon was voted an ideal way to spend the day. Grateful thanks to Joan and all who provided food and help.
There will be no meeting in August, but the September meeting is a social evening, when branches in the surrounding area will be joining us. Tea Hostesses - Margaret Miller, Irene and Mrs Joyce.

AUTUMN LEAVES OVER 60 CLUB Our Open Day was again very enjoyable and successful although we lacked the support of the residents of Bere Regis. The Rose competition was judged by Mrs Jean Gibbs and Mrs Cynthia Burden, a difficult task with 25 roses - the winner was Mrs Gibbs who won the silver bowl, second Mrs Dorothy Owen, Mrs Clark, Mrs Cleall, Mrs Percy and Mrs Cheeseman. An interesting Exhibition of musical boxes and a display of china objects (dogs, Victorian ladies, etc), a Sales Table and a Raffle also made the afternoon interesting - scones (made by Ciss Lewis), strawberry jam and tea were served. Over £30.00 was made for our funds, surely needed. Many thanks to the people who sent donations - it was also most acceptable.

Our next meeting is an INVITATION to all members to a Retirement Tea at Mr & Mrs Jeeves house 'Larkspur', Snow Hill. Mr Sykes will pick up at the usual spots, 2.30 p.m. - 13th August. See you all then. K.J.

WOMEN'S INSTITUTE Before the summer break we were entertained by Mrs C Lewis and Mrs P Moss, to a "Dorset Evening" to commemorate the 100th Anniversary of the death of William Barnes, his poems were read, tapes played, and a mini drama of "A Sly Bit of Courting" performed. There was a quiz on Dorset dialect words, before delicious Dorset Apple Cake and cream, and Apple Wine were served. Mrs S Cheeseman read the link letter and with Mrs P Moss will arrange Skittle Matches for the Autumn. Future programme planning was discussed.

Thanks and goodwill were extended to Mrs S Mullins (who will be leaving Bere Regis), for her several years of service as a most loyal, efficient Secretary of our Women's Institute.
Hostesses for September - Mrs Cleall, Mrs McLeod, Mrs Ferguson
PARISH COUNCIL At the meeting of the Parish Council, concern was expressed at the number of children running straight across the road after getting off the school buses. Parents are asked to warn their children of the dangers, and passing motorists are reminded to take great care at this time.

It was voted to discontinue the Civil Aid Sub-Committee for the present time.

The subject of Twinning with a village abroad was again discussed. Anyone interested should contact Mrs Molly Carlyle - Bere Regis 471441.

Depending on the responses a Committee would be formed to arrange the details.

Further talks were held with a view to reducing the speed of traffic through the village. Mrs Franklin, our County Councillor, contacted the County Surveyor on one of the “sleeping policemen”, or to give them their correct title, “road humps”. In his letter of reply he states West Street does not meet the requirements, quote: “The main reasons are that they can only be put down on a section of the road between existing speed reducing features such as a junction or acute bend where there is an existing speed limit and over a maximum length of 1 km”. The date of the next meeting is 20th August, 7.00 p.m. in the Drax Hall.

ROYAL BRITISH LEGION - BERE REGIS BRANCH The 14th Annual Flower Show will be held in the Clubroom, North Street on Saturday, 9th August. The schedule comprises 54 Open Classes: Section 1 for vegetables (20 classes), Section 2 Flowers (16 classes, of which 4 are for ladies' floral arrangements), Section 3 Homcraft (12 classes), and 6 classes reserved for children under 14 years of age. Schedules are available at the Clubroom and the usual places in the village, and entries close Wednesday, 6th August, with the Show Secretary being present in the Clubroom from 8 p.m. to collect last minute entries. Exhibits will be staged by 10 a.m. on the Saturday, and after judging the Show will be open to the public at 2 p.m., admission 20p.

THE ROYAL BRITISH LEGION (WOMEN’S SECTION) Held their monthly meeting on 25th June, 20 members were present. The speaker was Mr Bracewell, who showed slides on “The Dorset Coast” and “Our Country Cathedrals”. A Bring and Buy was run by Mrs Diffy and teas were served by Mrs Payne and Mrs Reed.

GENOTAPH - August - Mrs Steele
September - Mrs Cleall

BERE REGIS PLAYGROUP We have a few vacancies in the Playgroup for the new term starting in September.

Enquiries to Mrs H Belben 471674.

Also, if anyone has any ‘sit n ride’ toys that are no longer of use to them, the Playgroup would be very grateful for them.

BERE REGIS WIVES GROUP The June meeting was a barbecue at the home of Mrs A Ives. About 20 members had a most pleasant evening with games and supper, ending with a sing-a-long. Cup winner for wild flowers was Mrs Di Phillips.

No meeting in August.

JUST A THOUGHT........ Since I became involved with the Village Hall I have pondered on why, in a village now with the highest-ever recorded population, there are so few organisations using the Hall.

A glance at the pages of this Magazine reveals that there are a number of groups of like-minded people gathered together in clubs and associations, all of whom find suitable meeting places either in the Drax Hall or elsewhere. However, it is equally apparent that there is a lack of clubs in some fields of interest. Why, for example, does the village not have a Gardening Club? Why no gathering-together of those interested in topics such as photography, theatre, music, model-making, wildlife, collecting, rambling? Is it lack of interest; of someone to organise; of a suitable meeting place?

The purpose of this note is not to act as a cunningly-disguised promotion of the Drax Hall as a possible venue for such currently non-existent clubs, but simply to point out that the Hall does exist, and could be the solution if the lack of meeting place is a major obstacle.

Now that the programme of renovation and improvement has started in the Hall (and will advance more speedily if more volunteers step boldly forward to assist) the Hall will become even more suitable.

If anyone would like to use this Magazine for comments on this subject I am sure the Editor will find room; alternatively I am always willing to receive such comments directly.

A J Wise - 26 Old Barn Road

DRAX HALL I would like to thank everyone who came to support and help at my coffee evening which was a great success. It raised a total of £71.00.

Kilometer of Coins A Correction in the amount raised from what was announced in last month’s magazine - it should have been £45 not £25.

Barbecue Thank you to all who braved the weather and came to our barbecue which was forced into the Drax Hall due to the downpour. We hope you enjoyed our ‘indoor’ games, food and Morris Dancing, and we will try to have another one in the dry later in the year.

Scouts Waste Paper Collection The Group has been allowed to store their paper in what villagers know as Frank Cole’s bungalow, which was originally a garage, in West Street just before the turning for Sitterton. There is a small hut behind the main bungalow building where you may leave bundles or boxes of paper or magazines.

Collection will continue on the first Saturday of the month (except in September when the collection will be a week early on Saturday, 30th August). If you do not already save your papers for the Scouts, please do as we need all we can get to help finance the building of our headquarters.

Please contact either John England (471469), John Pitman (471629) or Stewart Welton (471562) if you would like it collected monthly.

Future Events Fashion Show, Sponsored Event, Halloween Sale and Webb Ivory Xmas Catalogues will all help towards our Headquarters’ funds. Please keep an eye open for details.

CLASSES Flower arrangement classes will be resuming at St Mary’s School, Puddletown on Thursday, 25th September, 7 - 9 p.m. This is a course for anyone interested in flower arranging and will cover choice of plant material to use and grow, its preparation, containers, mechanics and bases, together with basic practical skills in flower arrangement. It is hoped that the course will be useful to both the complete beginner, and also to anyone seeking to improve skills already acquired. For any further information, please contact Diane Holman, Tel: Puddletown 262.

IMPERIAL CANCER RESEARCH FUND Our thanks go to Mrs P Jestly, and to all who helped with and supported the recent Cheese and Wine Party held at Little Meadow. A profit of £193.00 was made. If anyone is thinking of doing a marathon - or anything else for which sponsorship is possible, please bear us in mind!

AFFPUDDLE NEWS

Please may I have items for inclusion in the magazine by 14th of the month. Philippa Thorniley
Have a very enjoyable summer holiday. School closed on Wednesday, 23rd July and re-opens on Tuesday, 2nd September. L.K. Lutner, Headteacher

**RECIPE OF THE MONTH**
Where have all the good cooks gone? Come lasses and lads (you can get leave from your Dads if you want to) and let me have lots of exciting recipes for future months. I like anything from penny saving recipes to the grandest cordon bleu, so out with the pens and pencils and let me have your ideas as soon as possible to Philippa Thornley at Raithby Cottage, Briantspuddle.

Martha Kruijer took pity on me this month and here is her suggestion for a delicious pudding - Lemon Freeze.

**Ingredients**
2oz crushed cornflakes, 2oz caster sugar, 2oz melted butter.
2 eggs separated, 1 small can of condensed milk, 1pt double cream, finely grated rind and juice of 2 lemons.

**Method**
Put crushed cornflakes into a bowl add the sugar and using a fork stir in the melted butter and mix well. Reserve 2tbs of the mixture and press the remainder firmly into a lined and oiled base of a 7/8 inch removable based cake or flan tin. Combine egg yolks, condensed milk and cream. Add grated rind and juice of lemons. Beat well until mixture thickens. Beat the egg whites until stiff. Fold into the lemon mixture and pour into prepared base. Sprinkle remainder of cornflakes onto the top and freeze. Remove from freezer 10 minutes prior to serving.
