look out!

There is always a danger in our becoming too inward looking; we need always to look out beyond ourselves if our lives are to be really balanced. Perhaps we as Christians are particularly bad on occasions at focusing too much on our own interests and on ourselves. It is easy to ignore those things which don't really seem to affect us directly. But here are suggestions of three areas where we must 'look out' beyond ourselves:

1. OUR LOCAL COMMUNITY
   How much involvement do you have with different organisations in our villages and towns? Christians are needed in all of the activities that make up our contemporary society: in education, social groups - for example with the young, the disabled or the elderly, in sport, in local government, and so on. In everything there should be a positive Christian involvement - and perhaps that means you!

2. WORLD ISSUES
   We are bombarded with news of happenings from around the world - and even beyond it! But we need to be well-informed if a balanced picture is to be built up in our minds. As Christians we seek to uphold standards in a fairly pagan world: our informed viewpoint is important, based on fact and our deep-rooted faith. Newspapers, radio and television can be vital, but a balance of information is needed: different views can clarify what is really happening. As a Christian community our own education is a priority: in Bere Regis we are planning films and videos to enable us to look out to issues of world significance - starting on Sunday 20th July with a video about the situation in Ethiopia, shown after Evensong, entitled 'A Cup in my name'; in Affpuddle a programme of education is being
planned for the Autumn. Please support all our attempts to become more knowledgeable and so more involved in what is really happening in God's world.

3. TO GOD

What involves us personally, in the places where we live or work, and in the world at large, also involves God. It is necessary for us to integrate everything that touches our own lives in our life of prayer - our communication with God. If it matters to us, then it matters to God, and we are being less than honest if we edit our prayers to leave out so much of ourselves. In all that we do, we need to look beyond our own personalities, look out to God himself, our creator.

IN MEMORIAM

When EDITH TODD came to Briantspuddle some thirty years ago to run the
village shop, she quickly became accepted as part of the community. She grew
to love Briantspuddle and its people and wanted to live nowhere else. Her
honest and straightforward approach to life, its problems and joys, gained her
the love and respect of the locals and newcomers to the village alike.
Many people have reason to be grateful to Edith for help which she was always
ready to give. She had a deep understanding of people and was interested in
all village activities.
She will be remembered with great affection and will be greatly missed:
to John and Gerald and their families we extend our love and sympathy.

AMY VACHER died in Bournemouth at the age of ninety four. She had come
to Tolpuddle and then to Affpuddle after her marriage in 1921, her husband
being employed on the Debenham estate. For a time she lived in Affpuddle and
then in Bladen Valley, before moving near to her son and his family in the
mid 1960's. She was for many years a regular worshipper in Affpuddle Church
and was active in many ways both in church and village life. It is very
appropriate that she should be laid to rest near the church path which she
walked so frequently, next to her husband.
Our prayers and sympathy go to Austin, her son and the rest of the family at
this time.

It's difficult to prove that God exists -
but it's also quite impossible to prove
that he doesn't!

WHAT HAVE YOU DONE TODAY
THAT NOBODY BUT A CHRISTIAN
WOULD DO?

"QUOTES"

The difficulty of walking in the middle of
the road is the considerable danger of
being knocked flat from either side!

SEB Officer

The Chairman welcomed three new members to the Council, but reported that one more person is still needed to make a full council. The pleasures and pitfalls of twinning with a village abroad are to be looked into.

The new road arrangements at the end of North Street into the Townsend Industrial Estate were discussed and Mrs. Franklyn, our County Councillor, is to look into the matter, as the Council does not think they meet the original specifications.

Plans of the draft proposals for changes in the district boundaries between North Dorset District Council and Purbeck District Council were on display. This would mean Bere Regis losing some parts and gaining others.

Two members of the Council had attended a meeting at Kingston Maurward, on Transport in Rural Areas after the new Transport Act comes into effect from 26 October 1986. From that time bus services will be deregulated.

It is hoped that Bere Regis will not see too many changes, as we are on a main bus service, but some of the more rural districts may be less well catered for.

An unanimous decision was taken that in future there will be no smoking at Council meetings.
A GOOD READ Every month we hope to feature a book recommended by someone in the parishes.

It need not necessarily be a specifically 'religious' book but perhaps a novel or biography that has proved interesting, helpful or thought-provoking.

For anyone who wishes to buy a copy, there will be lists available for you to sign in both Churches, giving the current price.

If you have a book you would like to share in this way please let me know.

JULY CHOICE - PRISON TO PRAISE by Merlin Carothers

This is the true story of a young soldier seemingly hell-bent on a life of crime in his search for a life of danger and excitement. His conversion and subsequent years as an army padre are most graphically and movingly recounted.

Merlin Carothers illustrates that praising God in all our circumstances releases His power greatly in our lives. The book is simple, direct and a challenge to us all.

There will be a Group Walk in the Kingston Lacey area on 10th July. Hostesses for July: Mrs. March, Mrs. Barnes, Mrs. Owen

THANKS Charles and Kathleen Jeeves thank everyone for their cards on their retirement from the Butcher's shop, and for their good wishes.

BERE REGIS SCOUT GROUP Wast Paper Collection. IMPORTANT. We have been very fortunate to have been able to store our Scout's waste paper in the stable at the rear of the butcher's shop for a long time. As expected Mr. Moore is doing building modifications and we have to stop storing it there. As a temporary measure paper may be left at Mrs. Jeeves' bungalow, Mr. England's - 10 South Mead, or Mr. Pitman's - Glenayr, Poole Road. We hope to be able to obtain a store somewhere in Bere Regis and ask if anyone has a shed or garage not too far from access for a large lorry which is required to take it away periodically, we would be very pleased to hear about it.

HEADQUARTERS We have good news of progress of our Scout Headquarters with the approval of plans and initial talks being favourably considered by the District Council regarding the lease.

Fund raising towards this project is vital and our waste paper income is an important regular source of funds. Let's hope we can continue to offer the village this service in future without too many problems.

Kilometer of Coins. Thank you to all those who helped collect during the day and to all those who contributed. Approximately £25.00 was raised.

BARBECUE SATURDAY JULY 5th 7.00 to 10.00p.m. Please come along and have something to eat, play a few country games and listen to a bit of country music at Court Green with your local Scouts, Cubs and Beavers.

AFFPUDDLE NEWS

Please may I have items for inclusion in the magazine by 14th of the month. Philippa Thornley

AFFRAISE SERVICE - SUNDAY, 20th JULY, 11.00 A.M. We move on this month from God the Holy Spirit, whose role we have taken as our theme for the last two Affraise Services, to God the Father, the first person of the Holy Trinity. How does the role of human father resemble his role in the Godhead? Do join us in worship and praise of him as we think a little about this. J.H.

PAROCHIAL CHURCH COUNCIL MEETING There will be a meeting of the Parochial Church Council on Thursday, 17th July 1986, at Hazel Cottage, 25 Briantspuddle at 7.30 p.m. Agendas will be distributed nearer the date.

COFFEE MORNING As mentioned in last month's Parish Magazine and in the Gift Day letter there will be a Coffee Morning in aid of Church Funds at Blackdown House on Saturday, 5th July from 10.30 a.m. to 12 noon. There will be all the usual stalls. Do support this event by contributing to the stalls and attending the event and bringing along your friends. Funds are urgently needed to help repay the loan on the Organ Fund and for repairs to the West Door to the Church.

GIFT DAY At the time of going to press the amount contributed to the
Gift Day is £309.09. If you have mislaid your envelope and/or find it again do fill it and let either of the Churchwardens of the Treasurer have it.

BRIANTSPOOL HALL COMMITTEE The Annual General Meeting of the Hall Committee took place on Monday, 9th June. Mrs. Thornley was elected Chairman, Mr. Bowell Hon. Treasurer and Mrs. Bowell Hon Secretary. Mrs. Vingoe was welcomed to the Committee. The Treasurer reported that income generated by hiring the hall and equipment had just about covered the day-to-day running expenses of the Hall. The amount in the Thatch Repair Fund was £4380.91. This was short of the target of £1,000.00 per annum by 1990, when consideration would have to be given to rethatching the Hall. All the Officers and Committee were thanked for their work during the past year.

ANNUAL STREET FAIR The weather was not kind to us this year! Thanks to all the stalwarts who turned out to help in the organisation and by running the stalls. A total of £249.19 was raised towards the Thatch Repair Fund.

CHRISTIAN AID COLLECTION Many thanks to the collectors and contributors who supported our recent Christian Aid Week. We raised £65.21 compared with £46.32 in 1985 - a very good response, and the money goes to the Dorchester Appeal to fund re-settlement projects in the Sudan.

NEW VENTURE SCOUT/RANGER GUIDE UNIT A Barbeque for all those who are interested in joining the above unit between the ages of 14 to 20 will be held at Hazel Cottage, 25 Briantspuddle at 8.00 p.m. on Friday, 11th July. 50p towards expenses.

RECIPe OF THE MONTH Raspberry Water Ice This is very easy to make and delicious - it can also be made with other fruits.
Ingredients - 1lb fresh raspberries, 6oz castor sugar, 1 pint water, juice of 1 orange and 1 lemon, 2 egg whites.
Method - Make a puree of the raspberries. Measure the sugar and water into a pan set over low heat and stir until sugar has dissolved. Bring to boil and simmer for 5 minutes. Draw the pan off the heat and stir in fruit puree. Add the strained juice of the orange and lemon, pour mixture into a bowl and allow to cool. Partially freeze the mixture. Whisk the egg whites until stiff and then gradually whisk in partially frozen water ice. Return to freeze. Freeze for several hours until water ice is firm. Serve with wafers or macaroons. This is a useful recipe to make in advance. It is also delicious made with loganberries or blackcurrants or strawberries, though with strawberries adjustment of the fruit juices may be necessary. As an extra luxury serve with a dollop of clotted cream.
