LENT

Lent in 1991 begins on 13th February, Ash Wednesday: what difference will it make to you?

Lent gives an opportunity to grow in our faith — in our knowledge of and love for God as revealed in Jesus Christ. Our faith is important as it affects our whole outlook on life — whether it is to do with world issues of war and peace or food mountains and famine, or local concerns on planning or bus services...

One of the tasks of the local Church is to provide opportunities for growth: not forums for airing the same platitudes! There will be two different LENT GROUPS and a variety of teaching sermons on Sundays to help us to grow and think together:

MONDAYS 18 and 25 FEBRUARY and 4, 11, 18 and 25 MARCH at 8.00 pm
"GOING FOR GROWTH" — based on a RADIO SOLENT Course being broadcast on Thursday evenings in Lent. It is hoped to hold two groups: one in Brierantspuddle and one in Bere Regis; see the weekly notices for the venue (or ‘phone 471262).

FRIDAYS 22 FEBRUARY and 1, 8, 15 and 22 MARCH from 10 — 11 am
"OPEN TO GOD" — five sessions about prayer with time for praying and reflecting, based on material in the book of the same name by Joyce Huggett. These meetings will be at The Vicarage.

Come to a
LENT GROUP

Sermons at our main Sunday Services in Lent will look at the relevance of the Lord's Prayer to us today:
OUR FATHER, HALLOWED BE YOUR NAME AND GIVE US THIS DAY OUR DAILY BREAD will be among the themes.

For many LENT is also a time for giving up — and if you give up something you will probably want to GIVE to a worthy cause as well! The CHURCH ARMY is one such good cause and envelopes and boxes for giving donations will be available in both our Churches — to be kept during Lent and returned on or soon after Easter Day.

MAY LENT BE FOR YOU A GROWING SEASON!

**IN MEMORIAM**

**WINIFRED GREIR,** Penny Haigh’s mother died suddenly at the in late November; Winnie had only recently moved to Dorset to be nearer to the family. Her upbringing had been as a Primitive Methodist and this had moulded her character in her early years; whilst at Teacher Training College she was confirmed into the Church of England. For many years she taught in Primary Schools and was much involved in education. Our prayers are with her husband and the family at this time.

**RUSSELL DAVIES** had lived for twenty years in Bere Regis, having been born in Cardiff and, as a coal factor came to Poole in 1933. Russell loved sport: swimming and tennis were among his great loves. He was known and loved as a quiet man who was reliable and kind; his advice was good and he possessed a sound business mind. Arthritis had given him increasing disability and his last years had been painful and trying. We thank God that he now has peace; and we remember Joan and the family in our thoughts and prayers.

**FRANK THORNE** came to Briantspuddle with his parents and worked on the Bladen Estate before moving off to Salisbury to work with the Water Board as the Estate was broken up. Much of his life had been spent in agriculture. Frank returned to the area, living in Bere Regis with the family for a number of years before increasing ill health caused him to move to a Nursing Home in Dorchester. May he rest in peace.

**NEWS** from ANDREW WARD in The Gambia...

"Thanks very much for your Christmas letters... my needs are very simple here: apart from my medicine, diary, walkman, teaching and getting clean stuff, I have very few possessions; I don’t need them... I am getting used to the Gambian diet - some dishes are incredibly tasty... I am liking the fish very much. The fish are not travelled here - there are fishing boats at the beach, long wooden canoes, about 25 feet long - with outboard motors to add a western touch. They go out to put their nets and then collect them later.

Christmas was beautiful here because for some reason I enjoyed the chores - choosing presents was really fun - we don’t have that much as volunteers - so there weren’t the usual problems.

(from The Gambia, continued...) Then there was giving things to people in the compound - they were delighted, in fact so happy you’d think it was Christmas! The Muslims seemed to think that although we Christians are wrong about Jesus, they can keep us happy by getting excited about Christmas! Everybody was so happy and nice to each other. I then helped cook a meal over a fire on Christmas Eve: salad pasta and sauce and Christmas Pudding - all washed down with palm wine. Then the presents... and home at 3.30 am... to start again at 5.30 by catching the bush taxi to Beji where the Church Service was on Gambian time (i.e. ½ hours later than advertised). But it was great to meditate for this time - and it was the first visit to an Anglican Church since arriving here... it was a Cathedral - but Bere Regis Church must have had more people in it... but it was only a Cathedral in name... about the size of Bere Regis Church. The Service (with no Service book) was very similar to ours... it was very moving... taking communion was almost electrifying..."

We remember Andrew and his work in our prayers.

###AUTUMN LEAVES

The first meeting of the New Year was our New Year Party. We were entertained by the Cascades, with songs and drama, and were all able to join in singing the old tyme songs. Tea was very much enjoyed, and all received a primula as a New Year gift.

The next meeting will be on Wednesday 13th February, when we have a quiz, and a competition for a Dinner Plate.

###BERE REGIS NEWS

####Parish Church Council Meeting

At a recent council meeting, it was decided that a brief report of the council’s discussions and decisions should appear in the parish magazine. As the idea was mine, I have agreed to submit the report. Please feel free to comment on any item which interests you, to any member of the council, the churchwardens or the vicar. Our deliberations usually consist of matters on which decisions can quickly be agreed and those requiring more prayerful consideration. In the former category, we agreed to erect signs in the churchyard requesting that there should be no cycling; we agreed that the price of the magazine should be raised to 25p per issue (£3 per year); and we agreed that the boiler house will almost certainly need a new roof.

We have been studying the document “Going with God - Together”. This was produced by a team headed by our diocesan bishop as a result of parish responses to the bishop’s challenge to us all to decide what should be the priorities for the church of Jesus at this point in time. At our most recent meeting, we discussed ways of welcoming into the church young families who had chosen infant baptism for their children, and encouraging them to grow in the Christian faith.

We considered which charities should be added to those which we support on the second Sunday of each month and two local ones were suggested: the Lantern, Weymouth, the Christian drop-in centre, and TRI-MAR, a Weymouth based charity which hopes to provide a Christian hospice for cancer patients.

Brenda Pitfield

###MOTHER’S UNION

At our January meeting Mrs Philippa Ward gave a lovely talk illustrated with slides on her visit to Zimbabwe. We heard about the various projects introduced by other countries, the shortage of water, and saw some lovely pictures of flowers and birds. We also had a gift exchange, and it was like Christmas again, opening all our presents. An ANY QUESTIONS with a local team is to take place at the February meeting, with the tea hostesses Jean Gibbs, Fiona Burke, and Mary Eastment.

###BERE REGIS SCOUT GROUP

The result of carol singing for Barnado’s at Bere Regis and Winterborne Kingston was a fine total of £101.57. Thank you to the owner of the ‘bottle full of small change’ in Bere Regis whose donation turned out to be nearly £20.

Thank you to Mr and Mrs Tony Simpson and those who supported their Mince Pie and Punsch Evening. Over £56 was collected for Scout Group Funds.

**Old Bobs are just the job!** Have you still got any and wonder what to do with them? The Scout Group are collecting the old type 5p coins for Group Funds. There will be a collecting box in the V.G. Stores by kind permission of Mr Moore for them.

###BERE REGIS FLORAL GROUP

All meetings will be held at the Village Hall in Winterborne Kingston on the second Tuesday of each month at 2.30 pm except the meeting in May, which will be in the D’Urberville Hall in Wool and the Christmas Fair which will be at the Drax Hall. On 12th February our theme is “Be Our Guest”, when Jean Clarke, Ann Pollard and Joan Hertridge will give a cookery and flower demonstration. This will be an open meeting and everyone will be welcome.

###WOMEN’S WORLD DAY OF PRAYER

This year, the service for the Women’s World Day of Prayer will be at St John’s, Tolpuddle on Friday 1st March at 3.00 pm. The service has been written by the women of Kenya and is entitled ‘On the journey together’. The speaker will be Mrs Donna Smith from Weymouth. These services are always very challenging and inspiring, and provide an opportunity for women of all denominations to come together. If you would like transport to Tolpuddle please see Mrs Mary England. Cars may use the car park of The Martyr’s Arms.
2nd BEREGIS GIRL GUIDES
We have now returned after the Christmas break. In the run up to Easter we have our main fund raising event which is:-

A Table Tennis mini marathon to be held at our headquarters on:-
THURSDAY, 14th FEBRUARY from 10.00 am until 3.00 pm
Everyone is welcome to come and have a cup of coffee and cheer the Guides on.
At our very successful Parents evening at the end of November we received a cheque for £65 to go towards camping equipment. This was generously donated by Peter and Joan and all the regulars of the Royal Oak. Our thanks to one and all.
Our carol singing before Christmas, with the Brownies, raised £50 and has been given to Cystic Fibrosis Research. Our thanks to all who contributed so generously.

ROYAL BRITISH LEGION GARDENING CLUB
Tuesday 8th January was the Club's 1st Anniversary. A large number of members braved the elements, to enjoy "A Gardeners View of Scotland" by Ken Fookes; he took us up the west coast of Scotland to John O'Groats and back down the east coast to Gretna Green, and in a lot of the well known places on route, visiting the lochs, highlands and lowlands, and showed the meeting some of the most beautiful and cultivated flowers that grow in certain parts of Scotland, a number of which are due to the Gulf Stream.

The Draw which took place was a great success, from which our Parish Church benefitted, with prizes being donated locally.

Our next Club meeting Tuesday, 5th February we have "Daffodils for Show and Garden" by Ray Haywood, a local man from Milbourne St Andrews. The "Spring Show" schedule will also be available at this meeting which will take place on Saturday 30th March, this will be a first for the Club, so should be interesting.

The Club is now affiliated to The Royal Horticultural Society from which we should get some benefit.

Garden Club Information: 471046.

CAR PARKING
People visiting Bere Regis Church for Services and other events are asked to park clear of all vehicular access to garages on the roads around the Church. Your co-operation will be much appreciated.

ROMANIAN ANGEL APPEAL
A letter of thanks has been received from Olivia Harrison for the £150 sent from Bere Regis: "I am writing to thank you for your very kind donation towards the Romanian Angel Appeal. With donations such as this one, we hope to bring some happiness into the lives of some of the unfortunate orphans in Romania."

KNITTING FOR ROMANIA
Mrs Sally Cheeseman has patterns for jumpers and dungarees which can be sent to Romania through a link in Petersfield. Act soon as they will be sent out in April.

THE CONGREGATIONAL CHAPEL
No one needs to be told, unless they have had no access to the news media or been living on another planet for the last six months, how grave and critical the situation this nation, and world, is in with the Gulf crisis. Whether it is a major world crisis, national crisis, local or a very personal crisis, I believe that it is only in Jesus Christ and the Word of God (the Bible) that we will find a solution and the way out of any crisis situation. God designed and made the universe, so who better can we go to if we truly want to know the best way to live in His world.

Christ would have us follow Him and live for Him daily, knowing Him as Lord and Saviour, no matter what critical situation may cross our lives. I commend my Saviour and Lord to you, and point you to Him who is God Almighty - I know of no other way to peace. Listen to Him and obey Him. (Mark 9:7)

On Saturday 23rd February there will be another Celebration and Renewal meeting at the Chapel at 7.30 pm. The speaker will be Carl Gidney from Yorkshire. Carl has been working with Teen Challenge, the organisation that helps drug addicts. If you have read David Wilkerson's book "The Cross and the Switchblade" you will know of the transformation that Jesus can bring to people with addiction problems. Carl is an excellent speaker and well worth hearing. Do come and share the joy of this evening.

BEREGIS W.I. REPORT
At the December meeting, we held our Christmas Party. Each member brought some food, and we had a wonderful spread, with lots to choose from. Many thanks to Mrs Iris Bush, who provided us with the evenings entertainment, well done Iris we all enjoyed it very much.

The speaker for February is Mrs Stannard with a talk about 'Teaching from Dockland to the West End'. Tea hostesses are Miss Miller, Mrs Nora Lee, Mrs Gill Gale.
Once again pancake day will soon be here, so on February 12th, Pancake Day, we will be holding a race and coffee morning in North Street at 10.30. Please bring your pan-and-cake and have a run, and afterwards come in for coffee, with a bring and buy etc., at Sally Cheeseeman’s, 101 North Street.

Report

During the continuing cold spell, the team faced Stourpaine who lay in a safe position in the league alongside Bere. The first half produced little football from the visitors and during one of their few forays forward they conceded a breakaway goal. The second half, as expected produced more chances, but the work of wood and bad finishing got in the way. Two fatal blows followed and only one consolation left Bere to run out 3-1 losers, Tim Percy claiming the only goal. Bottom of the table Sturminster Marshall were next at home and they rarely gave any indications that they were willing to give up that title. A defensive mix led to Coly Phillips making it 1-0 to Bere, a second was added by that poacher, Rob White. Even the hardy fan stayed away from the remote planet of Weston for the most unenviable trip of all. The home side started pressing for goals down a sharp incline previously grazed on by mountain goats. They took the lead, but Bere started to defend stoutly and after two valid penalty claims, Rich Scott was set free and equalised with ten minutes left. The hosts added two numbers two and three after the break with some amounts of luck. This sparked Bere, but chances were not converted, and it seemed too late when Bob White deflected in a cross. The usual cup-tie with rivals Weymouth TC was met by snow showers threatening the game, first choice keeper Chris Broadhurst fell victim to the elements leaving Steve Bulmer to step in and make an impressive debut. One of Trevor Hankin’s characteristic surging runs which ended with a shot made it 1-0 to Bere as the visitors took the game to the league leaders.

An apparent foul on the luckless Bulmer presented the hosts with a golden which they grabbed to force a replay at the Rec. The replay did not live up to expectations, although Bere creating openings early in the first half and Nigel Campbell-Bell made it 1-0 stealing from the Weymouth full-back and finding an empty net. The second half brought disaster and three goals which undermined the defence. Not a Christmas Present for the flamboyant management. Any seasonal headaches were abandoned against Beaminister when a complete performance by a resurgent side saw Rob White have a remarkable afternoon scoring a hat-trick including a penalty. This completed the side’s first double of the season. Lowly Sturminster Marshall were faced in the second round of the League Cup, and in a dull first half the two sides cancelled each other out on a field created by unseasonal rainfall. Bere had to leave it till the eleventh hour for Colin Phillips to coolly finish off a rare smart move. He was again sent free to ease the away keeper and calmly make it 2-0. The visitors scrambled a consolation which was far to late to change the pattern of the game. Ian McLeod was the architect of the vital second goal by Mike Reeson. Away at Kingston Bere continued their invincible run with two well taken goals from Rob Walker.

Report

A goal rout was expected against the rock bottom, unpredictable Norfolk Royale, and their ineptibilities were soon exploited by scorers Gary Watts, Steve Lowry, Rich Scott and Julian Flower. The final result 5-1 a boost for a tough away fixture the following week at Lychett where Paul Crab was a fine goal to open the scoring, only to score with similar fashion past his own keeper, this launched an assault on goal by the battling home side renowned for their basic tactics. They eventually ran out 4-1 victors. Top of the table Morden travelled to Bere and the local heroes dominated easy proceedings with a goal from Gary Watts and a rare appearance from Kevin Steele made it two. The second saw Bere consolidate and were able to sit on their lead, but this proved ultimately fatal because Morden stuck to their task and took advantage of "Bere’s sleepers" to snatch a surprise victory. The home leg of the League Cup faced the reserves the next week and one or two changes, notably the comeback of seasoned veteran Lyndon-White in goal who would not want to be reminded of the opener helped Bere to a 3-1 half time lead. However it was to be an otherwise faultless display by Lyndon when Bere were rampant. Two long distance strikes from Paul Crab and Steve Cheeseaman started the comeback. A stupendous free-kick from Jacko followed, leaving Rob Walker and himself to complete a hat-trick in the second period setting up a second round tie to be arranged. BDH were next on the agenda and it was not as awaited a
chance to improve our goal difference, the hosts took the game to Bere, but the experienced defence held firm and cross from far on the right carved out a header for Julian Flower to lead home. After the break the home side pressed only to be denied by the instinctive Lyndon White. Rob Walker made it two and a third was plundered by Mike Reeson. A needlessly “pen-happy” referee cautioned two Bere players which helped the hosts, the final and fourth goal killed of any home hopes.

High flying Potters Arms held the stage for a curious meeting at Tatnam Farm. Rick Scott returned to scoring ways with two goals, and the forwards between them missed an agonising ten “one on one” situations. This proving their undoing although a penalty was awarded to the surprise of all 22 players. The home side managed to scrape an undeserving 2-2 draw. An unbeaten league record encountered the side and a biting wind at muddy Winfrith, with the away team rarely entering their opponents’ half the home side amazingly made little chances. At 0-0 and behind the wind Bere began to threaten and Julian Flower headed in number one.

**Report**

Near-Arctic conditions confronted the victory-seeking Sunday warriors on the open plains of Whitecliff against a strong Pottery Hotel. They played some of their best football this year and forced numerous openings which were squandered leaving a goalless first half. The second half saw the same pattern, constantly restricting the home side to the occasional attack which was easily soaked up by the defensive ranks. It was a foul on energetic substitute Jason Muscato which prompted a blistering 30 yard drive from Rob Hall which was just too good for the home keeper. Earlier Gary Paine had cleared a goal bound header off the line acrobatically. The home side equalised very late from a corner which should have been easily dealt with. Swanage Conservatives met Bere at the Rec and during the first half brought a brand of football which was incisive and produced two goals. Bere were sleeping and did not awaken until the second half and they made it 2-2 only to commit fatal defensive errors to end up 2-4 down, a game which should have been grasped and two points assured.

On the muddy wastes of Branksome Rec, the side faced the Mortgage Corner Shop. The home team took the initiative and gained a 2 goal lead, largely thanks to a defence who were having a "Nightmare on Branksome Rec III". However thanks to Rich Vincent and Gary Paine it was 3-2 at the interval. Rich Vincent then added a second to level the scores, only for further suicidal errors to let in two more goals for the shop proprietors at the finish. After a welcome break, the Sunday Heroes faced Oakdale Communists at home, a feared side with no defeats to date. Bere re-wrote the form book and naturally dominated the whole of the first half and Gary Watts shared opportunism to make it 1-0. A fluke saw the visitors equalise before the break. A buck pass of cataclysmic proportions enable the Reds to take the lead, however Tim Percy shared some resolve to spring the cheating offside trap to level, and a further piece of magic from Gary Watts made it 3-2. The same player pondered in the home area late on, giftng the ball to an opponent to level the scores. A day when two points sailed away.

A 4-1 defeat earlier in the season left the side sceptical against King’s Arms of Langton, the pitch was frozen hard and about the size of a chess freezer, no encouragement for ground level football. A fortuitous back flip past the helpless Nellie Brockway saw Bere crash early on. Tim Percy pulled it back to level terms with a speculative cross. The local referee awarded a goal to the hosts which was offside in the Southern Hemisphere, much to the disgust of the visitors. The second period brought about a change in Bere who equalised through Gary Watts after good work from the industrious Nick Macklin, and he again was the finisher of a fine move from an opposing corner at Bere’s end for Steve Ives to open his account on the season. Bere then at 3-2 never looked under any stress, and a fierce shot from Frank Worthington was half saved and fittingly it was Nick Macklin who was on hand to confidently slot home to make it supposedly out of reach. Gary “in form” Watts added a fifth and they were singing in the valleys. However the referee had the temerity to award two absolutely hideous penalties, one which was fortunately missed, but the second scored. A scrambled goal was made to reach 5-4, and Bere’s defending was nothing short of trench warfare during the last ten minutes. They held on to gain a deserved second victory of the season.

The club would like to remind all members that its Annual Dinner Dance will be held at the Rembrandt Hotel, Weymouth on 26 April. Tickets to be obtained from Mr L Hall, Egdon Close. Also the club championships to be held before the above date, any members wishing to participate should register at the club before 17 February.

**CHRISTMAS FAIR**

The Briantspuddle Hall Committee organised a very successful Christmas Fair on 2nd December. Fourteen organisations or individuals took stalls and over £500 was raised for local and national charities. Among those organisations and charities helped were the Cancer Research Campaign, Mission to Seamen and The Blue Peter Appeal for Romania. Affpuddle PCC, The Briantspuddle Singers, The Briantspuddle Playgroup, The Bere Regis Swimming Club and The Briantspuddle Hall Committee also ran successful stalls and raised funds for their respective organisations. The Hall Committee made a net profit of £180.09, which will be added to the re-thatching roof.
MISSION TO SEAMEN
Many thanks to all who helped with and supported the Mission to Seamen Bazaar; £210.00 was raised for this very worthy cause. This year we raised a total of £500, well done everyone. The president of the Mission to Seamen has agreed that some of this year's funds will go towards our seamen and their families involved in the Gulf conflict.

BRIANTSPUDDLE W.I.
After last month's very interesting talk about BP's oil explorations in Dorset by Barry Halton, this month's guest speaker is Mrs Sarah Welton who will talk to us about The Living Sea, Wednesday 8pm, 6th February.

NEW YEAR'S PARTY
I would like to thank everyone who helped to make our New Year's Party in the Village Hall such a successful and happy occasion, not least all of you who attended. Special thanks to Phil Nicholson for providing the musical entertainment, to Campbell de Burgh for blowing in the New Year on his bagpipes and to Phil Ventham for keeping us out of mischief with party games. As we had no clear way of knowing how many people would attend it was difficult to assess an accurate entry fee and so as a result, after all expenses were paid for, £19.50 was left over and this has been donated to the Village Hall Committee, hopefully with your approval. The Hall has been booked for this year's New Year's Party!

CHRISTMAS FLOWERS
Very many thanks to all those people who contributed towards the purchase of flowers for Christmas decorations; £20 was collected. As usual we bought white and yellow sprays of chrysanthemums from Piddle River, Bere Regis and as always the flowers lasted well into January.

NEW FLOWER ARRANGING & CLEANING ROTA
From the beginning of April the new cleaning and flower arranging rotas will start. If you can help with these very necessary tasks, please let Philippa Thomley know. Cleaning entails sweeping and dusting the church and flower arrangers make sure that a fresh cheerful display of flowers are in the church. For the major festivals there is a rota of arrangers and 4 times a year a special clean is done - help is always needed for this task.

SUBURBAN HARVEST

IN AN urban society the closest most of us get to being involved with harvests is when we work in our gardens or visit a park. This year my garden has produced a pretty poor harvest. My dahlias have produced a couple of sickly blooms and my raspberry canes have yielded less than two pounds of raspberries. As I gazed over my lawn during the summer I only saw a scorched, brown mess that purported to be grass. The only green areas of lawn were the lush, verdant weeds.

But the weather hasn’t been my only problem: I’m an inexperienced gardener, and when I moved into my house the garden had already become a wilderness. This poses the question: how do I make something of my garden and how do I maintain it in adverse weather conditions?

I could pay someone to do the gardening for me – but I don’t have the money. No, I will simply have to dig up the garden and do it myself. But what do I plant – and where?

THE ANSWER

The solution is to ask advice from my friends who already have well-developed gardens – and if I’m lucky they’ll help me with the work. Yes, it is from my friends’ advice and assistance that I will learn to be a competent gardener.

The point I’m trying to make is that our lives are like gardens, and that, like me, many of us do not have green fingers. God has given us consciences to enable us to recognise the failings in our lives in the same way that our eyes show us the effects of drought, pests, and weeds in our gardens.

If we do not act on the promptings of our consciences our lives can degenerate into wildernesses. Also we must not be too proud to ask assistance of each other – even the weakest can give support to the strongest.

Our aim should be to live Christ-like lives that are filled with love and concern for others, with love of God and justice. Such lives yield a rich harvest. The Church through all its members supports us in that joyous task and gives us the teaching we need. So what sort of harvest do we expect from the gardens of our lives?

DAVID BRADSHAW
THE VISITOR

NOT today, Lord, not today! I am harassed enough with my own children without losing sleep tonight analysing my neighbour's child.

You know what he is like? He needs constant supervision, he bullies my son, he dismantles my lounge and he cannot even speak clearly. He is six years old and not half as mature as my four year old, (yet my son seems to like him).

Lord, I don't want to invite him in. He is not my responsibility! Yet, no matter how plain my explanation, no matter how gentle my manner, his little face crumples in disappointment when I turn him away. (I expect he gets turned away at many doors.)

Even as I offer my 'panic-prayer' to you, dear Lord, you are reminding me of your reply to the disciples when they had a similar attack of 'not today, Lord!' Dare I turn this child away when you would take him and bless him? Maybe I could suggest a time limit for his visit?

Give me grace Lord to ask him in. Bless this small visitor who plays havoc with my organisation. And Lord, please especially bless the parents who have the ultimate responsibility for him. I pray that they will turn to you in their needs.

Bless his visit! Amen.
