"And he said:
Your children are not your children.
They are the sons and daughters of
Life's longing for itself.
They came through you but not
from you, And though they are with
you yet they belong not to you.

You may give them your love
but not your thoughts,
For they have their own thoughts.
You may house their bodies but not
their souls, For their souls dwell
in the house of tomorrow,
which you cannot visit, not even in your dreams."

Kahlil Gibran: "The Prophet"

Never underestimate children! Jesus didn't: he knew their
value as well as their potential; he accepted children as
they were - and assured them of the love that God had for
them.

Do we take children seriously? Our care and influence is
one of the gifts that we can give them - not stifling their
own uniqueness, but building them up, equipping them to live
as full and as creative a life as possible. What happens
at home as well as at school and in Church is part of our
influence on them. Think back to your own childhood - what
do you remember of those who had influence over you?

- PRAY REGULARLY for the children of our parishes, for your
own children, for your god-children; for children who do
not know what human love means;

- GIVE TIME to children - open yourself to them, let them
be involved in all aspects of community life;

- SUPPORT those with special responsibilities to children:
teachers, parents, governors, Sunday school teachers...

- GET INVOLVED with the children you know - show them that
you care. Adults are not harmful as so often portrayed in
the media: children are part of our community - now!

ETHEL KATE BURGESS was born in Bere Regis on 10 June 1892, the eldest of four children. She helped her father in his Blacksmith's business and in both World Wars worked locally on the land and in market gardening. Ethel was a founder member of the W.I. and a member of the Women's Royal British Legion from 1927. In January 1953 she was presented with a clock to mark 33 years as Secretary and 10 years as Treasurer of Bere Regis P.C.C. A Sunday School teacher, she also sang in the choir from 1900 - 1957. In 1957 she married an old family friend, Francis Burgess and went to live in Wareham. They had a very happy life together until his death in 1966 and the love and affection of his son, daughter-in-law and four grandchildren was a great joy to her.

In 1971 Ethel returned to Bere Regis to live with her sister, and after her death she moved into Turnerville Court where she remained until October 1989 when she found it necessary to move to James Day Home in Swanage: she was very happy there and died there peacefully.

Mrs Burgess was a gentle soul with a typical countrywoman's love of nature, and she was dearly loved by her family. The centre of her life was her faith and her love for Bere Regis Church: she will be missed and long remembered with great affection.

"Sunday again,
Lonely Sunday.
Read the papers,
See what they say
About the copers
Of the rich and famous,
Of waifs in need,
And the deeds
Of villains and rogues,
Well that's how Sunday goes.
Watch T.V.
Films and soaps.
Learn the ropes
Of D.I.Y.
Make a garden
In three square feet.
I beg your pardon!
"Isn't it neat,
Only cost a fiver.
Nothing could be nicer."
Hear the Religion.
Will I be forgiven?
Sitting alone,
Wishing the phone
Would ping then ring.
Yes I'm alive
Help me survive
Another Sunday
Lonely Sunday."

The next meeting will be in the Drax Hall, and will be on the 11th September, and will be our Birthday Luncheon, and will start at 1pm 22nd Birthday Luncheon. It will be 95p inclusive of Lunch, Tea, and entertainment. Names to Kath 471175 or Nan 471472, or any BELL RINGERS committee member no later than Monday 9th September.

BERE REGIS BRANCH ROYAL BRITISH LEGION

OUR 19th Annual Flower Show was held on 10th August and contrary to predictions of low support following the variable growing conditions earlier in the year, we were well pleased with the fine display presented on the day. It turned out that entries were up on the previous year, not by many, but this trend augers well for future years. This is one event that members look forward to each year and one that has readily been loyally supported. For many years we have been ably led by Mr Alan Cousins as Show Secretary. It is fair to say that his enthusiasm very often spurred us into actions but during the spring he indicated he wished to relinquish his position. We are indebted to Alan, together with his wife Jan, for their tireless work, which has been greatly appreciated.

Now Mrs Reed of Briantspuddle has taken over the mantle of Show Secretary and she must feel satisfied with this first result.

The judes complimented the exhibitors on the standard of the display and on the attention to detail and general presentation. The following awards were made:-

BERE DOWN MILLS CUP. Most points in Show S Burridge
BOYD MEN'S CUP Men's best exhibit D E Kimber
IVOR TROTT TROPHY Most points in Section 1. Mrs A Vowles
BOYD WOMEN'S CUP Best Ladies exhibit
RON BARNES MEM. CUP Best exhibit in show
Maj. A V KIRCHER SMITH CHALLENGE CUP. Best in Floral Section
NORMAN REED TROPHY P J Barnes
MRS DEACON TROPHY Ladies handcraft Mrs M Kenny
ARTHUR BROOK TROPHY Best classes 38-43 Mrs A French
RBL BEMISTER JUNIOR Children's Floral Amelia Jacobs
MILEHAM CHALLENGE CUP Children's handcrafts Tessa Hole

THE IMPORTANT OCCASION this month is the usual Harvest Festival Programme on Sunday 8th September. The Rev Jonathan Burke will lead a short service in the Clubroom at 7.15pm following which the sale of produce presented will be auctioned by Mr E J Steele, the proceeds of which will go to the Benevolent Fund account.

SUBSCRIPTIONS WILL BECOME DUE on 1st October and this year an increase of 50p has been called for by RBL Headquarters, for central funds. The variations for subscriptions due will appear in notices in the Clubroom but generally it is a 50p increase on last year's fees.

R.B.L. GARDENING CLUB

Tuesday 30th July, the evening "Mystery Tour" visited "Broadlands" at Hazelbury Bryan, the home of Mr & Mrs M J Smith, a 2 acre garden in a country setting, with extensive views, begun in 1975, made and maintained by the owners, Island beds, herbaceous borders, ornamental woodland underplanted with hellebores, rockery, heathers and conifers, ponds including one for conservation, magnolias, rhododrons and hydrangeas and a wide range of plants for sale. Everyone of our party was amazed
that such a garden existed behind the “five bar” gate we went through. Then on to “The White Hart” at Bishops Caundle, were Lisa and Adam, late of the “Worlds End”, made us welcome and was pleased to see so many old friends, an excellent meal, enjoyed by all.

Tuesday 6th Aug our speaker for the evening had to let us down, due to ill health, and with only 24hrs to go, we were fortunate to get Mr C F Hovard, Secretary of Blandford “R.H.S.”, who gave a very professional illustrated talk on “Wild Flowers of Dorset” at Fontmell Down Nature Reserve and “Just Onions”, the accompanying musical background with both these films was excellent, an ex. schoolmaster from Oxford, with a terrific sense of humour made up for the change in our normal programme. I am certain we will be seeing this gentleman again, some time in the future.

2nd BERE REGIS GUIDES have recently enjoyed camping at Cerne Abbas, Monday and Tuesday were busy days setting up camp with the weather not being too good. On Wednesday a few friends visited us for lunch followed by some Brownies who stayed for tea and dinner and a few songs around the camp fire. Many thanks to Fiona Dodd and her husband Bob for providing transport. Thursday saw us going much longer than planned for walk, this was mainly due to an acute lack of footpath signs, so we ended up going from Cerne to Sydling St. Nicholas via Godmanston! It was, however, a lovely day and most of us enjoyed the walk. Friday was another very hot day and was spent very happily around Cerne and the camp site. We had a dry sunny Saturday and packed up very dry tents. Many thanks to the girls who made it such a pleasant camp and a special THANK YOU to Vonny Cope who worked so hard and enjoyed herself so much she has been booked for all next years camps.

1st BERE REGIS BROWNIES are hoping for good weather next week (17th-21st August) as we are off on Pack Holiday with Tolpuddle Brownies in Weymouth. Here’s hoping you all enjoy the rest of the summer holiday and see you in September.

Report
Table-toppers Moordown encountered Bere on a hot day and were duly put into bat by point hunting captain Peter Cheeseman. Bere were off to a dream start in the first over and from then on kept pressing for wickets. And Moordown rarely lived up to their prestigious tag as Bere skittled them for 70, Curly Green took a devastating 6-27 and Lyndon "No Bynes" White held three catches behind the stumps. It was a "comedy of Errors" to follow during Bere's response when the scorebook looked not dissimilar to a complete disaster. They were bowled out for a record 30. A change of fortune was necessary if Bere were to salvage anything this season, and early on against Spetsbury there were signs as the away side struggled and wickets fell, ensuring maximum points. Spetsbury clowed their way gradually back at 57 for 4, but a succession of well deserved wickets reduced them to 98, Martin "Seam Up" Mullins took 4-34 during a spell of stealth and deception. In reply Bere lost the early wicket of Doug "5-86" Curis which left the stage for Reg "Calypso King" Fripp and Pete "Durdle" Wharf. With the rest of the team padded up it proved a good omen as the two out in the middle added a club record unbroken stand of 91 to claim victory. They survived severe sledging and countless "lbw" appeals, but it was the Carribbean who triumphed. Fierce rivals Shroton visited therevered turf bringing with them, their one allowed overseas player Harvey "Where's my hat, Joe Mangel, Old Croc" Nunn. A former Bere favourite whose bat hangs in the clubhouse's Hall of Fame. It wasn't going to be a "Walzing" day for Shroton, despite hitting a formidable 140 on the dead track. Bere's bowlers chipped in sharing the wickets, but their pedestrian fielding saw thirty runs go on the board. Some late hitting helped the Northerners of Dorset to their destiny and for some the fielding was too much. The custumary rapid start ensued, Bere lost the mighty Durdle, and lost 4 wickets for 47. They started the acceleration at over number 29, where it was in the air, the home side scented victory for the second week in succession. Steve Cooper, a renowned run machine batting at an unusual number 7 hit two immense sixes to the delight of the crowd and with able support from Andy "The Kerb" Cheeseman. With two balls left "The Kerb" hit the winning four and was swamped by invading fans as he stooped to grab a stump. There was airhorns sounding everywhere as Bere embarked on a victory rave. They were doing a 'conga' right down North Street to Sunset Strip.

Away at Yetee country there was a forecast of indifferent weather as Bere readied their passport. The home side batted and were on 126 with 19 overs left. It was then, the rains came reducing the match severely. Reg Fripp saw his way to a 27 which brought the game within reach, but five wickets fell and defeat seemed imminent and the monsoons returned. There then followed one of the most controversial decisions in International Cricket when Herbie Swann called it a day out in the middle, perhaps a worthy choice.

Report
In the absence of legend, Captain Sensible, Bere faced Wayfarers three times. Stand in skipper Steve Cheeseman was put into bat and it was pure magic as the Calypso King fulfilled his promise of runs. He built an innings of 54 which proved to be the backbone of the total. There was amiable support from the Kerb and the Spin King as Bere's youth fought their way to a useful 118 on Plantain Park's feared wicket. Gaz Pitfield managed another golden duck. With a decent total to bowl at, Bere opened with Chris Oran who duly reeled off his 12 overs of accurate, medium pace. He had a dream start with two early wickets and capped a fine performance with a superb catch. There was more to follow. A tense finish was in store with the Gas Stove giltting the visitors a dream over. But Graham Smith delivered the goods with a certain LBW to turn the game. The rest was academic as the Kerb and Curly Green mopped up the tail on a 250 wicket. It was deja-vous the following match away to Wayfarers, unfortunately the score could not hope to be repeated and Bere were crushed to 45 all out, the home side came home with two wickets down along with fortituous cross-hitting frustrating the bowlers. Once
again young Chris Oran came out of the game with some distinction. Kuson Manor was the next venue against strong opponents Suttoners who proved themselves to be the find of the season. They batted first in tropical conditions and on a lightning pitch it seemed as though an insurmountable total was to be faced. But Bere stuck to their task and in the middle of their innings they were severely restricted by the Spin King. A final flurry saw Curly take 4-48 and premier strike bowler Martin Lenon took a soul-destroying 3-49. The Bere innings was a complete disaster with frontline batsmen failing, the Gas Stove holed out to his favourite shot and Dean “Great White” Rogerson couldn’t read the bowling. It was left to Steve Cheeseman (25) and Curly Green to save face with a record seventh wicket stand of 47. It was a day when perhaps some application and an element of luck and Bere might have come close. Table leaders Poole ‘A’ confronted the BRACA with a confident air about them, they were put in and most expected a large score to be compiled. They were pegged right from the start as the Nasty Boys took no prisoners, there were catches, wickets and some athletic fielding as Poole ‘not so A’ were bowled out 114. In reply Bere got off to a sprint, the Gas Stove clubbed an almighty six to carry the score to 18, a wicket then fell, then the scorers fell into a deep sleep not unlike Rip Van Winkle. They were not awakened until the 26th over when runs flowed, then Gary Lewis was out. Bob Thomas and Steve Cheeseman added a rapid 25 to raise a few eyebrows, but their efforts and others crumbled leaving the side short of what would have been a memorable win.

FRIENDLY MATCHES

2 Aug
FORDCOMB 105 for 6 (20 ovs)
BERE REGIS 94 for 8
(D Rogerson 30 no)

9 Aug
IBBERTON 158 for 2
BERE REGIS 110 All out
(D Merritt 23, R Thomas 47)

Jovial side from Kent, Fordcomb paid their annual visit to the BRACA and the customary 20 over match was keenly contested as Bere, with a scratch side kept their big hitters quiet but still had to chase somewhere around six an over. There was the usual collapse, but it was down to Dean Rogerson batting at his best and caviller stroke playing from Gary “The Swing” Lewis. They took Bere to within a Rizza of winning. In a local tradition dating back beyond Civil War days, Ibberton played Bere in the return friendly, and they proved that they are fast becoming a force in Dorset cricket (or Bere are losing it). Bere were up against it as they faced 158. Early wickets tumbled, and the Gas Stove (23) joined new sensation Bob Thomas, they plundered 62 for their stand, but overs and wickets were fading towards the end and their attempt failed at 110. Stalwart batting legend Dick White made a shock comeback which ensured that the turnstiles spun all afternoon.

NEWS FROM EMMA HAIGH IN BUENOS AIRES, ARGENTINA

Emma wishes to thank the people in both our parishes who have contributed towards the project and are supporting her in prayer. She is with a team of eleven young people for seven weeks helping to build a church extension (pentecostal) and run a children’s feeding centre in a poor area of Buenos Aires; it is arranged by an organisation called “Latin Link” in conjunction with the South American Missionary Society.

She writes, after one week -

“So far we have shifted sand and stones, and mixed and laid the concrete foundations….. Each day we work alongside nationals, and get on very well - Spanish speaking or not! … We have been going flat out all the time. If not working, we’ve been grabbing a quick bite to eat and going to church …. It’s all very lively, and they are rather concerned about our wellbeing - though this is wearing off - we are gradually learning to cope with one and a half hours of Spanish ‘hysterical’ ‘Gloria a Dios!’ as they say. There was a tremendous welcome and they are a very loving people … After church on Sunday, we went to the mother church to feed the hungry children … Having fed them with a hot meal of rice, meat and mandarine, we helped to walk them back to their homes… Buenos Aires is a vast mixture of lifestyles and backgrounds….. Water round here is gross. We are on filtered water for everything … I hope the summer in England is as good as the winter here (16-20 degrees C)”
