SCRIPTURES AND SERMONS

Some of you will have noticed that during this month I have taken the liberty of changing
the Gospel reading at Holy Communion at most of the services.

The reason I have done it is quite simple - in fact there are two. The Epistles and
Gospels set in the Prayer Book which we use at 8am show all the signs of having been
chosen with the use of a pin! What possible reason, for instance, can there be in reading
the story of the feeding of the 5000 (or was it 4000?) three times in one year at the same
service? It is plain stupid when there are so many other parts of the gospels that are
omitted altogether.

The second reason is that the lectionary we use at the main communion service each
Sunday assumes you will be present every week. But you only have a service once a
fortnight! (unless of course you are daring enough to cross the parish boundaries)

So therefore during these three months I am trying to do a series of sermons on the
Gospel of Mark. I have done this for three reasons:-

1) St. Mark is the shortest, earliest and simplest Gospel. It has all the marks (forgive the
pun) of being written by someone who was actually there at the time. Tradition tells
us it was St Peter who is the source of the material, and the author may be the little
boy who ran away naked at the arrest of Jesus.

2) It is vital that at Christmas we get to know more about Jesus. We hear so much these
days about the church, the ordination of women, and the stupidity of the synods, and
forget what the church is here for.

3) I suggested last month that my real concern was that the church should take the
Decade of Evangelism seriously. Evangelism really means to tell the good news of
Jesus. So the more we know him the better. And please note I did say the more we
know him, not just the more we know about him.

I know a lot about the queen - and thanks to the dreadful English press, quite a bit about
certain members of her family. But I do not know any of them personally. Christians
claim to know Jesus not just as a figure of history - but as a Saviour and Friend.

THE PARISH HOME GROUP, Autumn Term
Have you attended a Home Group meeting lately - or ever? Why not give it a try this autumn? Whether you are an enquirer or a regular, and of any Christian denomination or none, a warm welcome awaits you at any of these meetings, all of which take place in one of the homes in the parishes, weekly on a Monday evening, starting with refreshments at 7.45pm and finishing around 9.30pm.

The term’s programme is mainly built around a study series called “I believe”. In between sessions on that we’ll be meeting to hear about and discuss other topics of general interest related to our Christian faith, and to practise and learn about prayer.

The rest of the autumn’s programme, including a correction to the cards already issued, is shown below. For more details ask one of the session leaders listed. The weekly church notices will show any later changes. The meeting places named, all in Briantspuddle or Throop this term, are:

AFRICA IN CRISIS APPEAL - September 1992
Special collections were made for the Africa in Crisis Appeal in both churches, and approximately £175 has been sent to aid the work of the Disasters Emergency Committee in Africa. Thank you to everyone who gave so generously.

“MIND THE WORLD”
At the beginning of October we celebrate our Harvest Thanksgiving. Towards the end of the month we observe ‘One World Week’, a time when we can reflect on ways of sharing the earth’s resources more fairly.

One of the ways in which we have been doing this over the past few years has been by supporting Traidcraft. A small selection of Traidcraft goods is available in church on the first Sunday of each month after Parish Communion. During November we aim
APPRECIATIONS
I would like to thank everyone for their kind and generous sponsorship to the Imperial Cancer Research Fund for my channel swim. Donations are still coming in, but already the I.C.R.F. will benefit by several thousands of pounds making the effort and training over the past summer all the more worthwhile.

MANY THANKS
Many thanks to Family & Friends who sent cards, flowers & Best Wishes to GRAN BENNETT on the occasion of her 90th birthday.

GUIDE DOGS FOR THE BLIND
Kathleen & Charlie would like to give a big THANK YOU to everyone who supported their open garden - In spite of the terrible weather we have taken £700 to the Guide Dogs and donations are still coming in.

Also to thank all our friends who helped on the stalls, refreshments etc.

Two Guide Dogs were in attendance both golden Labradors, with their owners.

Again our grateful thanks.

Gladys Steele would like to thank everyone for their visits and prayers during her recent stays in hospital. She is very grateful to you all.

Joan & Geoffrey Booth, and Liz & Piers Glen, have been overwhelmed by the loving support and prayers that we have received after the very premature arrival of Lawrence. We are pleased to say that Liz is improving rapidly, and that, at the time of going to press, Lawrence is doing well. Thank you, and God bless you all.

SOMALIA
As I write, £2 ½ million has been donated by British people to help the starving in Somalia and elsewhere in Africa. All these people care. Yet why do we have to wait until we can see pictures of people with ribs sticking out, before the United Nations and individual Governments step up the food aid they are giving? It seems that only then do they begin to aim at the minimum input needed by these desperately hungry people. For some of them the help is too late.

Is there anything we can do to influence what happens? - Perhaps Governments and United Nations Committees are made up of people who care too. We could write and say that we want more to be done. We could learn more about the situations in these countries, so that we know what we are talking about when we write.

If you are interested in our efforts to learn and do more, you might like to come to some of the following:

BERE REGIS NEWS
An evening of thanksgiving and remembrance for our former organist, Mr Stanley Athill, will take place on Sunday, October 18th. There will be a shortened evensong which will include some of Stan's favourite music, immediately followed by a short recital of Stan's own compositions and favourite anthems. The music will be interspersed with some of Stan's poems and other writings. The church choir will be augmented with other singers who have enjoyed singing with Stan. Do join us for this special occasion.
Our next Regis Praise service will take place on Sunday Oct 25th at 6.00pm when the guest preacher will be the Revd. Ken Scott from Frampton. Do join us as we celebrate with praise hymns and worship songs old and new.

Autumn Praise takes place at St. Mary’s Church, Dorchester on Saturday, October 17th at 7.15pm for 7:30pm. The guest speaker will be the Revd. Colin Day. All welcome.

PARISH COUNCIL

At the September meeting we heard that Purbeck Council are planning to place a “bottle-bank”, to collect glass for re-cycling, in the Turberville Road car-park. PDC will have a careful site inspection to decide on the precise location so that the noise of breaking glass will not disturb local residents. If this trial scheme proves successful then “banks” may be added to collect other materials for re-cycling.

The Council is concerned about the sudden outbreak of skateboarding in the Village. Although there is no objection to skateboarding in principal, it has been noticed that some of the sites chosen are potentially extremely dangerous for either the ‘boarders, pedestrians, or others. An accident could be a tragedy, and we urge parents to give their children guidance as to the safest place to practice this fun activity.

A few months ago I mentioned that there was a possibility of a Post Bus link to Wareham. This is a service, operated by the Royal Mail, that uses a mini-bus to carry passengers as well as its main function of emptying post-boxes on its route. Now it seems as if a scheme is about to start, and only a few minor details remain to be finalised. The provisional idea is that the bus will leave Bere Regis at about 10.30am each day, Monday to Friday, and travel via Rye Hill, Chamberlayne’s, Lane End, Chapel Cross, Hyde and Worreg to Wareham. It can be “flagged down” by passengers anywhere on route. It will return, on the same route, leaving Wareham at about 1pm. (The times/fare have still to be decided). If you have any comments on this potential service, or would find it useful, please phone Sue Stone (471933) without delay. When it starts it should be the first Post Bus in Dorset……….. yet again, Bere Regis shows the way!

BERE REGIS W.I.

Members learned, with deep regret, of the death of one of their most valued members, Peggy Carter. Peggy refused all that was an enthusiastic and dedicated member.

She was our President for several years and went about her responsibilities in a quiet, unobtrusive way, encouraging less confident members to take office and participate in everything the W.I. had to offer. In particular, she loved the bi-annual Arts and Crafts Group Shows and “press-ganged” some 200 plus members into participating in one of our most successful shows two years ago; and, although far from well, she again encouraged all our newer members to take part in this year’s show. No-one let her down.

She was herself very talented in all aspects of handicrafts and exhibited her own beautiful work on occasions.

She will be missed by us all, not least the family who meant so much to her.

We wish to express our deepest sympathy to Bob and Peggy’s family in their sad loss.

VISITORS TO Bere REGIS CHURCH

We are delighted that so many people visit and enjoy our church. During the first eight days of September, forty-six visitors have signed our visitors book. They have made some interesting comments of which the following are three examples:-

“Thanks for your church, open for prayer when needed. Great – this is my fifth time of coming and thanks to you all for opening it to me.” From a visitor who lives in Australia, in Sydney “Fourth visit - worth every mile travelled” “Delighted that you all trust us by refraining from locking the doors and keeping us out. Superlative. Thank you.”

It is heartening to know that such a lot of people enjoy our church. Many thanks to them for coming. Also very many thanks to cleaners and grass mowers to dusters and flower arrangers, to those who plan the information boards and who cut the hedges. The interest and good order that they achieve, is much appreciated.

BERE REGIS SCOUT GROUP

Our Regular Autumn Jumble Sale is on Saturday 3rd October at 2.30pm in the Scout Headquarters. As well as the mountain of clothes there will be books, bric a brac, cakes, a raffle and refreshments. Entry Free!

SCOUT SAILING EXPEDITION

In the third week of August, a party of 13 Scouts and 4 Leaders took part in a week’s sailing expedition across the Channel In a 70 ton Baltic Trader sailing vessel built in 1937. The Scouts were organised into 2 watches and took a full part in the running and the sailing of the boat; helming, taking turn at lookout; hoisting and lowering the sails as well as cooking meals, scrubbing decks, polishing the brasswork and the other tasks associated with sailing “before the mast”.

Our first day involved a 20 hour passage from Weymouth to Paimpol in Brittany, arriving at 2am the following day. The 156 nautical miles were covered in fairly rough conditions that had most of the crew hanging over the lee rail! The next day was spent in Paimpol, looking round the town or fishing in the harbour. In the evening the entire crew went ashore for a meal in a French restaurant where the food on offer was greeted with varying degrees of enthusiasm!

The next day was spent on a shorter passage to Guemsey with lifebelt and man overboard drills practiced on the way. An evening was spent in St Peter Port where this time the fishing was a bit more successful. Wednesday was spent motor sailing through the Alderney race to Bray Harbour in Alderney. The afternoon and evening in Alderney
introduced the Scouts to rowing the cutter, a visit was made to Alderney lifeboat and yet more fish were caught - and escaped!

An early start the following morning took us back across the Channel in thick fog to arrive in Lulworth Cove in the evening. The following day, having cleaned up the boat and crew, we sailed into Weymouth Harbour on a glorious morning to be greeted by family and friends. Altogether, it was an exciting and interesting experience and a unique opportunity to sail a wonderful veteran sailing boat.

2nd BERE REGIS GUIDES

are looking forward to a term of art and craftwork with cooking, knitting, flower arranging and hostess badges being worked for. During this coming half term holiday a night hike is being planned, also a day hike with outdoor cooking, all going towards Patrol Pennants. These are badges that are worked for as a patrol (i.e. 4-6 girls) and not as single guides.

Our Entertainments Evening will be held on Tuesday, 25th November and tickets will be available after half term (Nov 3rd onwards). The entertainment will be followed by mince pies and sherry and a raffle. ALL ARE WELCOME to watch this pre-Christmas Extravaganza!

Emma Bentley and Nicola Ormond are now too old to be guides and are moving onto the Young Leaders Section. Our best wishes go to them in this challenging aspect of Guiding which can also include joining the Duke of Edinburgh Award Scheme.

Any girls aged between 10 and 14 who are interested in joining Guides would be welcome. Come to any meeting to see what we do. We meet every Tuesday at the Scout H.Q. Elder Road between 6.30 and 8.15pm

BERE REGIS BRANCH ROYAL BRITISH LEGION

Our September highlight was a Harvest Festival celebration in the Clubroom and a very successful event it turned out to be. The support from members in providing a fine display of produce and some sundry items really made the opportunity for Ted Steele to show his prowess as an auctioneer. The evening had started with a short service conducted by the Rev J Hamilton Brown which set the right tone for the evening's activity.

The gathering of members and friends responded wonderfully in the subsequent auction, which, together with the August Flower Show has improved the Branch finances by almost £180. The Treasurer is almost smiling - his Balance Sheet at the end of the month has been greatly improved! Which leads on to the fact that subscriptions for the year are due from 1st October. Details of the increased subscriptions have already been displayed on the Notice board - much of the cause is related to the increase stipulated nationally by RBL Headquarters.

Armistice Day Service and Parade will be held this year in Bere Regis, details of which are at the moment being finalised. As previously, the parade will precede the Church service and laying of wreaths at the Village Memorial. Final details and time-table will be announced in the November issue of the Parish Magazine.

Does anyone have a recipe for Marrow and Ginger jam? Bring it along to the next Gardening Club Nite (Oct 6) and you might get a bunch of cress. Joking apart, may the Gardening Club offer congratulations to the RBL Branch on an excellent evenings entertainment at their Harvest Festival meeting.

Our thanks also to Dennis Maidment for his able assistance at Club Nite Gardeners Question time. We do appreciate your effort Den.

Your Committee have now completed the Guest Speakers program for 1993. I will put the list on the notice board on Oct 6 and hope it meets with your approval.

Pruning Shrubs, Roses and Fruit trees is the subject for the evening and Mr B Sprackland the Guest Speaker.

KINGSBERE QUILTERS

A Grand Christmas Gift Sale and Draw for the Bere Regis Patchwork Quilt will take place at a Coffee Evening on Wed 25th November, opening at 6.30pm at Cyril Wood Court. Everyone Welcome.

BERE REGIS FLORAL GROUP

The September meeting brought us a breath of fresh air with Area Demonstrator Mrs Germaine Smith. 'Nature Inspired' was the title of her programme for the afternoon.

As well as producing beautiful arrangements around drift wood and other interesting pieces collected from around the countryside she inspired all to be aware of the beauties of nature surrounding us. Mrs Smith’s amusing presentation provided a most entertaining programme for all.

Recent successes by two of our members cannot go without mention. Catherine Watson won 1st and 2nd in two separate classes at the Springfields Show at Spalding, Lincs and Di Holman won ‘Best of Show’ at the Dorchester Show, Congratulations to both.

Next Meeting: 13th October 1992 at 2.30pm at Winterborne Kingston Village Hall. Demonstration: Mrs A Silver 'CRINKUM CRANKUM' Also Plant Stall. 28/29/30 October 1992 Area Show at Poole Grammar School. Further details from Mrs A Pollard Tel: 0929 471445

BERE REGIS MOTHER'S UNION

Rev Norman Beggs was our speaker in September, and we all found his talk on 'Child Abuse' very interesting. We enjoyed meeting in the bright, airy room at Cyril Wood Court.

The speaker in October will be Canon Tim Bills about his Mission to Sudan. The tea hostesses will be Sally Cheeseman, Rene Phillips, and Pat Gibson.
AUTUMN LEAVES OVER 50's
Our September meeting was our Birthday Luncheon, and what a delicious meal we all enjoyed. The speaker for the afternoon told us all about growing Dahlias, and brought quite a number along for us to see, which afterwards were put in the raffle. The afternoon ended with a slice of birthday cake and a cup of tea.

The next meeting we are to have a Quiz, followed by a Harvest Tea, with a competition for a Candlestick. This will be on Wednesday 14th October, and on the 21st we have our 25p sale at 2.30 in the Drax Hall.

MORE GOOD NEWS MOBILE CHRISTIAN VIDEO LIBRARY

The damp August on record prevented Bere's premier eleven from escaping the jaws of relegation the second season in succession, they were reduced by Kingston Lacy despite Russell Hewitt continuing in his rich vein of form striking his fourth fifty this term. The second eleven with virtuoso performances from re-born Paul Snook and teenage prodigy Chris Oram, have staved off the dreaded drop. Cries of 'We're doomed' were demurred. There was history in the making at bleak Abbotsbury, when batting first, it was Bere who compiled a club record of 228 for 2, eclipsing the previous mark by one run set back in 1989 at West Moors. The stars on the day, who belled their ages were Russell Hewitt (104), Pete Cheeseman (48) Pete "Durcile, Canary" Wharf (24no) and Reg "Calympo King" Fripp. A final reminder that the Cricket Club Annual General Meeting is to be held at the clubhouse at 8pm on 22 October.

Under new management and new ideas, both Bere Regis FC football sides embarked on indifferent starts to the season. A hefty turnover of players saw the first teams attack completely revamped. Tricky fixtures at the start compounded problems and after a month only one point was gleaned from eight rooting them at the foot of the table. There was an encouraging start from Mike Foot, who came on a free transfer from you guessed it - Wareham. It was not so different for the reserves, they won four games from five keeping new managers Jim Mahoney and Arch 'The Kerb' Ferguson most happy. First Wareham took a pasting, then up against singing duo 'The Carpenters' they rattled in six. They were humbled by the Jolly Sailor to bounce back against the oilmen of Wyth Farm where a slick performance was put in. Notable performances were seen from Dean 'He's the young lad with the white hair' Rogerson and Paul 'Jacko' Crabb. Bere's eternal Sunday heroes went down 4-2 in their opener against Royal Oak, Swangate. Finally the Club's annual Christmas draw will take place at the clubhouse on 20 December with George Hurst and his Accordion.

W.I. RECIPE
This month’s recipe is one I read in a magazine in the dentist’s waiting room, Fish Lasagna, and it really is delicious.

16 oz haddock fillet (use half smoked and half fresh if preferred) 1 oz butter, 1 onion, finely chopped, 1 oz flour (plain), three quarters of a pint of semi-skimmed milk, 1 bay leaf, 10oz can sweetcorn, 1 tablespoonful of parsley, salt and pepper, Spinach lasagna, 2 oz cheddar cheese.

Preheat oven to Mark 4/350F/180C. Cut the fish into large pieces and leave on one side. Melt butter in a pan and cook onion until softened. Stir in the flour, cook for 1 minute, stirring constantly add the milk stirring constantly and bring to the boil. Remove from heat and add bay leaf and fish. Mix well then leave to one side for a few minutes. Drain the sweetcorn and add to the fish with the parsley and seasoning. Remove the bay leaf. Spoon a quarter of the mixture into a rectangular ovenproof dish and cover with a third of the lasagna. Continue layering, finishing with a layer of sauce. Sprinkle the cheese over the top and cook for 45 minutes, until golden.

CALLING ALL PRE-SCHOOL CHILDREN
Briantspuddle Playgroup is now open at the Village Hall, 4 mornings a week, Tuesday - Friday from 9.30 - 12 noon.

Tell your Mums and Dads that there is lots to do and regular outings, last term we went to Marwell Zoo and on the Swanage Railway. You can make a model, paint, do puzzles, thread beads, if it’s nice you can play outside on the grass and make lots of friends. If you are 3 years old you can start straight away. Just give our Playleader Gill Jennings a ring on Bere Regis 471198.

Hope to see you there.

IMPERIAL CANCER RESEARCH FUND
Bob Holman completed his cross channel swim on 22nd August. Due to choppy seas throughout the swim, it took 18 hours 40 minutes 36 seconds.

A party will be held at the Drax Hall on Thursday 29th October at 7.30pm at which the winner of the “Guess the time Taken” competition will be presented with a CD player. A video of the swim will be shown, and photographs will be on display.

Please do come along to the party and help us celebrate. Tickets are available from all Committee members.

AFFPRAISE - 11am, Sunday 18 October
In the last two months’ services we have thought about the ways in which God meets our needs for rest and food. Today, the feast day of St Luke, the evangelist and physician, we focus on healing and health. Do join us.

WHOLENESS AND HOLINESS

THE CHRISTIAN ethic as a whole is meant to lead to wholeness and holiness: and these denote essentially a state of being. Thus Don’t is for the sake of Do, and Do is for the sake of Be. This is in direct contrast to the common view of morality as an endless series of taboos. In the Christian view we must avoid evil because otherwise we shall not do good; and we must do good so as in the end to be good, to be whole.

GERALD VANN

"We read that we ought to forgive our enemies; but we do not read that we ought to forgive our friends"
— quoted by Francis Bacon

MARY

What was it made her so special
Picked out above all other?
Have you ever wondered why
Mary was chosen to be his mother?

Of course, for his only Son
God wanted the very best;
But why was Mary chosen
From Israel, above the rest?

It could never be romantic
To give birth in stable bare.
Did she long for privacy
As shepherds came to stare?

I like to think that Mary,
Despite poverty and shame
Gave a very happy home
To the Precious One who came.

He had no scars from childhood,
No bitter memories.
I wonder, could you or I
Give happiness like these?

Mary, wife of Joseph,
You had a great and noble task;
But God knew from the start
You were just the one to ask.

PAM WEAVER
TIME FOR GOD

IMAGINE that you’re between 17 and 25 years old and have six months or a year to spare. Perhaps between periods of full-time education. You don’t have any qualifications but you’d like to do some voluntary work in the Christian context. How do you find it?

It is for just such young people that the ‘Time for God’ scheme was set up in 1985. It places young volunteers in full-time community work in Britain. Time for God is sponsored by the Baptist Union and Missionary Society, the United Reformed Church and the Methodist Church. The Association of Youth MCAs and the Church of England.

The time volunteer finds accommodation via the scheme. The church or organisation pays for it. The receiving church or organisation provides support and any necessary training. The volunteer is also given some pocket money.

Conferences are arranged to help all volunteers develop their skills, assess their service and support one another.

Conference are currently more than 30 young people are serving in a variety of ways in churches, hostels, children’s homes, conference centres and local community projects. They are involved in helping, leading, worship and organising social activities.

Every effort is made to match gifts and needs to the needs of the placements. But the placements are not local; it is an important part of the experience to be away from home and to apply one’s faith and talents in a new environment.
