THE INTER-REGNUM

I have been asked by the Rural Dean and your churchwardens to help out regularly in
the benefice during the inter-regnum, which means that I shall be taking many of the
services on Sundays and being "on call" during the week when a need arises. I hope
therefore that if there is a case of pastoral need that you will not hesitate to get in touch
with me. Of course I have no Intention at all of taking over the excellent work already
being done by your Readers and your Lay Pastoral Assistants. Apart from the fact that
they are part of the official ministry of the church, they are on the spot.

SOMETHING ABOUT MYSELF

For ten years, up until June 1991, I was Rector of Dorchester, and now live in my own
house near Blandford. Apart from helping out in parishes I also work with the Rev. Colin
Day the Diocesan Adviser in Evangelism, in particular acting as administrator for the
five SEE HOW IT GROWS conferences being held throughout the diocese. You will
find details of these in this magazine.

MY REAL CONCERN

I suppose it is only honest to add here that my real concern for the Church in England
is that we should take seriously, and act upon, the call from the Lambeth Bishops for
the DECADE OF EVANGELISM. I am desperately interested in encouraging people to
become followers of Jesus, which includes them becoming active church members.

I believe that the Christian Faith really is Good News - we, as Christians, have
something worth sharing with our friends, family and neighbours. And inviting people
to become a follower of Jesus is far more than saying to them "come to church" or
"behave decently". In fact Christian discipleship starts, not with doing anything at all,
but with being open to receive what the Lord Jesus is offering.

I hope therefore that during my time with you we can learn together more about this
GOOD NEWS OF JESUS and how we can share this with others.

BERE REGIS NEWS

BERE REGIS PARISH CHURCH MEETING, JULY 8th ’92
The main business of the meeting was to agree the parish profile. This document is prepared for the benefit of those people considering becoming our next parish priest and it sets out a large amount of information about the parish. It also gives a clear picture of the life of the church and an idea of the type of priest who we would like to fill the vacancy. Our patrons, Balliol College, Oxford, have the unenviable task of finding someone suitable from the small number of priests seeking a new living.
The treasurer reported that the fete had raised £600 and that our quota was being paid to the diocese by instalments.
A set of churchyard regulations was agreed and will be available for inspection. A faculty had been obtained for gas to be installed in the church. It was agreed to delay vigorous fund-raising efforts in aid of the church extension until the new year.
It was announced that copying facilities were again available at the vicarage on Tuesday evenings and Friday mornings. Thanks were expressed to everyone who had offered help in any way and it was announced that the Revd. Jimmy Hamilton Brown, former Rector of Dorchester, would be looking after the parish temporarily until a new priest is appointed.

Brenda Fitfield.

PARISH COUNCIL
It was a long time in discussion, and rather long in installation, but the “traffic calming” scheme has now arrived. The general view of the Parish Council is that it seems to work, although we are contacting the County Council about a few aspects of the design. However, only time will really tell if the volume/speed of through traffic is reduced.
The Council feels that one point needs to be clarified. The brick-paved flat-top humps are NOT pedestrian crossings. They are obviously very convenient to buggy-pushers and others as a way across the road, but vehicles still have priority. Please explain this to your young children.
The Council is trying to stop the long-established practice in various parts of the Village of dumping garden rubbish in “convenient” places. There are a number of such places where these dumps are becoming unsightly, and the time has come when this practice must cease. However “traditional” it may be. We have been assured by Purbeck District Council that anything put in the black rubbish sacks will be taken away on bin-
day, so PLEASE use this method to dispose of all your garden rubbish that is not fit for your compost heap.

The Council has decided to form a Wildlife Advisory Committee, to gather together information about the rare and uncommon plants and animals, and wildlife habitats, in the Parish. Anyone who has a specialised knowledge in such matters, or who would be interested in helping with this project, should contact me without delay.

FRIENDS OF BERE REGIS SCHOOL

CARNIVAL AND FETE 18/7/92

A great success! We raised £1025 for the school which represents one of the best fundraising events ever. Apart from the finances, the procession and fete were very well supported and everyone enjoyed the afternoon.

Our thanks to the innumerable people who all pulled together and made it happen.

FOBRS COMMITTEE

The Annual General Meeting is now set for 3.15pm on 23/9/92. At this meeting we need to elect a new committee - some of the current committee will not be standing for re-election so anyone interested in becoming a committee member should come along. Please spare the time to attend!

Special thanks to Bob James, our present Chairman for the hours of worry and hardwork during the past months!

Bob Jennings Vice-Chairman

BERE REGIS WOMEN'S INSTITUTE

The speaker at our July meeting, Mrs R Billey, was very interesting and most enjoyable to listen to. She gave us a talk on "Things to know about Dried Flowers", and brought with her several examples of arrangements she had prepared beforehand. "You can use anything to hand", she told us, "to create your own arrangements", and then proceeded to show us how to do just that, explaining the intricacies as she went along. For those members who were keen to "do the job properly" Mrs Billey handed out leaflets explaining "Preserving Plant Material with Glycerine". One of our committee thanked Mrs Billey for her informative talk.

35 Juggi jumpers made by members were on display, and very colourful they were!

Our President thanked Mr Gilbert Griffin for the loan of a lorry for our entry in the Carnival. Sally also read our Link letter received from our New Zealand W.I. members which is always of great interest to us.

Those members who went on the Group Walk on 18th June reported how much they had enjoyed it.

Mrs Pat Gibson kindly offered to take charge of the W.I. Notice Board site on land opposite Manor Farm Road.

Mrs Ricketts won the free Draw - a basket of dried flowers. We do not meet in August but look forward to seeing each other on 15th September when our speaker will be Mrs J Clarke - A Youth Officer, and our Tea Hostesses will be Mrs Pat Gibson, Mrs Sheila Leigh and Mrs Stella McLeod.

BERE REGIS FLORAL GROUP

Two exciting afternoons were enjoyed by members and their friends during July. The monthly meeting and demonstration, by Mrs Blyth entitled 'Colour My World' was full
of exciting and interesting material, combined with a most entertaining presentation. Later in the month, Mrs Catharine Watson, one of our members, together with Mrs Marion Nourse from Wareham, gave a practice demonstration delighting all with their knowledge and skill. We wish them both all the very best with their forthcoming test.

There was no meeting in August - the next one will be held at Winterborne Kingston Village Hall on Tuesday 8th September at 2.30pm. The demonstrator will be Mrs G Smith and her subject will be 'Nature Inspired!'

2nd BERE REGIS GUIDES

have had a very busy two months beginning with a group of us camping at the Youth Afloat Festival at Baiter in Poole. Girls were able to have a go at windsurfing, rowing, canoeing, fishing, sailing, sub-aqua swimming and swimming. Two even had a go at Dragon Boat racing. The following meeting at HQ was a cookout and survival challenge, cooking egg and bacon in an orange skin!! Tastes great and it really can be done Saturday, 4th July saw an intrepid 12 girls sleeping in cardboard boxes in aid of the homeless. £55 was raised, our thanks to the regulars of the Drax who gave so readily.

The money will eventually go to the Salvation Army at Poole. The next meeting was a walk over Black Hill towards their environmental challenge badge. On July 12th we joined with Brownies in the Family Service at Church, and on July 18th we took part in the carnival all very enjoyable - no prizes but lots of fun. The end of term Bar-b-que was held at the Rec, it was lovely to see so many mums and dads on a nice evening.

The Company Camp was held at Coldharbour near Wareham during the first week of the school holidays. Everyone enjoyed their walk into the forest and to Wareham AND BACK, but especially enjoyable was the horse riding. We had extremely good weather which helps when camping. Our thanks to Mr David Hawkins for the use of his field and facilities.

We recommend meeting on Tuesday, 8th September 6.30-8.15pm at the Scout HQ in Elder Road.

As many of you are now aware Jane Smith is the new Assistant Guider who has been helping since Christmas with the full running of the Unit including finances.

WEEKENDERS

The Church Youth Club (Weekenders) will start again on Sunday 13th September at The Old Farmhouse Shitterton at 7.30pm.

Anyone from about 11 years of age is welcome. Part of the first meeting will be to decide on future activities within the Club.

We would be very grateful for any assistance anyone could give with the running of this club. If you are interested contact David Payne on 025887 7700 or Bob Jennings 0929 471 198

RAINBOWS

At our last meeting prior to the Summer vacation we said goodbye to Sarah Griffin, Claire Halliwell, Daphne McMahon, Holly Sheen and Georgina Stirling who now transfer to Brownies Farewells were also said to Jamie Hitchins, Lucy Cox and Carly Stanfield who have assisted without fail week in week out. Thank you girls. The leaders were presented with flowers as a token of appreciation.

Now to a more serious subject. Still nobody has been found to run Rainbows. Please don't let the girl lose an activity which for the past two years has proved to be so popular. Linda Hiles, Bere Regis 471558 will readily advise you of what is involved with running the Rainbow Pack. Do not hesitate to contact her if you are willing to help a) solely or b) a weekly assistant or c) on a rota basis.

A meeting is to be held at 4.30pm on 15.9.92 at Scout H.Q. If no volunteers are found then the unit may have to be disbanded/suspended.

BERE REGIS BROWNIES

Contratulations to all the Brownies who took part in the carnival, as Mary Poppins and chimney sweeps. We won first prize in the organised walking group.

At the end of term we went on a daytime to Fab Hab in Poole, and there were plans to have a picnic and playgames in Poole Park afterwards. However, it poured it down all day, so we came home earlier. Hopefully, we will have better weather on our day trip next year.

If anyone is interested in joining Brownies please contact either Jane Schofield on 472380 or Jane Storey on 471041 for further information. Please note from the 9th September we will be running from 6 to 7.15pm.

BERE REGIS CONGREGATIONAL CHAPEL

It only seems like yesterday that we were talking about summer, and here we are at the beginning of autumn and the time of harvest once again. Have you noticed, with living of course in the country, how there is much less grain harvesting this year than there has been of late. 'Combine harvesters' that used to traverse up and down countless fields are very conspicuous by their absence, as farmers are encouraged, and even paid, to grow less grain and concentrate on other things! There is something very wrong when our farmers are encouraged to grow less food while millions starve in Somalia, Ethiopia and the Sudan. When it comes down to the bottom line it all depends on how much profit there is in it! Whatever you sow, or do not sow, you will reap or not reap one day! (Galatians 6:7)

The same principle applies spiritually as well as naturally. If we leave Jesus Christ out of our lives we will encourage a harvest of hate instead of love, anarchy not discipline, strife not peace, fear not hope. This nation has, in the main, replace the combined harvest of Christ Jesus’s LOVE, TRUTH, HOPE and JOY with the seeds of other things. The result is a combined harvest of sin and self, that is there for all to see and gather. "As I have observed, those who sow trouble reap it". Job 4:8 Almighty God's fresh seed is still available.

Let us begin to plant His seeds of LOVE, TRUTH, HOPE and JOY in our lives now, ready for a much better harvest next year. "Sow for yourselves righteousness, reap the fruit of unfailing love, and break up your unploughed ground; for it is time to seek the
Lord”. Hosea 10:12.
There will be an opportunity to hear more about God’s kind of harvest on Saturday 26th September when we shall be having another of our Celebration and Renewal meetings at the Chapel at 7.30pm.
Our speaker this month is Malcolm White from Barry, South Wales. Malcolm has an excellent Bible teaching ministry and a very amusing way of conveying God’s truth to us. Do come and share that evening with us and together we can start planting those seeds that will bring a harvest of righteousness in due course. It’s the only sort of harvest that brings peace and contentment with it.

BERE REGIS WIVES GROUP RE-UNION
On August 15th we held our Wives Group re-union, quite a few members attended, it was especially nice to see so many come from away to spend an evening together.

The food was delicious, and everyone had a very pleasant evening.

Thank you Di for arranging the evening, and thanks to everyone who bothered to come!

BERE REGIS BRANCH ROYAL BRITISH LEGION
Despite a slight falling off of entries for our Annual Flower & Vegetable Show on 8th August, the resultant event was an extremely good display which should have given satisfaction to our visitors in the afternoon. This is an event which has become a regular feature in the RBL Calendar and one that with a little prompting another year can regain those lost entries.

The Judges were pleased with the standard shown and from their remarks it would seem we were not the first Show where numbers had fallen this year. One exhibitor was outstanding, as the list of winners bears out.

Thanks to all who exhibited to make this afternoon an enjoyable event and looking forward that next year some recovery will be made to regain those lost entries.

Our next important occasion will be on Sunday Sept 13th when we shall hold our annual Harvest Festival, commencing 7.15pm in the Clubroom. After a short service, Mr Ted Steele will hold forth in his inimitable manner auctioning fruit, flowers and other goodies donated by members and friends.

RBL GARDENING CLUB
First reactions coming face to face with the glorious display of flowers and vegetables on the occasion of the RBL 20th Annual Flower Show. “Big one’s, small one’s, some as big as yer’ed”. Referring of course, as anyone attending will appreciate, to the fabulous Dahlias and gigantic onions etc. not coconuts.

An excellent show all round. In the view of the Judges, despite adverse weather conditions a very high standard of entries quality wise.

Gardening Club Members practically swept the board. Steve Burbidge, a regular attender of Club Nite lectures, taking 14 firsts out of 27 entries and several 2nds.

Committee Member Wendy Hunts charming picture in Friday nights Gardening Echo certainly did justice to her skillfully blended arrangement of muted colours representing the Olympics which won her the Ladies best Exhibit.

Gardening Club Shields, presented by Chairlady Megan Stone, went to Sylvia Wood the E Happenden Memorial Shield for most points in the Ladies Floral Section whilst the Bass West of England Shield and the Coopers of Wessex trophy for most points in sections one and two were won by Steve Burbidge.

Hearty congratulations to all contributors winners and runners-up alike. In a local Village Flower Show there are no losers.

September Club Nite (Sept 1st) is the very popular Gardeners Question Time with Harry Dawes, Mel Williams and Anne Stevens. You are advised to come early to be sure of a seat.

Thank you all for your continued support. I’m off on holiday.

THE RBL WOMENS SECTION

SALISBURY DIOCESE - BOARD OF MISSION  
with  
CHURCHES TOGETHER IN DORSET & WILTS

Most church members will have heard by now that the main churches in Britain are now engaged in a DECADE OF EVANGELISM.

EVANGELISM is a word that frightens many people. It sometimes reminds us of an over-emotional, often American, preacher screaming at a large crowd. Others may think of being asked, by some intense, enthusiastic Christian if you know Jesus as your personal saviour.

In fact, when we look at the Bible we discover that Evangelism means, very simply, telling of Jesus. As churches during this Decade we are being urged to tell of Jesus in such a way that people will be encouraged to follow him themselves, and become members of the church.

Well, how can we do that? There are as many ways as there are churches. SEE HOW IT GROWS is a day in which we can hear one of the leaders of the Decade nationally helping the churches to become fellowships where people are being attracted to Jesus.

In addition to the main speakers there will be workshops and displays where we discover ideas which others are already using successfully. We shall be including such subjects as healing, prayer, working with children and young people, as well as more specialised workshops such as local authority housing areas, Good News Down Your Street, and the Catechumenate.

Do come and join us. It is open to all. Your church leaders have full details and booking forms. There are five different centres on five different dates - choose the one that suits you best.
