We are happy to supply fresh fruit for weddings, parties, etc., and picked fruit is normally available from the nursery sales area. The apple orchard provides fruit from mid August to late October.

The Nursery specialises in hardy perennials and patio plants, now the biggest collection in the county. We also have a good range of shrubs, roses and climbers including many interesting and unusual species.

"From the sixth hour, there was darkness over all the land until the
ninth hour. And about the ninth hour, Jesus cried with a loud voice
"My God, my God, why has thou forsaken me."

For Christians, this verse from the Bible records the blackest moment in the history
of the world. Jesus was about to die. A sense of dereliction covered the face of the
earth. All hope had gone. The carefree days in sunny Galilee had gone. Cruelty,
blood, death, fear – these had replaced the love and beauty and serenity they had
known in their earlier years.

Then came his death, with the awful lowering down of the sagging dead flesh
from the splintering cross beam; the wrapping of the body in a shroud and the
entombing in the cave. Everything was gone. All their hopes for the future lay in
ruins. As they lay down in their rented rooms that night, they were in utter dejection
and misery. Fear for their own lives meant they slept very little.

Such situations have been repeated a million times in the intervening years.
Cruelty, blood, death, and fear stalk our world today. We still see pictures of people
burying bodies wrapped in only a shroud. We still see faces marked with the lines of
dejection and misery.

For Christians, seeing Jesus on the cross, with all its terrible pain, there comes this
vital message "He has been there first". He knows what loneliness is; he knows fear,
and he knows the final result of being alive, death.

Two days later, a dawn came upon the world, like no other dawn. Light covered
the face of the earth. Those same men and women, filled with desolation, misery, and
fear came very early to the grave. They came to anoint the dead flesh for permanent
burial. It was the pivot point of history. From that moment, the history of the world
changed course. Nothing has ever been the same since.

For Christians, Easter is their most important day; their most important truth. The
cry "He is risen" has echoed down the centuries, and given hope and purpose to the
old person living alone, the prisoner in Japanese controlled Changi jail, and to the
mother suffering the terminal illness in her child. The knowledge that "after this life
there is life" means more to us than any other message.

So we relive and re-tell the events of that dark Friday so very long ago; we hear
the solemn readings and sing the mournful songs. But two days later we greet the
dawn with songs of happiness and hope. We become one with millions around the
world who understand the impact of the words "He is not here, he has risen". They
are recorded as words from an angel, and so they are.

I hope you have a lovely Easter, and that you continue to be aware of the little
resurrections that are all around us in nature. They speak of the message of God to
the world as shown in Jesus.

Yours sincerely
Graham Roblin

CHURCH NOTICES - BERE REGIS

CHURCH DECORATION FOR EASTER. The decorating of the church for Easter will be done on the morning of Saturday 2nd April. It has to be done by midday because there is a wedding at 2.00pm. The lilies will make a wonderful display, but as always there is a need for flowers and foliage, so please do bring this to the church by about 10 o’clock if you can.

EASTER SONGS OF PRAISE. Instead of Evensong on 10th April there will be a Songs of Praise. Those who enjoy this occasional service are asked to fill in a notice at the back of the church with their nominated hymn. To encourage maximum participation it may be that you would volunteer a reason for suggesting your choice during the service. (You don’t have to of course!)

PAROCHIAL CHURCH COUNCIL. The newly elected PCC has its first meeting after the elections of the Easter Vestry on Wednesday 27th April. This will be in the Vicarage starting at 7.00pm.

CHURCH FUND RAISING. Everyone enjoyed the “Friendly Coffee” on March 9 when £33 was raised for Church Funds. Do come to the next one at “The Acorn” on May 11th where Margaret Maunter will welcome you. Tickets are available for the Gilbert & Sullivan Concert in Church on April 15th - £3 to include refreshment. Phone or call at the Vicarage for these (471262). Ring now to avoid disappointment!

CHURCH NOTICES - AFFPUDDLE

THE ANNUAL PAROCHIAL CHURCH MEETING. This is a gathering of all lay persons whose names are on the electoral roll. The meeting receives from the church council, and is free to discuss, a copy of the electoral roll, its annual accounts and audited accounts and audited statement of its funds and property, a report on the church fabric, goods and ornaments of the church, and a report on the deanery synod. Those entitled to attend may ask questions about parochial church matters, or bring about a discussion of any matter of parochial or general church interests. Important business of the annual meeting is to elect parochial representatives of the laity to the deanery synod (every third year) and to the parochial church council, and to elect sidesmen. The Affpuddle APCM is on Low Sunday following Evensong at 6.00pm.

COFFEE MORNING IN AID OF FLOWERS - 9th APRIL. (For the FLOWER FESTIVAL on the 4th June). Mr and Mrs Herridge are very kindly opening their home for a coffee morning in aid of Flowers for the Flower Festival in the church on Saturday 4th June. (D-Day week-end). The Coffee Morning is to be on Saturday 9th April at Throop Farm. This is always a most popular occasion, and we look forward to seeing as many of you as possible.

AFFPRIASE Family Service - 11am Sunday 17th April. Easter and the risen Jesus will still be fresh in our minds at our family worship this month as we return to our theme of men and women of faith. This time we look at the effect the events of the first Easter had on the faith of Jesus’ disciples and on one of them in particular - a man very like ourselves perhaps. Do join us.

CHURCH DUTY ROSTERS. The mowing rota for the year 1st April 1994 - 31st March 1995 have now been distributed.

The Readers, Sidesmen, Cleaning and Flower arranging rota have distributed for the forthcoming year. The Vicar, Churchwardens and P.C. are most grateful to all those who give up their spare time to help with these tasks.

OBITUARY

MRS DAISY OLIVE WOOLFRIES

In the history of Bere Regis, the watercress beds of the twentieth century will be a prominent feature. On 9th March, the funeral service was held in the parish church of a lady whose whole life was lived in the centre of this industry. Mrs Daisy Woolfries was born in the cottages at Hollow Oak, and continued to live there almost the whole of her life.
We remembered with thanksgiving the life of a lady who was part of the village. She was one of the diminishing number of people who went to school at Chamberlaynes.

She was also one of those who made the church and its activities part of her life. She was, like many others, baptised, confirmed and married in the church. She became a member of the Parochial Church Council, a member of the Sanctuary Guild and of the Mothers Union. Outside the church, she enjoyed the Women's Institute and for many years was its treasurer.

It was her home that was central to her existence, with her husband Ken and daughter Brenda. Then when her grandson Richard was born, he became much loved, and in return he loved her as a “particularly good grandmother”.

On retirement, Daisy and Ken moved home to Court Farm Cottages, but six years later due to ill health, they went into West Point Rest Home in Parkstone. Ken died fairly soon after this, but Daisy lived to really enjoy her last three years in the home.

Mrs Woolfries was cremated in Poole, and her ashes interred in the parish church graveyard alongside those of her husband.

May she rest in peace.

THANK YOU
DAISY OLIVE WOOLFRIES

Brenda Gray and Richard would like to thank everyone who attended the funeral service of our dearly loved mother and grandmother. The support of so many was greatly appreciated and of immense comfort.

We would also like to express our deep gratitude to the Ven. Graham Roblin for his understanding and sympathy at this difficult time.

NORAH AND ROY

Thank all who supported their Coffee Morning. £87.50 was raised for League of Friends Wareham Hospital.

THE DORSET LATVIA LINK

JAUTRITE MAZURE, the 22 year old Latvian woman brought to England for treatment at a Sheffield hospital in early December 1993 returned home to Latvia on 19 February, accompanied by Dr Tim Harley, following successful diagnosis by Professor Ramsay of The Royal Hallamshire Hospital in Sheffield. Although it was originally anticipated that she would remain in England as an out-patient to continue her treatment, possibly for as long as six months, it was decided that ideally she should return home to Riga to complete her treatment. Although sad at leaving her new-found friends, she was naturally very happy to be returning home. Those of you from our parishes who were kind enough to write to her during her stay in hospital will no doubt already have heard from her, or will do so in due course. Letters sent to the hospital following her departure have been forwarded to her in Riga. May I take this opportunity to thank all who took the time to write to Jautrite. It helped to make her stay a happy one, knowing that there were those who cared about her.

During the visit to Ikskile in July/August of last year by The Dorset Latvia Youth Link, two wrought-iron candelabra were purchased from a local craftsman in Ikskile for presentation to each of our parish churches. That for Bere Regis was dedicated at the annual Plough Sunday service (by a happy co-incidence attended by a member from our Link village in Ikskile and a relative of the craftsman who made it) and that for Affpuddle church some 2 weeks later - both services a moving reminder of the link between our two communities.

We have a very busy year ahead of us, fund-raising to bring over a party of 12 young Latvians and 3 leaders for a Summer Camp at Trigon near Wareham during July/August. We are seeking sponsors for individual Latvian children at £300 per head, or indeed for any part of that sum. Anyone who would like to assist either financially or in spending some time with our visitors can obtain further information either from me or from Phil Ventham, 5 The Hollow, Briantspuddle tel: 0929-471215.

BERE REGIS NEWS

PILGRIMAGE TO THE HOLY LAND

We went up on to an high mountain - and got drenched. ‘We’ being John and Mary England and myself together with thirty others from neighbouring parishes on a week-long pilgrimage to the Holy Land, led by ‘Red Post’ Vicar Hugh Maddox.

That episode on Mount Tabor was just one of a number of experiences we had, in weather that varied from the sublime of warm spring sunshine by the Sea of Galilee to arid dryness of the Judean wilderness and the very English winter skies over Jerusalem, and all in an area not much larger than could be covered by the counties of Dorset or Wiltshire. Our two days in Tiberias, ‘beside the Syrian sea’, were idyllic and included a trip across the Lake to the foot of the Golan Heights the other side. No sudden storm for us that day: when we stopped in the middle for our occasional reading no waves even lapped our wooden boat such was the stillness.

It was more like a late April day when we set off for Jerusalem by way of Nazareth and Jericho, having made the long winding ascent into the hills of Galilee passing the Mount of Beatitudes, blessed are the poor thought John but not to that extent as he realised he had left all his money behind, so down we all went again (that never happened in the New Testament! However that delay was a blessing in disguise (thanks John!) as it meant that our Scottish leader’s plans for a physical assault on Mount Tabor had to be abandoned and we had the dubious luxury of negotiating hairpin bends in 7-seater taxis instead. When you see Mount Tabor you realise only it could have been the Mount of Transfiguration. Rising alone from the Plain of Jezreel it resembles the grandeur of our own Malvern Hills. As from them there is a
The weather and the scenery changes dramatically as we headed down into the Jordan Valley to Jericho, past isolated Palestinian settlements and miles of polythene sheeted fields and vineyards and date palms and then the slow climb through the Judean hills to Jerusalem. For two days there the skies wept, not heavy rain, just wet but somehow seemed appropriate as we followed the places that figure so prominently during Holy Week. From the Mount of Olives you could see it all: the Temple Mount, the High Priest’s house, Herod’s palace and the route that Jesus would have taken during those last days. Late on the second day we were there the murky drizzle descended and in the gloom our route took us to the Holocaust Museum in West Jerusalem to see the pictorial evidence of Man’s suffering in Europe during more recent history.

Our last full day in Jerusalem dawned a gem with brilliant blue skies. We spent the morning following the Way of the Cross along the narrow cobbled alleyways to the traditional site marking the Crucifixion. The Church of the Holy Sepulchre commemorating this was as dark and depressing and full of tourists (like us!) as it must have been two thousand years ago. The emptiness and lack of bustle around the Temple Mount was also sombre, unusually so but not only was it the Jewish Sabbath: there were none of the Arab traders thronging the cobbled ways as there was a total ‘sympathy strike’ following the tragedy of the massacre at Hebron the previous day. However the sun was still shining, we know of the Resurrection and it was appropriate that we should finish our pilgrimage at the Garden Tomb, a genuinely authentic site owned and maintained by a group of English people, where birds sang and apple trees blossomed and daffodils bloomed.

Other memories include a 1000 foot climb up to the top of Masada’s jagged mountain (John and Mary took the cable car) followed by a very unrefreshing ‘fun’ float in the Dead Sea; and the stark but intimate wilderness of the Judean desert - rather like the hills of West Dorset and Devon but without a blade of grass. Much of the scenery in Galilee in particular brought to mind the hills of Derbyshire or Wales. Above all it was good to see the landscapes and perspective of the biblical lands, to see what Jesus saw and what the people of his time saw, and exactly how far Capernaum is from Cana-in-Galilee, and what the road from Jerusalem to Jericho actually looks like.

BERE IN BLOOM COMPETITION
Planning your garden for the summer? Do not miss this opportunity to enter.

The Parish Council will be running a competition this year to encourage parishioners to grow flowers which enhance their properties and the overall appearance of the village.

There will be two prizes of £30 and one of £20 for the best floral display visible from the Highway. The competition will be judged in early August. Please note it need not be a vast display and can be a small display of window boxes or hanging baskets. Obviously the quality of the plants, imaginative use of varieties and colours will be relevant factors as well as how they are displayed. Entry forms are available through the Bere Regis RBL Gardening Club and from Miss J Stone 97 North Street Bere Regis, Tel 471933.

The Council hope that Parishioners will support the competition and we can all enjoy the floral exhibits throughout the summer.

Entries close 30th June 1994

BERE REGIS MOTHER’S UNION
Our March meeting was in Church, and commenced with Holy Communion, with an address for Lent by the Vicar.

In April we are to have a talk by Mrs Joan Kirkbright of Traidcraft, with slides, and she will also bring a selection of items for sale from Third World countries. Everyone welcome.

AUTUMN LEAVES OVER 50’s CLUB
Mr John Glazebrook gave a talk with slides on New Zealand in March. He finished up with a lovely pictorial tour of the islands, which was accompanied by Maori singing, making us all feel we had been there as well. The competition was for three flowers, and there were a large number of entries.

On the 13th April we have our Spring Tour to the new Haskins Nursery Centre. The coach will leave the car park in Bere Regis at 2pm, returning home about 6pm. Names please to Kath Jeeves.

BERE REGIS WOMAN’S INSTITUTE
At our February meeting Mrs M Pickering and Mrs L Bainter gave a talk with video entitled An African Experience. There were pictures of many places in Africa, and wild animals, and was very interesting and enjoyable.

On April 19th we are to have an open evening at the Drax Hall, when the speaker will be Mr SirL, who will be demonstrating Afternoon Tea Fancies. Visitors will be charged 50p and will be very welcome.

NATIONAL ARTHRITIS RESEARCH WEEK 1994
You will be disturbed to hear that five million people in this country suffer from osteoarthritis. That is why the Arthritis & Rheumatism Council has chosen it as the subject for National Arthritis Research Week (5th - 11th June).

ARC will be highlighting some of the painstaking research which is being undertaken to find the cause and cure of osteoarthritis. The Bere Regis Branch is helping this research through its fundraising efforts. In the last year people like these Branch members have raised over £17 million for arthritis research of all kinds.
If you would like to know more about ARC, arthritis research in general, or what is happening in Bere Regis during national Arthritis Week, please contact Branch Chairman, Margaret Maunders of 15 North Street, tel. Bere Regis 471342 or Branch Secretary Molly Carlyle of 33 Old Barn Road, tel. 471441.

ARTHITIS RESEARCH
A very successful Coffee Morning was held at the Vicarage on March 15th when £83.25 was raised. The small but hard working Committee of the charity are planning various fund raising activities over the next few months. These include a flag day at Wyvale Nurseries on June 5th, a Street Collection / Flag Day in Blandford on August 18th, a Strawberry Tea at Watersmead, Shitterton on July 14th and an Evening with ARC at Cyril Wood court on June 8th during National Arthritis Research Week.

Please support us in our efforts to conquer the scourge of Arthritis.

2nd BERE REGIS GUIDES
February - Thinking Day is a day when we celebrate the founders birthdays, both Lord and Lady Baden-Powell were born on February 22nd though in different years. The theme is an international one and Spain was our chosen country, we supplied food and craft with a Spanish influence for the other units to participate in. Guides, Brownies and Rainbows from around the Piddle Valley District were there and each chose a different country.

In early March we took part in the Annual Scout and Guide Orienteering competition held in Wareham Forest. Our team enjoyed the afternoon though due to inexperience were unable to find some of the markers. However, it was Wareham 1st Guides who won the Junior Section. Well done!

My thanks go to the parents who have driven the girls and myself to and from these events. Your support is greatly appreciated.

BERE REGIS GUIDES, BROWNIES and RAINBOWS
Would like to thank Mrs Beryl Cobb who on Wednesday, 16th March presented our Group with the 'Florence Aplin Achievement Award'. There is a large, distinctive and suitably inscribed shield which will be awarded annually to the girl who has achieved most through difficult circumstances. Miss Aplin has also given a cup which will be awarded on a monthly basis. Very many thanks to Mrs Cobb and her aunt Miss Aplin who also supplied the buffet for the occasion.

BERE REGIS SCOUT GROUP
Thank you to all those who helped us raise £145 at our recent jumble Sale.

The group has been doing its bit for the environment by its annual clean up at Kimmeridge beach. This took place on Sunday 27th March - a report in the next edition.

The annual general meeting of the group is to be held on Thursday 19th May at 7.00pm at which it is planned to show a video film recording the group's activities during the year.

A chance for 15 of the newly reformed Latvian Scouts to come to England for a summer camp this July will be a unique event and will mean a lot of work for the group leaders and cost about £4000. Help with the cost through sponsorship by individuals, firms or groups would be much appreciated.

The group is raising funds themselves and Simon Balcon, who was until recently, one of our venture scouts is asking for sponsors in his running in the London Marathon in aid of the Dorset Latvia Youth Link.

BERE REGIS CONGREGATIONAL CHAPEL
"Easter" - I wonder it means to you? A few days break from the routine of work, assuming you happen to have a job. A time to spend in the garden if it is fine, or decorating indoors if it is wet. An opportunity to enjoy the family of friends, or to go for a walk in the lovely countryside or seaside around here. For the children it is a holiday from school (yet again) and the devouring of chocolate Easter eggs and hot cross buns by the ton! All very acceptable of course, but is that what Easter is all about?

Whether one accepts the FACT or not, Almighty God has placed a CROSS right at the centre of His world that no-one can avoid. On that CROSS was nailed God’s unique son, JESUS CHRIST, in order to redeem a lost world from a lost eternity. “Salvation is found in no-one else, for there is no other name under heaven given to men by which must be saved”. Acts 4:12

This is the vital, central Christian message of “EASTER”. The great celebration of Easter is not only that Jesus DIED for our sin on Good Friday, but that He ROSE from the dead on Easter Sunday. As we stand at the CROSS ROADS, the CHOICE is ours, and also the resulting consequences, whether we receive, believe and accept the true meaning of Easter or not!

On Saturday 23rd April at 7.30pm we shall be having another of our ‘Celebration and Renewal’ meetings at the Chapel, Butt Lane. The speaker this month is Dr Dennis Ball from Milborne St Andrew. Dennis is well known in this area for his distinctive teaching and prophetic ministry, and we look forward to having him with us. Everyone is welcome.

BERE REGIS FLORAL GROUP
Mrs Pamela Lewis of Devizes kept her audience both enthralled and amused with her demonstration of 'Flowers with Wrought Iron'. Using such aids as arches and church windows, she captured the imagination of all with the use of exciting designs and colours in her arrangements. Mrs Lewis brought with her a wide selection of wrought iron stands and containers all made by herself. A thoroughly entertaining afternoon.
Next months demonstrator is Brian Morrin from Exeter, whose theme will be 'magic Carpet'. There will also be the very popular spring Plant Stall.

Date 12th April, 1994, Time 2.30pm, Venue Winterborne Kingston Village Hall.

FLOWER FESTIVAL

Owermoigne Floral Group will be putting on a Flower Festival in Athelhampton House from Sunday 29th May to Wednesday 1st June 1994. Proceeds will go to charity. Please see poster for further details.

DRAX HALL

To round off the school half term holiday in February we put on a Shadow Puppet Workshop. This was led by Wendy Wharam and accompanied by Rudy Barseghian, who inspired the story and played the musical accompaniment. The story chosen for this workshop was Nazir the Brave, who quite unwittingly found himself to be the central character in a series of hilarious and hair raising adventures, where he wins over impossible odds. The children - limited regrettably to only thirty - joined in fully, singing the basic theme song in Armenian and then making their own shadow puppets for their own production of the story. It was tremendous fun and I am sure that there were many puppets besides sleeping children that night.

REPORT

Facing a fixture pile up of unprecedented magnitude, the premier eleven showed some signs of a possible recovery at Chideck. The migration and retirement of players has not helped matters this late in the season as the managers are having to scratch around for players. Importantly Bere have not lost too much spirit in their quest to survive, and it was against bitter rivals Hamworthy Reserves the Bere Doubled their points tally of the season to four, albeit somewhat fortuitously. A goal before half time lifted the morale of the side to an extent that they improved on that lead when battler hero Steve Ives grabbed out a goal from nothing. With little time left on the Stadium Clock, the opposing goalkeeper cleared only to find the ball rebounding off a defender and into a gaping net. It was the first slice of luck that Bere had received all season, and how they needed such luck to take into the game with league leaders Allendale who came to Bere with a fine reputation and a youthful squad. Bere ended up on the wrong end of a 4-0 defeat and a £20 fine for fielding 10 players, it was the season in a cameo.

Having been assured of mid-table status, the reserves have some fifteen games remaining to complete the season in which many young players have been able to show their merits. None more so than the only local player Chris Oram who has scored freely and impressed on the right channel of Bere’s midfield. The slopes of Swanage yielded an untimely defeat. Then followed what the manager called ‘their most complete performance of the season’ over arch rivals Lychett. Rich Cummins exposed a defence lacking in pace, he ended up with a hat-trick and support from new player-manager Steve Allen and Dave Goodwin with his first for the club. It was good to conquer a team who were surprisingly meek on match day when Bere would have expected a battle to the last.

They were once an invincible army marching mercilessly across the battlefields of Division 4 Pool and West, but now the empire of the Sunday heroes resembles a Roman city in ruins as chaos reigns.

Promotion rivals Black Bear certainly roared and Bere were blown away 5-0 with a very forgettable performance. It transpired that Black Bear were to take over at the top in early march. If ever there was a team who can combat and interpret Bere’s style of play, it is SJK of Swanage who have gone from rags to riches. They could only salvage a draw away to their learned foes, heightening and mounting pressure as the season comes to a conclusion. The dynasty was beginning to fall, and at home to

James Brooks the rot had well and truly set in. Despite taking a seemingly unassailable 4-0 halftime lead against the prevailing wind, Bere let the game slip away in a frenzy over the last twenty-five minutes. The defence appeared to be a row of wooden table-top footballers as Brooks cut swaths through using the counter attack. A game of eleven goals was largely exciting to the neutral eye but a nightmare for the managers as they now must contemplate a tough series of away games to come.

If the fortunes of the footballers were flagging, then Graeme Price's barmy army were restoring lost pride in the cricketing hotbed of the QE Centre, Wimborne. Three wins from three matches were secured against Plessey who had no answer to Bere's precise and fluent game. An easy target of 92 was surpassed with three overs to spare. The 'Atherton-Stewart' like opening pair of Graeme Price and Steve Cheeseman added 63 to plot Plessey's downfall on a day when Mr Rotavator was not needed.
