JESUS and the TEENAGER

The world must appear quite discouraging for young people. I suppose old people have always said this sort of thing, but when we look at things from a political standpoint, they are inheriting a legacy of problems which are not of their making, and pretty uninviting: high national debts, ecological crises, economic disparity, enormous areas of famine and drought, disease, civil war and warfare. There is also a certain disillusionment with the effects of the scientific and technological revolution. They see it as impersonal and dehumanising. Science and technology have failed to be saviours of humanity. This discouragement can lead to them exploring alternative spiritual experiences through various occult practices or oriental mysticism.

Many pop songs affirm the empty frustration and lonely yearning for significance that many young people feel.

To where do they look in this difficult world? I have noticed that they look for significance and identity within their own world of their friends. Friends are the strongest influence and highest source of enjoyment. Involvement in the old institutions of society, - school, government, church has been abandoned.

In large towns or cities, “successful” churches attract teenagers. They are delighted when they discover that the Jesus of the New Testament is willing to become their personal friend and the one who pleads their cause. To realise that Jesus Christ, the God of the universe, is in control of human history gives reassurance and a new optimism that peace and justice will some day prevail. To discover that Jesus offers the personal interest of a listening friend in an impersonal world provides a welcome relief.

In smaller towns or villages, the church today finds it difficult to cater for the needs of every section of its society. Dominant older groups have different approaches to religion and worship. In previous generations, teenagers responded to Jesus as they were taught, and according to the culture of their village and family. Their initial beliefs usually became permanent convictions, through the
influence of parents and society. But now, the revolutionary impact of technology, particularly in communication and transport has changed all this. Information about other ways of thought, or other faiths is available even in primary school. And in some areas, there is an amazing mix of faiths and cultures, unknown before in any other part of the world. As a result, we have religious tolerance; all major religions are taught in the school system. Jesus becomes accepted as one of many Gods, and one of many possible options.

Most young people do not attend church. Most soldiers joining the army don’t know the difference between Ash Wednesday and Sheffield Wednesday. Many think of Jesus Christ as some ancient and remote religious figure, occasionally mentioned on television. Few know the story of Easter. Yet a very high percentage do believe in God.

Except in extreme evangelical or charismatic churches, or in the extreme "high" churches in large towns, our worship is thought to be dull and irrelevant. I have a feeling that there is nothing new about this. Read Thomas Hardy, and you don’t find the young over enthusiastic about the church.

So we have a problem, and every church person knows this and feels anxious about it.

If it is time that young people look to their friends more and more for enjoyment and a sense of identity, our aim should be to allow them to see Jesus Christ as a very real friend, and one who loves them personally, by name. They will find this out later in life, but knowing this now would give them so much more confidence and happiness.

Yours sincerely
Graham Roblin

CHURCH NOTICES - BERE REGIS and AFFPUDDLE

THE PET SERVICE. Following tradition, there will be an out of doors service on Sunday 10th July at 11 o’clock in Bere Regis to which those who have pets are invited to bring them, and those without pets to observe. Command and Control are the Christian virtues needed on this day. It was fun last year, so I hope it will be again this year.

VISITING PREACHER. Canon Denis Shaw, a former Vicar of the parish will be preaching at the 9.30 Parish Communion on 17th July. His wife Doreen will be with us in the congregation, and will stay on to coffee afterwards.

BERE REGIS P.C.C. The meeting is on 19th July at 7.30pm in the Vicarage. This is an important meeting when Mr. Ian Ventham will present options for raising money for large financial projects.

THE TWO PARISHES TOGETHER. On the 5th Sunday of the month (which occurs about three or four times a year) we now unite the two congregations of Affpuddle and Bere Regis for a combined service. This next “fifth Sunday” is on 31st July, and the plan is to have an open air service in the church yard of Turnerspuddle, starting at 11 o’clock, and followed by a picnic lunch brought by the individual or family.
BELLRINGERS. After our usual summer break, bellringing practice will start again on Wednesday evenings in September. We can always do with new members - it's not so difficult as you may imagine - and you do a service to your church in giving an outward sign that it is thriving and is there to serve the parish.

Visiting ringers (the six Bere Regis bells are well liked) include; Dorset County Association on Saturday 23rd July, 13.40 to 14.40 as part of their day ‘Ringing at Churches near the Dorset Roman Roads’; The Universities Association of Change Ringers on Friday 29th July 10.30am, touring the area based at Kingston Maurward and Basingstoke District outing on 17th September at 2.30pm.

AFFRAISE FAMILY SERVICE - 11.00am Sunday 17th July. Do join us for this service which will be in our usual informal style. People sometimes worry about coming to such services, perhaps because they don’t know the form, haven’t been before, or have no family to bring. Don’t worry - there are no special words to be known by heart, no books to lose your place in, and people on their own are just as welcome as families - we will be your family!

If you are on holiday this month or next, do seek out the nearest worshipping Christian congregation and join them each Sunday. It will enrich you and them, even if the language is not English or the type of service is not what you are used to. My wife and I have just returned from holiday ourselves and enjoyed worshipping with the monks of a Benedictine abbey on the first Sunday, and on the following two Sundays with village congregations, one at a Church of Scotland kirk and the other a parish church in the Pennines. JH

CHURCH FUND RAISING. Friendly Coffee on 20th July at 10.30 in the home of Miss Sybil Frampton, Tower Hill. Bring and Buy and Lucky Ticket on entry.

LAMMAS FESTIVAL in church from Saturday August 6th to Tuesday August 9th, 10.30 - 5.30 daily. This will be called “The Church and the Countryside” and will include displays of flowers, church regalia, paintings and crafts.

TOLPUDDLE VILLAGE FAYRE Tolpuddle Village Fayre will be held on 2nd July - 12 noon - 6pm at Southover House, by kind permission of Mr. and Mrs. Slocock. Craft Stalls, Refreshments, Licensed Bar, Tug o'War Competition and much more. Come along and enjoy yourself and support 2 local charities; The Lan's Gale Fund and Wessex heartbeat.

BLOOD DONOR SESSION. The next blood donor session will take place in the D'Urberville Hall, Wool on Thursday, July 14th, from 1.30-3.30pm and from 5.00 - 7.00pm. New donors are always very welcome. Information on giving blood can be obtained by phoning Freephone 0800 373701 or your local organiser, Mrs. P Bartholomew, 0305 852900.

CHURCH ARMY. The recent CHURCH ARMY collections raised a record amount in our two parishes, a total of £281.05 having been collected. I am most grateful to those who gave so generously and to the collectors who worked so hard.

Another fund-raising event will be taking place on Sunday 14th August when the Revd. and Mrs. Jimmy Hamilton-Brown are very kindly opening their beautiful garden in aid of Church Army. They live at the Old Mill, Spetisbury, near Blandford, and I know they would be delighted to see old friends from Bere Regis and Affpuddle. The garden will be open between 2.00pm and 5.30pm and the admission charge will be £1. Teas will be served and there will be various stalls and competitions. I have enlisted the help of supporters from other parishes but would welcome additional help so please let me know if you could come along and give a hand. In addition, I would be grateful to receive gifts for the stalls and cakes and scones.

Finally please pray for a fine day! Brenda Pitfield 471391.

THE DORSET-LATVIA LINK

Summer Camp 28 July to 11 August 1994

Fund raising is well on target for the return visit of our Latvian friends and grateful thanks are due to all who have contributed and continue to support us in our endeavours. Congratulations also to the young folk of the Youth Link who are well on the way to raising their own personal target. Those of you who attended THE SHITTERTON SPECTACULAR will be delighted to hear that it proved to be just that, in spite of the elements. Over £1,200 was raised and again thanks are due to all who supported this event.

Plans are being finalised for the camp and a variety of activities are in store for our visitors - sailing; archery; abseiling; climbing; canoeing; swimming etc. and a night hike, which apparently has already created a lot of excitement in Ilkxile. For the less energetic there will be visits to local places of interest, including a trip to Brownsea Island, and a day-trip to London and another to Salisbury, with hopefully the involvement of The Salisbury-Latvia Link. Anyone who would like to either assist with the Summer Camp or join in any of the other events on our programme is asked to contact either the Secretary or Phil Ventham for a comprehensive programme of events.

For those who would like to meet our Latvian friends we are having an English Village Day on Sunday 7th August. The day will start with a Church Service at Affpuddle, followed by a picnic lunch at Culpepper's Dish, to include English country dancing and music. If the weather is unkind, the event will be held in the village hall. Bring a picnic and something to drink and help us to give them a taste of English hospitality.

Thank you to all of those involved in home-stay visits for our visitors and for supporting our other fund-raising events over the past 12 months. We are delighted once again to have been able to send a donation of £200 to Ikskile to
enable them to hold their Summer Camp for the young underprivileged and orphaned members of the community who, by reason of age, were unable to attend our own Summer Camp.

Finally The Dorset Latvia Link is looking for a 2-drawer filing cabinet so if anyone has such an unwanted item tucked away would they kindly contact me on 0929-471577 and I will be only too happy to collect it. Jenny Silavs, Hon. Sec.

OBITUARY NOTICES

MRS. MAY DOROTHY HEWITT (aged 70)

It is with great sadness that we record the death of May Hewitt who passed away suddenly in early May, and who was cremated at the Weymouth crematorium on 13th May. A large congregation attended, each with their special memories. For Roger and Alan, and the grandchildren, brothers, sisters and daughters in law, it was a moment when they were able to give thanks for the loving kindness that had marked her life. Her late husband Jack died suddenly, relatively early in life, but she had come to Bere Regis from Enfield, with him after the war, and it became her natural and happy home. They lived first in West Street, and then for many years in Green Close. It was after Jack's death that she took a job in Bovington Camp where she was very happy until her retirement. Apart from all the private memories, she will be remembered as a quiet, unassuming lady, a village person, who enjoyed the country and nature, and loved going for walks with her family. She will be sorely missed. May she rest in the love of God.

MRS. MABEL CLEALL (aged 86)

It was on the lovely afternoon of Monday 6th June that a very large congregation gathered in Bere Regis Church to lay to rest Mabel Cleall, a much loved mother of Billie, Ernie, Gordon and Peter, and sister of Leonard who she had looked after when her mother had died. Amongst other relatives and friends were daughters in law, six grandchildren and four great grandchildren. It was the express wish of the family that the service should be one of thanksgiving. She had lived a full life, and it had been one of warmth and love for all with whom she came into contact. The congregation were reminded of her early years when she came to Affpuddle as one of ten children, working on the newly created Debenhams estate. After moving to the Manor House as a kitchen maid, she met her late husband Fred (or Buff as he was affectionately called). Sadly he died 18 years ago, but she continued to embrace her large family with love and generosity that marked her life. During her last years, she had been looked after by her first child Billy who cared for her at home in Egdon close. A woman of simple tastes, she was contented with life. She was never judgmental and could not say anything nasty about anyone. So we laid to rest in the cemetery a lady of Bere Regis, known to so many. Her friends and large family mourn her loss but with thanksgiving. May she rest in the love of God.

BERE REGIS NEWS

IMPERIAL SERVICE MEDAL. Congratulations to Mr. Kenneth V Stickley of Westlea, Butt Lane, Bere Regis, who has been awarded the Imperial Service Medal. He retired last year after more than 27 year's service with the Ministry of Defence, and was presented with the medal at Bovington by the Commanding Officer on Wednesday the 8th of June 1994.

MOTHERS' UNION. At our June meeting Ann Hawke, Diocesan Chairman of the Overseas Committee, talked about MU workers overseas, what their work involved and, in particular about the situation in Rwanda where a 42-year-old worker and her five children were murdered in the current genocide.

In July the vicar will celebrate Holy Communion (BCP), followed by our Annual General Meeting.

BERE REGIS WOMEN'S INSTITUTE. The main part of the May meeting was given over to discussing the resolutions for the Annual General Meeting, after which we were able to buy some lovely plants for our gardens at the plant stall.

Our July meeting will be on the 19th, when Mrs. J Orrin will be talking on Your character in hand-writing. Tea Hostesses are Mrs. England, Mrs. Day and Mrs. Hacker.

AUTUMN LEAVES OVER 50's CLUB. Our May meeting which was not reported on in last month's magazine, because it went to press early, was a Beetle Drive, which proved to be great fun for all those taking part.

In June we had the summer outing to Seaton, on a lovely sunny day. On the return journey the coach stopped for a meal at the Coach and Horses, and many new members were welcomed.

The 13th July is our open day, when all members of the public are welcomed. The competition for one rose on a stem, (and no buds) is open to members only. There will be an exhibition of teapots, and teapot competition, which will be judged by our visitors.

We are to have a stall at Bere Regis First School Carnival which will be held on July 16th. This will be for bric-a-brac, and contributions will be welcome to Kath, Bere Regis 471175. If you are unable to take them to Kath, please contact her, and she will pick them up.

BERE REGIS PARISH COUNCIL. At the May meeting Mr. L street was elected to be Chairman and Mr. D Gibbs to be Vice Chairman for the forthcoming year. The responsibilities of the individual Councillors, elected this year and listed in last months magazine, were also decided. If parishioners have a concern on any.
of the subject areas then it is suggested that they initially contact the relevant Councillor(s) as listed below.

**Site Inspections.** Miss Stone and Messrs. Walker and Mauder.
**Cemetery.** Messrs. Griffin and Walker.
**Drax Hall.** Mr. Mauder.
**Trees.** Messrs. Dunning and Munro.
**Public Transport.** Mrs. Hannibal.
**Youth and Playgroup.** Mr. Street.
**Archaeology.** Messrs. Dunning and Munro.
**Charities.** Mr. Gibbs.
**Crime Prevention.** Mr. Mauder.
**Electricity Liaison Officer.** Mrs. D Phillips, 471423.
**School Governor.** Mr. Munro.
**Parish Magazine.** Liaison, Mr. Mauder.
**Christmas Lights.** Messrs. Fairhurst, Gibbs, Walker, Griffin and Pearce.
**Wildlife Advisory.** Messrs. Dunning, Gibbs, Munro and Street.

At the June meeting it was reported that a newly planted shrub at Southmead had been removed. This sad act of vandalism is not necessary. The plant concerned was obtained with an award that the village as a whole had been awarded last year and was intended to improve our community. In a similar vein, to encourage the appearance of the village, do not forget the Garden Competition - details from Sue Stone - 471933. Just let her know that you wish to enter, there are cash prizes to be won.

The visiting Police Constable advised us that within the area car thefts and thefts from cars were on the increase. However in other classifications the crime figures were improving - eg reducing.

Resulting from the comments made by Parishioners, the problems with the maintenance of the Cemetery were discussed at length. It was reported that the grass is cut on five or six occasions throughout the growing season and that each cut costs around £200. In addition the paths are treated regularly. The discussion was very wide ranging on proposals to improve the cemetery without incurring enormous additional expense. For example among the suggestions for keeping the grass tidy it was proposed that sheep graze the grass. This would not only reduce the grass but would remove it as well, which is not done at present. In conclusion the Cemetery sub-committee was tasked with making proposals to improve the paths. This subject will be further discussed at next months meeting on July 14th.

**THE CONGREGATIONAL CHAPEL, BUTT LANE**

As you know, most sponges that we use in our everyday lives, for cleaning cars and around the house, are man-made synthetic. But many people are surprised to learn that real sponges were at one time living sea animals. When a live sponge is removed from the sea and its living matter is cleared out, its skeleton opencelled structure soaks up and absorbs liquid very easily.

Children are like sponges, they soak up information, attitudes, ideas, conduct and habits (especially bad ones!) very quickly and easily, from TV, videos, magazines, home, school, playmates, their environment etc. Adults are like 'living sponges' too, taking in what is all around them, for good or bad. Like any sponge, it can only give out what it has first taken in. When squeezed, what comes out of you and me?

There are of course 'professional sponges', who only ever seem to take in, but never give out!

What are the little, young 'sponges' absorbing from the big adult 'sponges' these days? What are they soaking up as they listen to us, see our actions and copy our example? Is it love or hate, peace or war, hope or hopelessness? Are we setting a good example of obedience and love for the LORD JESUS CHRIST, as we teach them God's Word, the Bible, and live a true Christian life?

"Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is admirable—if anything is excellent or praiseworthy—think about such things. Whatever you have learned or received or heard from me, or seen in me put it into practice. And the God of peace will be with you" Philippians 4:8-9.

**BRITISH RED CROSS COLLECTION.** A big thank you to everyone who gave to the British Red Cross collection made in the village during May. The total collected came to £110.41, a £25 increase on last year. Thank you again for giving so willingly to this very worth-while charity.

**THE ANCIENT ORDER OF FORESTERS.** Friendly Society Court Prospect will be holding a Barbeque on Saturday 20th August 1994 at Woodbury Hill Farm, Bere Regis, commencing at 7.30pm. There will be free entrance and free car parking at the farm. Food will be available for which a charge will be made. A skittle alley will also be available.

Your support would be greatly appreciated.

To assist in the catering, would you please inform the Secretary, Mr. Roy Davenport, Tel. 0305 264732 if you will be attending.

Unfortunately, if it is WET, THE BARBEQUE WILL BE CANCELLED.
DISTRICT NURSES TEA PARTY. Many thanks to all those who attended and for the raffle prizes that were donated.

We raised £100 some of which we have donated to the Blind Club in Wareham - the residue we plan to use to purchase some table cloths for use at our tea party.

Very many thanks to my colleagues for all the lovely cakes. We shall look forward to seeing you all again in September. Gill Webb, District Nursing Sister.

BERE REGIS SCOUT GROUP.

Many votes of thanks are due on behalf of the group.

First to all those who collected BP tokens (and others as well) which made it possible to raise £700 for the group and Latvian visit funds and allowed us to obtain many of the draw prizes for the Cub Roast.

This brings me to the many people we have to thank who made this years Cub Roast so successful as well as the weather! To Di and Ian Ventham for letting us take over their garden, to all the stall holders and helpers and to all those who came and spent their hard earned money. We estimate that the group will benefit by about £800.

Last but not least thanks to those whose hard work has made the Scout Headquarters look so much smarter by cleaning, painting, grass cutting and general repairs. We are very lucky to have parents, boys, girls, leaders and committee members who are willing to give time voluntarily for this sort of task.

We wish particularly to thank Steve Painter for his invaluable help in erecting scaffolding for the stall-holders.

Our 15 Latvian scouts and leaders come in July and I am sure they will receive a warm welcome.

BERE REGIS FIRST SCHOOL

The children in year 4 enjoyed their camp in the New Forest; some of them wrote about camp.

"I liked the cooking and the New Forest and the Museum" (Holly Sheen).

"I liked playing war with torches, I also liked the rounders competition and food" (Stuart Moore).

"When I went camping I most enjoyed the food, the first night we had a rounders competition, I think my team won" (Michael Heathcock).

2nd BERE REGIS GUIDES.

All who attended the highlight of the Guiding year 'Company Camp at Wareham'; had a lovely time. Due to a waterlogged field our venue changed to the Birchwood caravan site where all the girls were able to ride horses through the forest, and have go at Archery, all that and walking to Wareham and back on a beautiful summers day.
Although the weather was mostly fine, high winds proved to be a slight problem when taking the tents down. My thanks go to David and Gina Hawkins who found us space, Fiona Dodd and Eric Gale who did a lot of running around for us (it was Eric’s car that bore the brunt of transporting all the equipment back from camp), and especially to Elizabeth Gale who along with Tanita and Tristan camped with us the whole time and without whom the camp may NOT have gone ahead.

We are continuing our B.P. Project at Turberville Court with gardening, and our Wildlife survey on the Watermeadow.

STRAWBERRY TEA.
The Arthritis and Rheumatism Council, Bere Regis Branch, regrets that the Strawberry Tea due to be held on 14th July has had to be cancelled.

RBL GARDENING CLUB
Thank you one and all, Gardening Club Members, for your tremendous support for Mr. Higgins talk and slide show on Butterflies. The lounge was practically cleared of chairs to accommodate you. And what an interesting and informative speaker he turned out to be. Bob James arranged that one for us. Ta Bob.

Our coach outing to Hilliers was also very enjoyable. A nice little run out to Romsey, lovely weather and a pleasant stroll round the grounds accompanied by no less than two handsome gentlemen, very knowledgeable and friendly, a cuppa in the sunshine then home in time for tea. All for a fiver. Didn't we do well.

Jackie suggested next months guest speaker.

TUESDAY 5th JULY  BEES IN THE GARDEN   MR. BROWN having attended a talk by that worthy gentleman and being most impressed. We think you'll enjoy it. You won't get stung.

I'm thinking of giving a talk one of these days. Thistles in the Garden. Well, the allotment to be precise. Just why certain northern gentlemen chose the thistle as their National emblem I have I have no idea. Wearing of the Kilt too! No wonder they call them 'The Brave'.

Incidentally, I have moved house and changed my phone number. It is now 0929 472135, NOT as on your membership card. Oh yes, I spoke to Mr. Mardon of MARDONS OF DORCHESTER. He apologised for not contacting us sooner, he's very busy, but is happy to offer RBL Members 10% on production of current card.

Thank you as always for your encouragement and support. See you on Tuesday 5th July.

BERE REGIS FLORAL GROUP
A Silver Medal for Catharine Watson at Chelsea
It was to be a long night when Catharine Watson commenced work on her exhibit at the Chelsea Flower Show. Starting on her exhibit at 10.30 in the evening and working through the night, she finally put the last flower in place at 6.30am the next morning, she was accompanied by our Chairman Mrs. Jean Clarke who stayed and supported her right through the hours of darkness and on beyond dawn.

The theme for this section of the exhibition was 'Music'. Catharine selected Holsts Planets, and to achieve the effect her plant material included honeysuckle and grape vices, together with white orchids, roses and anthurium. Foliage included hosta leaves, bergenia leaves and grasses.

We would like to congratulate Catharine who awarded a Silver Medal. The Bere Regis Floral Group are delighted and proud of her efforts and success, and wish her good luck with future ventures. Thankyou also to Jean who gave her such tremendous support.

Due to the lateness in the month of the June demonstration I regret I have not been able to include a report. July's demonstration will be held at Winterborne Kingston Village Hall on Tuesday 12th July commencing at 2.30pm The demonstration will be Frederick Burdock from Salisbury and the fascinating theme of his demonstration is 'Birds of a Feather'. Why not come along and see what it is all about. Visitors are always welcome.

Report

A season of consolation is much expected at the BRACA this year, and the troops embarked on their annual ventures with renewed but guarded optimism. There are the usual old foes to confront, with one or two newer teams and doubtless more alehouses to plunder. It was at Damerham where perhaps the blame attitude of the team contributed to their downfall, on their way to low total. It was Steve Cheeseman's weekend, top scoring both at Damerham and Bournemouth on a pearler of a wicket, but support was thin on the ground, thus the points tally was unimpressive. A way to Stalbridge, Bere faced some hostile bowling and crumbled again, though a few eyebrows were raised at the authenticity of one or two of the home players.

The new second team captain Mr. Rotavator (Dean Merritt) showed his mettle as Bere met newcomers Frizzellians who were sent packing amongst a blaze of strokeplay and bowling of a high pedigree, it was the first win and hope of more to follow.

As if June 6 evoked many memories, it will be May 17 as Bere overcame all the odds and conquered strong challengers Steep from Hampshire in the National Village Knock-out. The visitors were fearsome with their hitting and quick singles, and final over yielding 17 runs seemed to be the last rites for Bere. But the Steep boys found fielding a tall order, and after the customary collapse, it was left to two old stalwarts, Russell Hewitt and Mark Bennett to send Bere flying into the third round for the first ever time. Russell "The Bear" ended unbeaten on 99 after a blizzard of sixes which left Steep dumbfounded, there was much Merriment to be had from the bumper crew who celebrated from every picnic table and vantage points around. The next opponents were to Woodmancote from East Hampshire who were again unknown, but soon proved their worth by dismissing Bere with disdain, although it is hard to see how players from Winchester, Havant and Petersfield are able to play in a village knock-out competition. The Club wishes them every success in further rounds.

Meanwhile, the down to earth job of gaining league points was still proving an arduous task for our cricketers. A defeat at Ferndown was the nadir when the decision to bowl first was vindicated by the result and pitch. But the team learned from previous misdemeanours and smashed their way to 167 against Portland on Bank Holiday Monday. It was Dean Rogerson with a Larasome innings of 69 which built a platform for Reg Fripp to plunder a very swift 47 consisting of controlled stroke play. This was followed by a match winning 6-20 ensuring Bere gained their fully deserved 19 points.

So often has been the case this season that Bere have not been able to produced the type of performance that everyone has come to expect. It appears now that their halcyon days are numbered, but a miserable run for the first eleven has been littered with bad luck and well below par tours through some base was saved at designated UN safe haven Symene, where despite a stream threatening to end Bere's hopes, the Premier eleven conquered in style with Graeme Price showing some of his burgeoning talent with a match winning 38. The first team are delicately poised on a cliff edge to Division 6 thanks to lacklustre showings and key games cancelled due to the inherent bad May weather.

A note from the youth section is that the club will be holding sessions for all younger players under 14, these will consist of juts and general training every Monday evening at 6.30pm to 8.00pm, with a £1 charge for each session. All are most welcome. The section has been able to obtain kit for the squad, and would like to thank Andy from Wareham sports for his assistance.
