October 1994

The Vicarage
Bere Regis, BH20 7HQ
Telephone (0929) 471262

The Venerable Graham Roblin, OBE

I don't know it for a fact, but I have a feeling that most of us quite enjoy history, specially modern local history.

One of the many delights in my position as vicar here, is the inheritance of many ancient documents. Of these, a treasure-house are the parish magazines of Bere Regis going back well over a hundred years.

One hundred years ago this month there is a fascinating entry.

THE CHURCH FLOOR

"Most of our readers already know that the floor of our Church is badly affected by dry rot. For some years the decay has been spreading and the floor in more than one part of the Church has been temporarily supported from time to time. The time has come when the work ought to be taken in hand in earnest. Subscriptions will be gladly received and duly acknowledged by the vicar, or by other of the church wardens."

Following this there is a list of people who have already contributed. In the next edition there is a record, "Mr. Armitstead has given £1 towards the Church Floor Fund." Four months later there is an entry, "Mr. Radclyffe has contributed £5 towards the Church Floor Fund"; and then two months later is a report "It will seem that out of £31 donated so far, £31 has been given by friends 'at a distance', who have heard of the disgraceful state of our church floor. We do not mean to allow our church to become a "National Monument", still less should we let it become a national ruin."

It is not clear who wrote this "waspish" report, but it was probably the vicar!

I laughed when I read this. We are tempted to think that the glorious churches of Bere Regis and Affpuddle have always been as they are now, in almost pristine condition. In reality, they have always needed careful upkeep. No Parochial Church Council has had the luxury of debating "Mission" or "Our Care for the Community". The P.C.C.'s have always been burdened with the finances and upkeep of not only the ministry, but also the physical care of two of the most lovely churches in England.
May I on behalf of the churchwardens and the church council, ask you not to be aggrieved if they come to you again for financial contributions to help them maintain our most precious heritage. Please don't leave it to the modern day "Mr. Armitstead" or "Mr. Radclyffe", or even "friends at a distance".

I know the churches are very important to most of us, and I have no fear that they will become "national ruins"! But we, like those of 100 years ago do need your support. There is a note of panic in the compiler of those magazines. The way things are going at the moment, panic could begin to creep in to today's compiler. But then everyone who knows our parishes assures me that "all will be well"!

Yours sincerely

Graham Roblin

On 23rd October, it will be Songs of Praise. Members of the Congregation are asked to nominate their favourite hymns for singing at the service.

If anyone would be prepared to say something about why they love a particular hymn, it would be very interesting to hear. But don’t let this idea put you off if you only want to nominate a hymn.

United Benefice Holy Communion. Earlier this year, it was decided to hold an united service for the two parishes of Bere Regis and Affpuddle. This has proved very popular, and our fourth of such services will be held in Bere Regis on the fifth Sunday of the month (30th) at 9.30am.

Ecumenical Service. On 30th October, the Butt Lane Congregational Church are hosting our next Ecumenical Service. There will be no Evensong in the Parish Churches, and we are invited to join the congregation of Butt Lane in their evening worship, which starts at 6.00pm.

Affpraise Family Service - 11.00am Sunday 16th October. In the next few months we’ll be learning something about the adventurous life of St. Paul as told in the book of Acts. At the start, he was very far from being a saint! Do come and join us in our informal worship and hear more about this amazing man who was to become the spearhead of the young church’s mission in the Roman Empire.

CHURCH NOTICES

Bere Regis Harvest Festivals - Sunday 2nd October. One of the loveliest services of the year is our Harvest Festival.

In Bere Regis we have an Evensong at 6.00pm followed by a Harvest Supper. Preparations and offerings are programmed for Saturday morning, 1st October. If you can come either to help or to bring your offerings from 10 o’clock onwards on Saturday, that would be lovely.

The harvest offering, together with those of the school will be given to the Cheshire Homes in Dorchester.

The Bere Regis First School are coming to the Church for their Harvest Festival on Monday 3rd October at 2.00pm. Parents of the children are coming but anyone in the parish with time to come will be very welcome.

The Fourth Sunday in the month at Bere Regis, in the evening, we do not have Evensong, but a range of different types of Services. On one Sunday we may have a Healing Service, at another, Taize Style Worship, and at another, songs of Praise.

There will be a special Clean of Affpuddle Church on Saturday 1st October from 10.00am to 12 noon. Help is needed to polish the furniture and wood floors, wash the stone floors and clean the windows. Please come along and help and bring with you cleaning cloths and dusters.

Parochial Church Council. A meeting of the P.C.C. will be held at Raithby Cottage on Tuesday 4th October at 7.30pm.

Collection in Memory of Mr. George Payne for Affpuddle Church. It is with great pleasure that I am able to record that the offertory at the funeral of Mr. George Payne amounted to £326. It is the wish of his family that this should go towards the church in Affpuddle; a place which meant so much to him, especially in his later years.

Church Fund Raising: The next "Friendly Coffee" morning will be on November 2nd at the home of Miss Pat Chesney, 2 Tower Hill. Do come and enjoy an informal cup of coffee in congenial surroundings amongst friends. Bring and Buy and lucky entrance ticket.
During the summer months a band of helpers has been serving coffee and tea three days a week to visitors in the church. This has been much appreciated by many and as a result, £92 has been paid into church funds. Very many thanks to all those volunteers who have helped to make the scheme a success.

OBITUARY

The Reverend Paul Trevor William Tranter, BA

In Bere Regis Church, close to the Font is a long list of Names with dates.

This list is the record of nearly all the Vicars incumbent to Bere Regis. A list of those who since 1400 AD have faithfully held the Church together; wedded the Couples, baptised their Children, encouraged all to attend Church, buried the dead and comforted the bereavers.

On to this list was added in 1961, the name of PAUL TREvor WILLIAM TRANTER.

Paul died suddenly on 27th August, and will be remembered by many for his kindness, his friendliness and his cheerful out-look. His Services in church were stimulating, his sermons were outspoken and topically to the point. His sense of humour even from the Pulpit could not always be suppressed.

He loved his "House of God", and started the "Friends of Bere Regis Church" movement to help pay for the upkeep of the building.

Phyl, his devoted wife, played her part and helped him enormously. Amongst her talents was the power to make the garden a place of beauty.

When Paul retired in 1976, they had happy retirement in Child Okeford until Phyl was taken ill. Although Paul devoted all his attention to her, she died in 1989.

Their son Simon, by now successful in business looked after Paul in such a way that he really started a new life. In enjoyable surroundings in a part of Simon's house, he had independence, and made many new friends. He enjoyed keeping in touch with all Bere Regis activities. He also made himself available as "Loco tenens" at neighbouring Churches, including his own Parish Church of Hyde, Fordingbridge.

We all feel sad that he is gone, and our sympathy goes out to Simon, who made his Father's remaining years so happy. I know his memory will be treasured for a very long time.

May he rest in the peace and love of the God he served all his life.

Col. A Barne

May I say on behalf of my Dad, Mr. Jim Andrews and myself, a big thank you to everyone who supported my Coffee Evening for the Wessex Heart-Beat Appeal. It was a wonderful evening, and the total sum raised, at going to press was £153. Also, many thanks to my willing helpers, Stella, Rene, Andrea, Eileen, Sheila, Edna. Thank you everyone.

Sally Cheeseman

BERE REGIS NEWS

Dorset Best Kept Village Competition. Bere Regis has won the large Village Section. The Parish Council would like to thank all those who help look after the Village and keep it looking good. The competition is judged on the Church, the Cemetery, The Sports Field, the Village Hall, Seats, Paths, Notice Boards and all community facilities.

Keeping the Village tidy also means not dropping litter or rubbish in public places. So keep up the good work.

Parish Council. There are two vacancies for Councillors on the Council resulting from resignations. If there are any eligible persons who wish to serve then would they please advise the Clerk by writing to him at 11 Tarrant Drive, Wareham, BH20 4EP.

The Council has been advised that the Domestic Refuse Contract allows for the collection of an unrestricted quantity or number of receptacles of removable household domestic refuse.

Normally the plastic sacks are to be used but refuse may also be in a number of other appropriate containers such as dustbins, polythene or paper sacks, cardboard or wooden boxes, bundles or in any secure receptacle. All such refuse placed at the collection point shall be removed by the contractor. In addition small bulky articles which are clearly of a household nature that can be easily handled must be removed as part of the normal collection of household domestic refuse.

NOTE - The term 'household domestic refuse' does not include garden refuse. An additional service is available for the removal of bulky domestic refuse which cannot be handled by the normal household domestic refuse service. If this service is required or if you have any queries or complaints concerning the refuse collection services contact either Mr. Malcolm or Mr. Bennett at Westport House. Tel. 556561.

The Council is very concerned about the obvious use by dog owners of the Sports Field in order to exercise their dogs. Regrettably the dogs leave their "visiting cards" which are of a nature non conducive to the good health of the sportsmen and children playing there. We therefore ask on behalf of all users that dogs are not taken to the Sports Field.

One planning Application that was received this month was for the building of a Restaurant at the Townsend Business Park. No objection was raised and we look forward to its completion and potential employment opportunities. CM

THE CHAPEL, BUTT LANE, BERE REGIS
The name ROY CASTLE is known by most people, young or old. Some will remember him as a smiling, light-hearted entertainer, others will remember him as a very talented trumpet player and tap dancer, still others will remember him as the presenter of 'Record Breakers'. But I suppose most will remember him as an unsympathetic sufferer from cancer, which finally ended his very brave and courageous fight to live.

He was not a cold, government warning on a cigarette packet, but a living demonstration and WARNING to all of what tobacco smoke can do to a passive non-smoker as well as to a real smoker.

But there is also another side to the life story of Roy Castle. He had heeded the WARNING of God in the Bible and had committed his heart and life to Jesus Christ long before he died. He was born again, and now enjoys eternal life with his LORD. John 3:16-21 and Acts 4:12.

He could face death and go through its awful agony with hope, because he had the GOD of HOPE in his heart, even though the smoke of the world had killed him.

What then will you remember Roy Castle for? His smile, his warning about tobacco smoke and his vision to build a cancer research centre, his zeal for life, or his trust in the Lord Jesus Christ as a committed Christian, as too, is his devoted wife Fiona?

On Saturday 22nd October at 7.30pm at the chapel we will be having our monthly 'Celebration' meeting. Our speaker this month is Bishop Ban It Chiu who is well known in this area for his gentle yet powerful ministry, particularly in the area of healing. The last time that the Bishop was with us, we saw several people he had healed. Jesus is still the same today as he was when he was when he was on this earth 2000 years ago. If you have a need Jesus has the answer. Why not come and find out for yourself?

ARTHITIS RESEARCH
A Coffee Morning will be held in aid of the Arthritis Research Council at the Vicarage on Tuesday 18th October at 10.30am. Bring and Buy Sale and Raffle. Do come and bring your friends.

BERE REGIS FIRST SCHOOL
From the Head Teacher
We welcomed six new part-time children into our Reception Class this term along with six other children who have transferred to us from other schools.

Last year we welcomed many visitors to our school. Some like Mr. Roblin and Mrs. Mills have been regular contributors to our children's experiences. Others have helped with particular projects such as Mr. Holland of Vitacress Ltd. with Class 2's watercress projects and Cyril Wood Court with our art exhibitions - we thank them for their support. Many have visited to see the work of the children at assemblies, school productions and concerts and exhibition of work. We have greatly valued this support and look forward to developing closer links with others in the village. A village school is an integral part of the community, we need support and are readily willing to support local initiatives where appropriate.

We have to send a huge, heartfelt vote of thanks to the Friends of Bere Regis School Committee. Last year they raised an incredible £2,800 through a wide variety of mainly social events to which many of the village gave their support. Without this support we would be unable to give the children such a varied range of experiences that LEA funding alone would not allow.

On Friday 7th October the "Friends" will be holding their AGM and forming a new committee. We have many "Friends" who continue to serve on the committee long after their own children have left school. They offer valuable experience and help at all events. However our numbers are dwindling and a large committee would help ease the load of those who continue to be committed to raising funds for our children. I would like to take this opportunity to invite members of the local community to join FOBRS and carry on the good work that is being done. Tea or coffee will be served from 3pm on Friday, October 7th in the school hall where present members of the committee will be available to chat to. We look forward to seeing you.

Steve Bottishill
(Offers of parental help are always welcome in school. If you feel you have time to help please contact Mr. Steve Bottishill (Headteacher) or your child's teacher at school (Tel. Bere Regis 471334).

A FIREWORKS FIELD!
The school would be pleased to hear from anyone who could lend a field for the Annual Fireworks Party on the first Saturday in November. Preferably in walking distance of the village, otherwise with easy access and parking facilities. If you can help please ring Alison Bennett at the school - 471344.

RBL GARDENING CLUB
It's a long time since Panorama and The Big Screen were a novelty at the pictures but they certainly improved a night at the 'Flicks' then. Introducing The Big Screen to Gardening Club members at last months Club Nite appears to have gone down quite well.

Tom McKinley's talk and slide show on how to Enjoy Your Garden 'packed 'em in' once more at the North Road Legion venue. The seating arrangement and big screen helped everyone to an excellent view of a very well presented program. If its O.K. with you then we can look forward to another delightful evening on . . .

TUESDAY OCTOBER 4th  CONSERVATION IN DORSET  TONY BATES
Most of you will know Tony, being a local man, and enjoyed his slide show with music on The Wonderful World of Nature in February this year. He's a keen conservationist with a great love of Dorset so we can expect a full house on the night.

We very much regret to have to announce the resignation of our dear Jackie who has, month by month for the last two years, deliberated and cogitated upon the provision of raffle prizes. Not only getting us the best value for money but making sure the fruit and veg. prizes were nicely presented, giving her time and support on the Committee and assisting with the sale of raffle tickets.

May I take this opportunity to say, on behalf of the Committee and all RBL Gardening Club Members,

WE SHALL MISS YOU JACKIE
and many, many thanks for being with us.

Good luck for the future.

TURBERVILLE COURT, BERE REGIS
A special afternoon is held every Tuesday, 2pm - 4pm with games, card bingo, a draw, teas and biscuits. Do come and join us, everyone welcome. Also a Coffee Morning is held on the 1st Friday of every month at 10.30am. Once again, everyone is welcome.

A message of Sympathy and Appreciation. All at Turberville Court would like to extend their sympathy to Pat and family on the loss of May, Pat's Mum, and to thank the family for their donated gifts to Turberville in memory of May.

A big thank you also to Mrs. Bentley and her Girl Guides for the hanging baskets, shrubs and plants which has helped to brighten Turberville. Thanks also to B.P. for their donations to them.

BERE REGIS SPORTS CLUB
The Bere Regis Recreation Ground is owned by the National Playing Fields Association NPFA and is managed by the Bere Regis sports club. The Committee would like to draw your attention to the NPFA Guidelines on dogs.

The NPFA stands for clean pleasant and safe environments for children's play and sporting activities. It calls on all responsible organisations, particularly owners and managers of recreational land to work urgently towards achieving higher environmental and safety standards in this important area.

The recommendations are NO dogs (except guide dogs) on equipped playgrounds, on sports pitches and outdoor sports facilities such as courts and greens and on land held for the recreational benefit of children and young people.

Please would members of the public refrain from walking or exercising their dogs on the Recreation Ground. The Sports Club Committee are anxious to comply with these recommendations so as to ensure the Recreation Ground is a safe area.

After ensuring their Division 5 status for 1995, the first eleven encountered runaway leaders Wimborne 2nds. A team of high renown but with very little sense of humour, Bere toiled in the intense heat of the Safeways Bowl, and gained little reward for their efforts as Wimborne asserted their authority. Once again it was the in-form Russell Hewitt who carried Bere's batting hopes, this time he was cut short at 30, but defiant batting at the end prevented the home team from getting maximum points which was immensely satisfying. Once again away to Suttoners Bere crumbled, but the day was extremely forgettable.

The state of the home team's facilities were appalling, and in terms of basicness they were without equal. Having to contend with a biting wind, youths on a drunken rampage and dog pitch invasion everything pointed towards a miserable experience. With the bat it was Peter Cheeseman's day taking Bere to a respectable 151. In between innings our players were treated to a gastronomic delight or quite the opposite as the sandwiches consisted of mouldy pieces of 4 by 2 made somewhat during the Jurassic period. Cups of tea were greeted with razors before drinking, giving a very unpleasant day all round. Bere took full advantage of indifferent umpiring to grab an early wicket, but a ten over spell blew Bere's chances as cricketing suicide was committed and the home batsmen cruised to a five wicket win.

To save themselves from relegation Bere needed one more win, and against Marhull 2nds, a team assembled from a northern farming community they delivered a maximum points victory. It was Bere's most emphatic victory this season, although the visitors were let off the hook by the bowlers. Achieving their target was always a stroll as veteran groundsman Doug Curtis carried his Newbury through to 62 effortless runs and returned to the pavilion to a standing ovation from the members' stand, it was a fine performance in such Autumnal conditions.

The seconds are yet to seal their cricketing fate either way but have to face tough opposition in their run in to the end of the season and finding a win or two was never going to be easy. After assembling a relatively secure 164, the seconds were set against St Georges, the batsmen performed with all the major players throwing the hats into the ring. Herbie Swann led from the front with a battling 34, ably supported by Mr Rotavator, a resurgent Steve Cooper and display of dismissive strokeplay at number five from Reg Fripp. The bowlers worked at their task with no luck at all, and only took four wickets despite giving the usual 110 per cent. Bank Holiday Monday saw Bere play host to Bournemouth 4ths, and Bere's reserves were treated to an innings of quality from the Bournemouth opener, only later finding out that the backbone of the visitors' team were made from various England teams or Hampshire eves. This only highlighted the ridiculous gap in class which must be looked at by the game's governing body. Bournemouth worsened the gravity of the situation by bowling their lesser bowlers, but Steve Cheeseman and Tim Hole took full advantage of this adding 76 for the sixth wicket, taking Bere's points tally to six which did not damage their average too seriously. The final game of the season will be at home to West Howe who will be gunning for promotion and Bere possibly gunning for relegation.
