A THOUGHT FROM THE VICARAGE

For the past 30 years, the Church of England has been altering its prayer books. The Roman Catholic church did this in the 1960's, when it changed the words of its prayer books from Latin to English.

Change is something difficult to cope with for those who have been used to a well known pattern over many years. Many churchmen have been hurt by the changes, others have been helped in their spiritual growth. Now, for many new church people, the 'old words' of the Prayer Book are as much known as the words of the Latin Mass by young Roman Catholics. So we have to try to be positive about the changes, as well as treasuring the riches of the prayer books that have been ours for over three hundred years. In our two churches in these parishes, we are able to enjoy the old and the new. We have a variety of worship that ought to cater for most people.

One of the negative aspects of change in the prayers of the church is that people no longer know those old beautiful prayers "off by heart." There was a time when many of us knew lots of prayers. We hadn't learned them by practice but simply by constantly hearing them. "Lighten our darkness we beseech Thee O'Lord and by thy great goodness .......". We could finish the prayers. Many of us knew the great Thanksgiving Prayer which begins "Almighty God, Father of all mercies, we thine unworthy servants.......". Certainly, a larger number of us know "The Lord is my shepherd: therefore can I lack nothing". Constant repetition over the years made the prayers and hymns holy. We could bring them to mind when we were quiet, or in sickness or distress.

Some of the 'modernised' prayers are beginning to acquire this value for church people. If I start a prayer off, the congregations know how to proceed. But it all takes time.

Experience has taught me that the well known prayers and hymns are an enormous comfort to many people when "the changes and chances of this fleeting world" affect us. My hope is that our children will be allowed to hear prayers. To know the Lord's Prayer seems to me to be very important. The Prayer of St. Francis which begins "Lord make me an instrument of your peace......." must rank amongst the greatest of prayers, and to know those words cannot but influence us for good in our daily living. The full text of this prayer is printed as a "Prayer for the Month" in this magazine. I hope it is of help.

A PRAYER FOR THE MONTH

Lord, make me an instrument of your peace.
Where there is hatred, let me sow love,
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
Where there is sadness, joy.
O divine Master, Grant that I may not so much seek

To be consoled, as to console,
To be understood, as to understand,
To be loved, as to love,
For it is in giving that we receive;
It is in pardoning that we are pardoned;
It is in dying that we are born to eternal life.

St Francis of Assisi, 1181 - 1226

CHURCH NOTICES - Bere Regis

CHURCH TREASURER.
As many of you will know, Mr Robert Standall has been the Church Treasurer at Bere Regis for the past fifteen years. He married Pam eighteen months ago, and they have settled in the parish of Broad Chalke. As a result, he has decided to resign as treasurer, and Mr Gordon Phillips has been appointed in his place. We will be expressing our appreciation of Robert’s work at the 9.30am Parish Communion on Sunday March 2nd.

LENT LUNCHES
These are continuing on the Wednesdays of Lent, in the south aisle of the church from 12.30pm - 1.30pm. (Soup, bread and cheese, coffee or tea - all for £2) Any profit is being given to a charity that works for the hungry of "the third world".

CHURCH SPRING CLEAN
We haven’t had one of these for two years, so there is ample opportunity for us to exercise our cleaning skills. If you could spare an hour from 10 o’clock onwards on Saturday 8th March you can claim a free refreshment plus lots of “Brownie points”!

CONFIRMATION CLASSES for TEENAGERS
Continue every Wednesday at 6.00pm. Meet at the vicarage first. If you haven’t joined the classes, but wish you had, do come along. The vicar can bring you up to the point where the rest of us are. CONFIRMATION DAY - 8th May in Corfe Castle Church - in the evening.

MOTHERING SUNDAY - 9th March.
There is to be a Mothering Sunday service for the family at 11 o’clock. Posies are distributed to the children at this service, and the hope is that they will give them to their mothers.

GOOD FRIDAY WALK.
For the past seven years members of the congregations of Bere Regis and Affpuddle have been joined by some of the congregation from Butt Lane Congregational Chapel for a Good Friday walk to the top of Black Hill. The Bere Regis walkers meet near the Surgery at 11.00am and the Affpuddle Amblers meet at the Briantspuddle Village Hall also at 11.00am. On the walk, we have pauses for prayers of the Passion, and when the groups meet on Black Hill, we have a simple but moving act of worship for Good Friday. Many people bring a lunch snack with them and this makes for a happy meeting after the service. If the weather is fine, it is a lovely thing to do on Good Friday. If it is wet, it is a Good Friday penance.

CHURCH DECORATING for EASTER.
This takes place on the Saturday morning before Easter Day from 10 o’clock onwards. We always need helpers to make the church full of flowers and beauty for the Easter Day services, so do come along to help if you like. Please note that should you wish to remember someone who has died, you can donate the cost of a lily by signing the list on a table near the entrance to the church.

THE GIFT DAY
The vicar was extremely lucky. Sandwiched in between days of rain and cold wind came that Saturday morning which was dry, sunny and warm. So sitting outside the Post Office in West Street was a real pleasure. What was more of a pleasure was the response of so many of you to the Gift Day Appeal. You will be delighted to know that you donated over £900 towards the church in the parish. Thank you very much for your kindness, generosity and goodwill.
CHURCH FUND RAISING

The January Jumble Sale at Wareham Town Hall was a record breaker with takings of £348. This is due to the generosity of all who gave items for sale, and to the stalwart band of helpers on the day.

Many thanks to you all.

M.C.

AFFPUDDLE CHURCH NOTICES

Church Special Clean

There will be a special clean of the church prior to Easter on Saturday 8th March from 10.00 a.m. to 12 noon. Please come along and help. Depending on the number of people present it is hoped to be able to polish all furniture and the wood floors and vacuum clean the mats and hossocks and if time permits wash the stone floors. Please bring with you polishing cloths and dusters.

Easter flowers

The church will be decorated for Easter on Saturday 29th March from 10.00 a.m. onwards. Gifts of flowers and foliage would be greatly appreciated and should be brought to the church by 10.00 a.m. on Saturday morning. Help would be appreciated with the flower arranging.

Mothering Sunday - March 9th.

The morning service at 9.30am will have a Mothering Sunday theme, and posies of flowers will be distributed to the children and amongst the congregation. (It is always our hope and intention that the children hand over the flowers to their mothers, but small children are often reluctant to do this!)

Affpuddle PCC

Meets on Tuesday 11th March to approve the Financial Statement for the year prior to the Annual Parochial Meeting on 6th April. Meet in the Church please, so that we can make further decisions on the placing of the new pipe organ.

Annual Parochial Church Meeting - 6th April in Affpuddle Church

Following Evensong at 6.00pm. Everyone on the church electoral roll is entitled to attend this meeting. At this meeting, a copy of the electoral roll is presented, annual reports given, and audited accounts with a concise statement distributed to the meeting. Parish Church matters may be discussed. The election of parochial representatives to the Parochial church council is made, together with the election of sidesmen.

OBITUARY

Lieutenant Colonel DENHAM CORNER (aged 85)

With the death of Denham Corner on 10th February the parish of Affpuddle, Briantspuddle and Turnerspuddle lost one of its most hardworking former residents. He had been Churchwarden for many years and also chairman of the Parish Council. His wife, affectionately known as "J", had pre-deceased him by some three years, and Denham's body was intered alongside hers at the funeral service in Affpuddle Church on a very wet and windy day on 17th February. The large congregation remembered with thanksgiving a most gentle and gracious man, whose kindness and tolerance marked him out for election to positions of leadership in any community.

As his title indicates, he had been a soldier, first in the Royal Artillery, and then in the Indian Army. He was also an extremely talented sportsman at rugby, hockey, mountaineering, sailing and riding. All this was exercised fully when he went to India, before the war, but the war years saw him selected for duty behind the Japanese enemy line in Burma, preparing for the allied advance and final victory at Kohima and Imphal. His aptitude for languages was used by the army, first in India where he was an Interpreter in Urdu, but in later years, in Germany, with the army of occupation, his German, Russian and French came into use. He was in charge of Movements in the British zone. He even had his own train! Towards the end of his career, his ability in Greek made his selection for intelligence work in Cyprus inevitable. This was during the terrorism time in the mid 1950's.

He married "J" in 1947, and they had two children, Michael and Nicky. They retired to Brockhill, overlooking the Piddle valley and Black Hill in 1960. Here they made a large number of friends through their service to the community as well as through their enjoyment of field sports. The last hymn of the funeral service was 'Now thank we all our God', and it was sung with genuine fervour for a man who was a 'gentleman.'

BERE REGIS NEWS

MIND THE WORLD COFFEE MORNING

We are holding a coffee morning on Saturday 1 March in the Vicarage from 10.30 a.m. onwards. All are welcome to support this function for the Mind the World group.
MOTHERS' UNION

Last month our speaker was Mrs Elizabeth Baker from Wareham. Her subject was Mother Theresa and we all learnt a great deal about her and her work with the poorest of the poor. She was born in Yugoslavia in 1910 and answered the call of God to be a missionary in India, working as a teacher of geography, then a headmistress, before her 'call within a call' to minister in the slums of Calcutta.

She gathered around her a group of young women to help her and founded her order, the Missionaries of Charity. The work has spread to 115 countries throughout the world and donations are accepted from all who give. The order has been criticised for accepting donations from such as Saddam Hussein, but Mother Theresa will not pass judgement on the motives of those who choose to support her work of love in action to the poorest of the poor.

Our March meeting will be one of the Lent Holy Communion Services when our guest preacher will be the MU deanery chaplain, the Revd Robert Green. We have been invited to a Lent Service at St Mary's Church, Shroton on Wednesday 12th March at 2.30 p.m. and also to evening in Salisbury Cathedral on the afternoon of the 16th March. This will be a service of recognition to all who have helped in the refectorary over many years.

Two other events in March will be the Women's World Day of Prayer on 7th March when our local service will be held at Milbourne St Andrew at 2.00 p.m. and prayers for Ireland and St Patrick's day, 17th March, in church.

If you require transport for any of the events outside the village please give your name to Di or myself.

Brenda Pitfield. 471391

WOMEN'S WORLD DAY OF PRAYER

This year's service for Women's World Day of Prayer will be on Friday 7th March at 2.00 p.m. at Milbourne St Andrew Parish Church.

The service has been prepared by the women of Korea and is called 'Like a see that grows into a tree'. The speaker will be Mrs Iris Cowley, who is a representative for 'Open Doors' missionary organisation. She has visited Korea and so will be able to speak about that country from first hand experience.

The Church at Milbourne St Andrew is in the process of having a new heating system installed. If the work is not completed by 7th March, the service will be held in the nearby Village Hall. All ladies are very welcome. A creche will be provided. If you require transport please see Mrs Mary England or Mrs Joyce Healey.

ROYAL BRITISH LEGION GARDENING CLUB

Last minute rush to put pen to paper as usual. Blimey, we are halfway through February already. Still, we can't really complain about the weather. Lovely bit of sunshine the last few days and plenty of rain to get things growing. Can't be bad.

I must admit being a little concerned when our guest speaker from Kingston Maurward College on the Care and Propagation of House Plants opening statement was that he knew nothing at all about House Plants. I needn't have worried. He then went on to completely captivate his audience for the next two hours. Highly delightful.

March 4th, we have Harry Dawes at the Legion Club, usual time, to tell us about A Year in his Garden. Harry is an old friend, a very knowledgeable speaker on garden topics and a bit of a humorist to boot. It will be another great night.

We were pleased to welcome some new members at the last two meetings. Membership is well over the 60 mark already and growing at a rate of knots. The grubby palm will be there outstretched at the door as usual. Those of you who haven't yet renewed, get in quick or we might have to limit numbers. If you believe that you'll believe anything!

In case you haven't heard, April 8th on your card should read April 1st and Kingston Maurward have cancelled the speaker. We will have a replacement speaker on the night but who knows what, heaven only knows. I will let you know at the next meeting. Probably.

See you on the night and much tanks for your support.

Editor's note: There is a deliberate mistake in this article - Brian tells me that he wants to test to see how many of you read this!!

ROYAL BRITISH LEGION WOMEN'S SECTION

The Section held their monthly meeting on January 15th. 23 members attended. After the Exhortation, minutes of the last meeting were read, confirmed and signed, the business of the afternoon then followed. The Chairman, Mrs Maidment, thanked our Standard Bearer, Mrs Clarke for carrying our Standard at the Plough Sunday service. Our speaker was Mrs Cockburn, our secretary, who kindly stepped in when our original speaker, Mrs Tharly, was not able to come. She showed us family and country slides which were most interesting. Teas were then served by Mrs Payne and Mrs Read, and a Bring and Buy was run by Mrs K March.

A Jumble was held in the Scout Hut on Saturday February 8th and this realised £86.58. Our thanks to the Scouts for allowing us to use their hut.

Cenotaph for March - Mrs J Hartley. April - Mrs Brett.
The performance by the Natural Theatre Company last month, was as usual, excellent. Unfortunately, only twenty people were able to share the experience of Andrew Pollard exploring his great grandfather's life with Charlie Chaplin as they travelled to America and the newly founded film industry. This month, we have on Wednesday 26th March a puppet show - "Burglar Bill." This will start at 10.00am and is very suitable for our young thespians. After this there will be a Lantern Workshop which will go on during the afternoon. This should be fun and of particular interest to budding Carnivalists.

On the previous day, 25th March the Blood Bank returns. Please do try to come along, it is quite painless and you really are giving somebody a chance in life that they may never have had.

The Annual General meeting of the Hall Committee will be on Thursday 20th March at 7.00pm in the hall. Please do try to come along and voice your opinions. The hall is a very busy place in the village and is mainly self-financing. It would be nice to see new faces at the helm.

C.M.

PARISH COUNCIL

The Council are very conscious of the quantities of dog muck on the paths and grass through the village. Owners of dogs are responsible for clearing their dog’s left overs. Most dog owners are responsible and take steps to prevent the accidents and thus it is just the few who let the side down.

With the effect of the Local Government re-organisation about to be felt by all Council Taxpayers, it may be of interest to all Parishioners to learn that the Council wrote to County Hall suggesting that savings were possible by sharing services between the County and the two new parishes. Regrettably, the County Council did not entirely agree with the Parish Council!

April 23rd has been fixed as the date for the Dorset Latvia Link AGM. It is to be held at Scout HQ in Bere Regis, commencing at 8.00 p.m. We are hoping to have a short talk from someone who has recently visited Latvia with particular reference to the 1998 Song Festival. RECORD RIDE

A recent report in the Sarum Link, highlighted the fact that the Sponsored Cycle Ride on September 14th 1996, on behalf of the Dorset Historic Churches Trust, beat the 1992 previous highest total (£24,864). At the same time it reached the target of raising over £25,000 for the first time. Congratulations and thanks to all who participated by cycling, walking, sponsoring or in any other way.

AUTUMN LEAVES OVER 50's CLUB

At our February meeting, Tony Bates showed us some lovely slides of his cycle ride around Dorset last summer. As we travelled with him in pictures, we saw beautiful views, wild flowers, and butterflies. There were a large number of sugar bowls on display for the competition. The afternoon finished with a delicious tea.

At our next meeting, which will be held on Wednesday 12th March, we are to have a talk on watercress by John Watts. The competition is for a small vase of spring flowers.

The Spring Sale and 50p Table will be held at the Drax Hall on Saturday 15th March at 2.30 p.m.
BERE REGIS TWINNING ASSOCIATION

Bonjour !!!

The AGM of the Bere Regis Twinning Association was held on the 23rd January 1997 - doesn't time fly! The meeting was well attended and several new members joined the fold. The Chairman opened the meeting by thanking everyone for coming and after the election of officers for the coming year gave his report of what has been going on since the original public meeting. A copy of this is available free if you would like one.

The secretary of the Dorset Twinning Association John Simmons, gave us a talk on the way forward explaining how other associations have taken the next steps towards the final twinning ceremony. The main point being that we should invite several of the French to visit Bere Regis on an informal basis in the very near future. This has already been put in hand as I write but no date has as yet been decided. So you can see we are at last nearly there!

On the subject of French classes - whether beginner conversational or advanced, we are hoping to arrange a date to have a French teacher in the village so that anyone interested can meet him/her and see exactly what is required. If you are at all interested please contact Janet Gilpin on 471829. And of course for any membership enquiries please contact Peter Loxton 471660.

A bientot.

BERE REGIS SWIMMING CLUB

As some of you will know, the activities of the Club are many and varied. We now enjoy the services of one AMA/STA Advanced teacher and four fully qualified AMA/STA teachers. Annual membership is £2 and we charge £1 per session which includes the cost of STA and ASA badges. We are currently open to additional members and around 50 children attend classes at Blandford each Saturday evening.

RAGAMUFFINS PLAY SCHOOL

I am sure that many of you will have heard that playschool has had problems with its building. After dealing with the immediate issue, we are now left with a building that is not likely to be safe for use from next autumn. This leaves us a very short time to find a semi-permanent home and find it. We need space for the children to play, sit and to store the creative and learning equipment.

Ideally, we would like a temporary classroom in the school grounds, subject to the school's agreement. All this will need a substantial amount of money. We are a self-supporting playschool and our only income is the fees paid by parents. We hope to be able to benefit from the Carnival but we would appreciate any suggestions and support from anybody in order to ensure that the playschool continues. Please telephone me on 471657.

Debbie Scott - Chairwoman.

BREAKTHROUGH FOR BREAST CANCER FASHION SHOW

A fashion show, in aid of the above charity, will be held on Tuesday 11th March in the hall at Bere Regis First School.

Tickets for the show, which starts at 8.00 p.m., cost £2 each and include wine and 'nibbles'. Tickets can be obtained from Sarah Brady (471466) or Fiona Dodd (471556). A raffle is also being held on the night.

The clothes being modelled are from High Street fashion stores (and designer labels) and will be available to purchase on the night at greatly reduced prices.

Don't miss out on a fun evening and a way of raising funds for this worthy charity. Book your tickets now! If you can't come on the night - phone for your raffle tickets and show your support.
THE POP IN PLACE

The Pop in Place AGM will be held on 24th April 7.00 p.m. in the upper Drax Hall. Everyone is very welcome to attend and there will be a progress Report for the project and a financial report. We will then elect from those present, officers and committee members. We hope to involve in the decision making, people who attend the Pop in Place.

There will then be refreshments, served in the Pop In Place, and a display of photographs and information about the project. The room will be as it is on the twice weekly sessions so as to give people who are not able to attend or who have been involved in financial assistance, an insight of what is available. For example, the Children's Home/Play area and the Library will be on show.

The committee and helpers look forward to welcoming you on this informal but informative evening in the newest community project in your village. So please come along. You will be very very welcome. Transport can be provided if needed - 472023.

The Drax Hall committee have agreed to the Pop in Place committee purchasing carpet tiles for the floor. We will use the grant aid from the Talbot Village Trust and put the rest of the balance from our funds.

The Pop in Place Video Library

We are collecting a very good varied video selection with some of our grant aid from the Community council along with our own fund. This has enabled us to develop a good range of wildlife and nature videos.

If you have any videos that you don't use any more, why not donate them to the Pop In Library. We would put them to very good use. Just bring them in on Monday or Friday morning (we do not hold Cert 18 rated videos in the Library).

Bere Regis Supports Charities Day - Saturday 22 March

Please support the National Meningitis Trust Easter Coffee Morning at 10.30 a.m. at the Drax Hall and also the Jumble Sale and Grand Easter Egg Raffle which is in aid of the Fourways Centre and takes place at the Scout Hut at 2.30 p.m.

WANTED - EASTER EGGS

The Pop in group are organising a Jumble Sale and a Grand Easter Egg raffle. We need jumble to be brought to the Scout Hut on the morning from 9.30 a.m. onwards. We also would like donations of Easter Eggs - big, small, cream, hollow, any type of Easter Egg will be raffled during this afternoon. Eggs can be brought to the Pop In on any Monday or Friday. Please can you help by donating for this worthy cause.

All the profits from this event will go to the Fourways Centre in Poole, who do a lot of brilliant work with people who are recovering from mental illness, people who have a physical or sensory disability. We have people who attend Fourways day centre who also come along to the Pop In, so it is a cause that is close to our hearts. But we need your support on the day to make it a success.

BLOOD DONOR SESSIONS

The next blood donor sessions will take place in the Drax Hall, Bere Regis, on Tuesday 25th March 1997 from 1.30 p.m. - 3.30 p.m. and 4.30 p.m. - 7.30 p.m. Please try to come and give blood if at all possible, as blood is always urgently needed.

New and lapsed donors are always most welcome as well as regular donors.

The second session this year will be on Tuesday 29th July. Information on giving blood can be obtained by telephoning 01703 703747 or your local organiser, Mrs Rosemary Short on 01305 855353.

Many thanks to those who have offered to help with the sessions. I am most grateful.

WOODBURY HILL SINGERS

The Singers have entertained the Darby and Joan Club, Upton and a Golden Wedding. Has anyone a Bowler Hat and a Top Hat they can let us have please? If you can help, please ring Kath on 471175.
Some people love to put God in a box. That is if they think or talk about God at all. To satisfy their own ideas of an opinion, to support their side of an argument, they build a box of their own making, label it in their own handwriting and then put their kind of God into it. Then they nail it down securely, never to be opened or disturbed again.

The Bible tells us that 'God made man in God's image' (Genesis 1:26), but man has tried to make God in man's image! God the Father sent His Son Jesus Christ to earth to show us just who Almighty God is, and what He is like. Hebrews 1:3 says: 'The Son (Jesus) is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word'. Jesus was the same image as His Father. He did and said exactly what His Father said and did. Like Father, like Son. "Anyone who has seen me has seen the Father", Jesus said to Philip, one of his disciples. John 14: 8-11.

God is a God of grace, joy, mercy, love and truth, but He is also a God of judgement. When Jesus was on this earth, many sinful, unbelieving men did not like what they heard and saw in Jesus. He did not fit their idea of a Christ (Messiah), Saviour and Lord. So they nailed Him to a cross and then his dead body they boxed up in a tomb, and sealed and guarded it.

But there is no box big enough to secure God in. Three days later, Jesus Christ rose from the dead, and then later returned to His Father in heaven. Luke 24: 1-8. Jesus is alive today. Do you know this? He cannot be contained in any box of man's making. So as you believe in Christ Jesus as your risen Lord and Saviour, He will set you free from your box, to live for Him for ever in resurrection new life. That is the truth about Easter!

On Saturday 22nd March, at 7.30 p.m. the monthly Celebration meeting will be held at the Chapel, Butt Lane. The speaker will be David Noakes. David is a gifted Bible teacher with an international ministry. We are very privileged to welcome him to Bere Regis. Everyone is invited to this meeting.

The Football club has recently undergone severe upheaval, and after lengthy negotiations with the Dorset Football Association, we have managed to maintain the village's interest in the county football scene. We are now persevering with the Saturday Division Four, Poole and North side, and hope to gain promotion at the end of what is proving to be a taxing season. The club owes a debt of thanks to hard working Secretary, Andy Cheeseman who played the key role in keeping Bere alive.

Saturdays have not been the same since the departure of the Spice Boys, but Bere's loyal band of footballers will continue to fly the flag. They faced a resurgent Alldendale on a postage stamp of a pitch and Offensive co-ordinator Archie Cheeseman was able to call on Chris Merritt to bolster the defensive ranks. He put in a solid display at the back on a day when Bere struggled through, but showed some character winning after going two down. It was day when Bere created, but delivered little. Top man Burt Stranack netted late on, and pacy partner Ricky Cummins scored the winner lifting Bere to second in the table, above their opponents that day. Delicious usually describes gourmet food, but Bere served a dish to savour, away at Corfe Mullen against the hapless Mount.

The first half should have harvested many goals, but four in each half was just about enough to satisfy their fasting manager. There was numbers 16, 17 and 18 of the season for Burt Stranack, also Wayne Cope and Ricky Otto got in the act during Bere's best rout of the season. Their best football came after soaking mounting pressure, and hitting the Mount's gaping defence on the break. With the ongoing case of the Bere Four (Colin Phillips, Hristo Oram, Ronaldo White and Alberto Balsom) progressing longer than expected, Bere's attempts to include them in their squad for the rest of the season are suffering the longer their trial goes on.

AFFPUDDLE AND TURNERSPUDDLE PARISH COUNCIL

Meetings took place on 8th January and 12th February.

The area around the Bladen Valley War Memorial will be improved by clearing the drains and putting a tarmac strip on the edge of the road. It was reported that the road was due to be closed for the installation of a water main and repairs to the drains would be done after that.

All options were being considered for the Village Hall Lottery applications.

The footpath application was still going through the necessary processes in the hope that it would eventually become an official footpath. It was also noted that various signposts in the vicinity of Lead Woods had been vandalised.

The Rights of Way Department at County Hall had requested that residents should walk footpath 14 in the hope that this would improve the surface of the path. It was also reported that footpath 14 is still diverted.

There is to be a social evening at Bladen Valley Social Club to commemorate 40 years. This will be held on 1st March and anyone wishing for more details should contact Rosemary Turner.

The death of Colonel Corner, past P C Chairman was reported with sadness and a minute's silence was observed as a mark of respect.

Fly tipping is still prevalent in the Parish and anyone with information should contact the police.

March 1997

With this and other withdrawals, Archie has had to dig deep into a youthful squad, as was the case at home to Lokomotiv Sturminster Marshall. All the action in the game was confined to the first ten minutes, when Ricky Otto and Adam Rogerson gave Bere a two goal advantage, the latter a spectacular overhead tricycle kick. Soon afterwards, Bere were pushed back and desperately held out during the first period. They re-assumed command after the break and sailed home. With Hospital Metalcraft crashing away to Stur Newton the previous week, this gave Bere a fillip in their quest for league glory, only four points behind and two games in hand. They travelled to Blandford full of hope, and were severely pumped up for the occasion.

What followed was an unmitigated disaster at the hands of the deserved league leaders. Bere were without hope, after falling behind early on after Bere's midfield showed early signs of cracking, cracks which later were to resemble the San Andreas Fault. Nevertheless, the home back four was nowhere near impregnable and Bere struck the woodwork four times, once at a crucial moment. Metalcraft showed they were 'up for it' in every sense of the word, and underlined their lofty status. The second half was woeful from Bere, as they were completely overrun in all departments putting in a performance to forget. But their victors played a brand of football which belonged in the upper reaches of Dorset Football, leaving Bere to scrap it out for second place in the league.

Promotion chasing JVL Sports boasted a strong line up as they met Bere's Sunday heroes in a post-freeze encounter. Ex-overseas star brothers Martin and Steve Balsom were in the away line up, and they expected a full three points. Bere were in no mood to give up easily, and the sparse crowd were treated to a classic, which manager Des Lynam Macklin described as a fine advertisement for the Hangover Leagues. Real end to end stuff with incident thrown in made for a game which blew away the winter blues. But Bere remained a goal down for most the 90 minutes, it took a gem of a far post header from Jerry 'Blue Peter' Duncan to balance the books for Bere and give the home side some reward. Bere were out for revenge against Ferryboat Inn who dumped them out of the cup in December. Bere expected a full blooded match, so St John's were alerted.

The away team brought with them an odd bunch of Hillbillies, ranging from strikers showing no respect for officials, to defenders sporting basketball sneakers and shorts from another era. But they had a spirit unknown, and a goalkeeper who was a rock at the back, acting as a second sweeper. A possible, marginal offside decision went 'Boat's way and Bere were unexpectedly on the back foot. Stand in referee Archie Cheeseman was given a torrid time, and was forced to take control with captains, after a few unsavoury clashes. Mark Gale showed Bere's redundant strikers exactly how to score, and might have had a hat-trick on another day.

Two dead-ball goals was enough to give Bere all three points, or so they thought. That was until Kev Cox stepped out of the shadows and placed his throw in directly in the path of an oncoming attacker, who said thank you very much, and Ferryboat were celebrating their first point of the season. The atmosphere surrounding the Bere dugout was blue to say the least, as manager Scuffer Macklin came down from the stands for the first time this season.

Village Hall News

On Saturday 25th January the Village Hall Committee in conjunction with Artreach organised a concert at which the Budapest Cafe Orchestra performed. The concert was a sell out and the audience enjoyed a splendid concert of Hungarian gypsy music. The profit to the Village Hall is expected to be in the region of £150.00. Thank you to everyone who came and to all who helped to make the evening such a success.

Don't forget the Dennison String Quartet concert to be held on Sunday 2nd March at 7.30 p.m. in the Village Hall. The tickets will £4.00 and are currently available from Philippa Thorniley, Bere Regis 471497. The Dennison String Quartet consists of four young musicians from Northern Ireland and are similar to the Trio Sirroco in that they have all won prestigious music competitions and are professional players in orchestras within the U.K. The programme will include works by some of the following composers: Haydn, Schubert, Mozart, Shostakovich, David Stone, Stephen Deazley and Matthew Boydell. Coffee, tea and soft drinks will be served during the interval. Do come along to what is expected to be an excellent concert and tell any of your friends outside the parish who may be interested.

Affpuddle Parish Church Council

There will be a meeting of the PCC at 7.30 pm Tuesday 11th March in the church when the sowing of the new pipe organ will be considered prior to the application for a faculty being raised. The church accounts for 1996 will also be presented.

Home Watch

A shed has recently been broken into in Briantspuddle when a chainsaw was stolen. Many of us go to considerable care to make sure our houses are provided with good locks and other security devices such as alarms etc. In sheds and outbuildings we often store valuable equipment such as lawnmowers, garden tools and specialist equipment. These buildings are often remote from the house which makes them easy for a burglar to approach unseen. There are very secure locks, which can be fitted to these buildings and also alarm devices where valuable plant is contained.

Briantspuddle W.I.

What a very interesting and entertaining evening that was! I am talking about last month's meeting when Mr Chris Hunt from Kingston Maurward talked to us about how to look after your vegetable patch; even those of us who do not grow vegetables became enthusiastic about having a go. Certainly a speaker with a most wonderful sense of humour and we hope to have back one day when he will give a long talk about how to really make good compost. In March Mrs Shaw will talk to us about "patchwork"
