

August 1950

OUR Harvest Thanksgiving at the Parish Church will be on Sunday, September 10th—an earlier date than usual as it seems likely that most of the harvest should be gathered in by then. We must remember however, that we depend on the harvest in many other parts of the world and in arranging our thanksgiving we need not be tied down to any particular month of the year.

We should be glad for flowers, fruit, etc., to be sent to the Church early the previous day.

IT is with great regret that we record the recent death of Mr. Wyatt who was for some time Churchwarden until ill-health caused him to retire from all active work. He suffered much during recent years. To Mrs. Wyatt and her family we express our sincere sympathy.
