

June 1950

THE Annual Parochial Church Meeting was held last month and was preceded by the Vestry Meeting. The Church Council was re-elected with little change and Miss Percy presented a very satisfactory financial statement with her usual ability and agreed to carry on this important work by keeping the church accounts. At the Vestry Meeting Messrs. Marsh and Smith were re-appointed Churchwardens and Mr. Richards as Deputy Churchwarden. Mr. Drew was appointed Sidesman. The Vicar reported on the care of the Churchyard and Mrs. Deakin generously offered to defray the cost of extending the trellis on the West wall. In conclusion the Vicar expressed his appreciation of the support he had at all times received from the Churchwardens and from the Church Council and mentioned the many others who give their time in caring for the church.

A FINE 17th century table now replaces the unsightly cupboard which for so long has been used in the church.

MAY we again remind readers that the Church Fete is to be held on July 6th in the Vicarage garden. There will be all the usual attractions and weather permitting dancing on the lawn in the evening. Mrs. Hall has again kindly promised to arrange a programme of country dancing by the children.

UP to the time of writing the Produce Stall has been opened on two occasions and the total proceeds so far amount to £5 6s. 6d. The stall opens at 10 o'clock on Thursdays at Southbrook and the proceeds are for the Church Improvement Fund.

* * * * *

THE Garden Party at the Cedars was a great success and Mrs. Bedford has divided the proceeds between the Society for the Prevention of Cruelty to Children and the Moral Welfare Association. The amount was nearly £19.
