

November 1951

ADVENT Sunday is on Dec. 2nd and on that date we start a new session of the Children's Services which are held each Sunday at 2.30. We shall be glad to welcome any newcomers. These services are somewhat unique as the children are of all ages but we try to make them suited to all and the attendance is exceptionally good.

Mrs. Sheppard would be glad to welcome any new children to the Sunday School at S. Nicholas.

* * * * *

MAY we ask for goods of any kind towards a small Sale which is to be held in the W.I. Hut at Winterbourne Kingston on Dec. 7th. This is in aid of the S. Nicholas Sunday School and Church Funds. Mrs. Sheppard will be very glad to receive any goods or donations towards these deserving causes.

* * * * *

IT is with regret that we record the death of Mr. Guthrie Watson, who was always ready to support any good cause in the Parish. Only a few days after his death some plants arrived for the churchyard which he had kindly ordered.

* * * * *

MAY we make our annual appeal about keeping the church door closed during the winter months. To leave it open even for a few moments when the wind is from the south undoes all the efforts made to keep the church warm.

* * * * *

ON Sunday, Dec. 9th, the services at both churches will be Thanksgiving for the King's recovery of health.
