

WE now have every hope that our Magazine will be published as usual in spite of some delay.

The main event of recent interest was, of course, the Vicarage Garden Party on June 25th, when we were very fortunate in having perfect weather and we welcomed Commander Churchill who was our opener. He pointed out the value of occasions such as this not altogether for the purpose of raising funds but also because they provide a social and informal gathering of parishioners and neighbours. Included in the afternoon's enjoyment was the Display of Country Dancing under the supervision of Mr. Endacott, and contained several new items which were new to us but were largely of very early origin. After paying expenses our takings during the afternoon amounted to nearly £80 and we take this opportunity for thanking again the many helpers and others who contributed towards a very happy afternoon.
